Bill

Committee Amendment "A" to H.P. 1643, L.D. 1335, "An Act Creating a Sewer District in the Town of Sanford."

Amend said bill by adding a new paragraph to section 7 to read as follows;

In case of any crossing of any public utility, unless consent is given by the company owning or operating such public utility as to place, manner and conditions of the crossing within 30 days after such consent is requested by said district, the public utilities commission shall determine the place, manner and conditions of such crossing; and all work on the property of such public utility shall be done under the supervision and to the satisfaction of such public utility, but at the expense of the district.

Provided, however, nothing herein contained shall be construed as authorizing said district to take by right of eminent domain any of the property or facilities of any other public service corporation or district used or acquired for future use by the owner thereof in the performance of a public duty unless expressly authorized herein or by subsequent act of the legislature.\*

Further amend said Bill by striking out all of section 14 thereof and inserting in place thereof the following:

Sec. 14. Local referendum. This act shall take effect 90 days after the adjournment of the legislature only for the purpose of permitting its submission to the legal voters of the town of Sanford present and voting for or against the acceptance of the district as hereinafter provided for in this section at a regular town meeting or at a special town meeting held prior to January 1, 1948, called and held at the regular voting places of the town by the officers of the town of Sanford authorized to call such meetings. This act shall take effect for all the purposes hereof immediately upon its acceptance by a majority vote of the legal voters voting at said meeting; but only if the total number of votes cast for and against the acceptance of this act in said election equals or exceeds 20% of the total vote for all candidates for governor cast in said town at the previous gubernatorial election. Such election shall be called,

advertised and conducted according to the law relating to municipal elections, provided, however, that the board of registration in said town of Sanford shall not be required to prepare for posting nor the town clerk to post a new list of voters, and for the purpose of registration of voters, said board shall be in session the 3 secular days preceding such election, the first 2 days thereof to be devoted to registration of voters and the last day to enable the board to verify the corrections of said lists and to complete and close up their records of said sessions. The town clerk shall reduce the subject of this act to the following question: "Shall the act to incorporate the ~~Sanford Sewerage~~ District be accepted?" and the voters shall indicate by a cross placed against the words "Yes" or "No" their opinion of the same. A check list shall be used at such election. The result shall be declared by the municipal officers and due certificate thereof filed with the secretary of state by the clerk of said town. v
