L.D. 2162

Date: 4/8/26 REPORT B

(Filing No. H-1003)

**HEALTH COVERAGE, INSURANCE AND FINANCIAL SERVICES**

Reproduced and distributed under the direction of the Clerk of the House.

**STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
132ND LEGISLATURE  
SECOND REGULAR SESSION**

COMMITTEE AMENDMENT "B" to H.P. 1451, L.D. 2162, "An Act to Regulate and Prevent Children's Access to Artificial Intelligence Chatbots with Human-like Features and Social Artificial Intelligence Companions"

Amend the bill by striking out the title and substituting the following:

**'An Act to Regulate Artificial Intelligence Companion Models'**

Amend the bill by striking out everything after the enacting clause and inserting the following:

**'Sec. 1. 10 MRSA c. 247 is enacted to read:**

**CHAPTER 247**

**REGULATION OF ARTIFICIAL INTELLIGENCE COMPANION MODELS**

**§1500-PP. Definitions**

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

1. Artificial intelligence; artificial intelligence technology; AI. "Artificial intelligence," "artificial intelligence technology" or "AI" means a machine-based system that can, for a given set of human-defined objectives:

A. Make predictions, recommendations or decisions influencing real or virtual environments;

B. Use machine-based and human-based inputs to perceive real and virtual environments and abstract such perceptions into models through analysis in an automated manner; and

C. Use model influence to formulate options for information or action.

1 2. AI companion. "AI companion" means a system using artificial intelligence,  
2 generative artificial intelligence or emotional recognition algorithms designed to simulate  
3 a sustained human or human-like relationship, including, but not limited to, intimate,  
4 romantic or platonic interactions or companionship, with a user by:

5 A. Retaining information on prior interactions or user sessions and user preferences to  
6 personalize the interaction and facilitate ongoing engagement with the AI companion;

7 B. Asking unprompted or unsolicited emotion-based questions that go beyond a direct  
8 response to a user prompt; and

9 C. Sustaining an ongoing dialogue concerning matters personal to the user.

10 "AI companion" does not include a system used by a business entity solely for customer  
11 service or to strictly provide users with information about available commercial services or  
12 products offered for sale by that business entity, with customer account information or  
13 other information strictly related to its customer service; a system that is primarily designed  
14 and marketed for providing efficiency improvements or research or technical assistance; or  
15 a system used by a business entity solely for internal purposes or employee productivity.

16 3. AI model. "AI model" means a component of an information system that  
17 implements artificial intelligence technology and uses computational, statistical or  
18 machine-learning techniques to produce outputs from a given set of inputs.

19 4. Emotional recognition algorithms. "Emotional recognition algorithms" means  
20 artificial intelligence that detects and interprets human emotional signals in text using  
21 natural language processing and sentiment analysis, in audio using voice emotion analysis,  
22 in video, using facial movement analysis, gait analysis or physiological analysis, or a  
23 combination of text, audio and video.

24 5. Generative artificial intelligence. "Generative artificial intelligence" means a  
25 class of AI models that emulate the structure and characteristics of input data to generate  
26 derived synthetic content, including, but not limited to, images, video, audio, text or other  
27 digital content.

28 6. Operator. "Operator" means any person, partnership, association, firm or business  
29 entity, or any member, affiliate, subsidiary or beneficial owner of any partnership,  
30 association, firm or business entity, who operates or provides an AI companion to a user.

31 7. Person. "Person" means a natural person.

32 8. Self-harm. "Self-harm" means intentional self-injury with or without the intent to  
33 cause death.

34 9. User. "User" means a person who uses an AI companion for personal use within  
35 the State and who is not an operator, or an agent or affiliate of an operator.

36 **§1500-QQ. Requirements for operator of AI companion**

37 An operator may not operate or provide an AI companion to a user unless the AI  
38 companion contains a protocol to take reasonable efforts for detecting or addressing  
39 suicidal ideation or expressions of self-harm expressed by a user to the AI companion that  
40 includes, but is not limited to, detection of user expressions of suicidal ideation or self-  
41 harm, and a notification to the user that refers the user to crisis service providers such as  
42 the 9-8-8 suicide prevention and behavioral health crisis hotline, a crisis text line or other

1 appropriate crisis services upon detection of the user's expressions of suicidal ideation or  
2 self-harm.

3 **§1500-RR. Notification**

4 An operator shall provide a clear and conspicuous notice to a user at the beginning of  
5 any AI companion interaction that the user is not communicating with a human being. The  
6 notice may be provided to the user verbally or in writing and must be provided at least once  
7 per day for a single AI companion interaction and at least every 3 hours for continuing AI  
8 companion interactions.

9 **§1500-SS. Enforcement**

10 **1. Civil action brought by Attorney General.** Whenever the Attorney General  
11 believes from evidence satisfactory to the Attorney General that an operator has engaged  
12 in or is about to engage in any of the acts or practices in violation of this chapter, the  
13 Attorney General may bring a civil action against a person that violates this chapter.  
14 Penalties may include:

- 15 A. An order to enjoin a violation of this chapter;
- 16 B. A civil penalty of up to \$15,000 per day for a violation of this chapter; or
- 17 C. Such other remedies as the court may deem appropriate.

18 **2. Disposition of fees, fines and penalties.** All fees, fines and penalties collected  
19 under this chapter must be deposited into the Suicide Prevention Fund established in section  
20 1500-TT.

21 **§1500-TT. Suicide Prevention Fund**

22 **1. Fund established.** The Suicide Prevention Fund, referred to in this section as "the  
23 fund," is established as a dedicated, nonlapsing fund administered by the Attorney General  
24 for the purposes of funding initiatives supporting suicide prevention, education and  
25 awareness programs. The fund must receive money from any fees, fines and penalties  
26 collected under this chapter and may receive money from any gift, grant, contribution,  
27 legislative appropriation, allocation or transfer. The money in the fund may be used only  
28 for the purposes described in this subsection and paying fund administration costs.

29 **2. Report.** Beginning January 15, 2028 and annually thereafter, the Attorney General  
30 shall report annually to the joint standing committee of the Legislature having jurisdiction  
31 over the regulation of artificial intelligence matters on the money in the fund and any  
32 disbursement of funding for the purposes described in this subsection during the previous  
33 calendar year.

34 **Sec. 2. Appropriations and allocations.** The following appropriations and  
35 allocations are made.

36 **ATTORNEY GENERAL, DEPARTMENT OF THE**  
37 **Suicide Prevention Fund N490**

38 Initiative: Establishes the Suicide Prevention Fund with a base Other Special Revenue  
39 Funds allocation.

# 132nd MAINE LEGISLATURE

LD 2162

LR 2723(04)

## An Act to Regulate and Prevent Children's Access to Artificial Intelligence Chatbots with Human-like Features and Social Artificial Intelligence Companions

Fiscal Note for Bill as Amended by Committee Amendment "B"(H-1003)  
 Committee: Health Coverage, Insurance and Financial Services  
 Fiscal Note Required: Yes

### Fiscal Note

	FY 2025-26	FY 2026-27	Projections FY 2027-28	Projections FY 2028-29
<b>Net Cost (Savings)</b>				
General Fund	\$0	\$0	\$732,336	\$747,199
<b>Appropriations/Allocations</b>				
General Fund	\$0	\$0	\$732,336	\$747,199
Other Special Revenue Funds	\$0	\$500	\$500	\$500

### Correctional and Judicial Impact Statements

This bill may increase the number of civil suits filed in the court system. The additional workload associated with the minimal number of new cases filed in the court system does not require additional funding at this time. The collection of additional filing fees will increase General Fund revenue by minor amounts.

### Fiscal Detail and Notes

The Office of the Attorney General will require a General Fund appropriation of \$732,336 in fiscal year 2027-28 for one Assistant Attorney General position with expertise in AI, one Research Assistant position and related All Other costs to provide resources for enforcement, reporting to the legislature and establishing and managing a new Fund. The Research Assistant is needed to collect penalties and manage disbursements of the Fund.

The bill also establishes the Suicide Prevention Fund with an Other Special Revenue Funds allocation of \$500 beginning in fiscal year 2026-27 to the Office of the Attorney General to make disbursements from the Fund.
