Sixty - Third Legislature.

HOUSE.

No. 104.

STATE OF MAINE.

RESOLVE in favor of Highland Plantation.

Resolved, That six hundred dollars be and hereby
2 is appropriated to repair the road in Highland
3 Plantation, leading from Lexington to Dead River,
4 the same to be expended under the direction of the
5 County Commissioners of Somerset County.

STATEMENT OF FACTS.

Statement of facts, on petition of County Commissioners of Somerset County. This section of road embraces the mountainous divide between the waters of the Carrabasset and Dead Rivers. It is, like all mountainous roads, a hard rocky soil, with ledge croppings in many places. At this time it is badly cut up by water courses, with the bushes growing close to the wheel ruts, and needs more outlay than the inhabitants can afford. Over this road all the travel to the timber lands of north-western part of Somerset County, and northern part of Franklin County must travel. This is the route to Dead River, Eustis, Flagstaff, Coplin town, and the travel to Lake Megantic section, and is in importance a State road.
