COMMITTEE AMENDMENT "A" to H.P. 1288, L.D. 1927

**SUMMARY**

This amendment replaces the bill and changes the title. The amendment provides that when a landlord offers for rent a dwelling unit and that landlord knows or should know that the dwelling unit has mold, bacteria or other biological organisms that are injurious to the health of occupants, then it is a breach of the implied warranty and covenant of habitability. The amendment also allows municipalities to adopt more stringent standards related to the implied warranty and covenant of habitability.
