(Filing No. H-806)

Reproduced and distributed under the direction of the Clerk of the House.

**STATE OF MAINE
HOUSE OF REPRESENTATIVES
132ND LEGISLATURE
SECOND REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 1282, L.D. 1921, "An Act to Create a Statewide Housing Resolution Board"

Amend the bill by striking out the title and substituting the following:

'Resolve, to Establish the Commission to Study Pathways to Increase Efficiency in Resolving Legal Disputes Involving Housing Development Projects'

Amend the bill by striking out everything after the title and inserting the following:

'Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, Maine is facing a housing shortage that harms the quality of life and economic prosperity of all Maine residents; and

Whereas, to address this crisis, 84,000 new housing units must be built by 2030, which may only be achieved if annual production of housing units doubles; and

Whereas, production of housing is often delayed by misunderstandings and disputes about the multiple state and local government permitting and application processes required for housing development projects; and

Whereas, these misunderstandings and disputes often lead to litigation, which further delays housing development and often causes a housing development project to become uneconomical for a developer; and

Whereas, this resolve establishes the Commission to Study Pathways to Increase Efficiency in Resolving Legal Disputes Involving Housing Development Projects to determine ways to reduce the costs of and time spent in litigation involving housing development projects; and

Whereas, the study must be initiated before the 90-day period expires so that the study may be completed and a report submitted in time for submission to the next legislative session; and

Legislative Cost/Study

The general operating expenses of this study are projected to be \$1,400 in fiscal year 2025-26 and \$3,050 in fiscal year 2026-27. The Legislature's budget for the 2026-2027 biennium includes \$7,253 in fiscal year 2025-26 and \$17,696 in fiscal year 2026-27 for the costs of legislative studies, as well as \$41,338 of balances carried over from prior fiscal years for this purpose. Whether these amounts are sufficient to fund all studies will depend on the number of studies authorized by the Legislative Council and the Legislature. The additional costs of providing staffing assistance to the study during the interim can be absorbed utilizing existing budgeted staff resources.

Fiscal Detail and Notes

Any additional costs to the Office of the Governor, the Judicial Branch or the Maine State Housing Authority to participate in the work of the commission are expected to be minor and are assumed to be absorbed within existing budgeted resources.
