**AN ACT to make Allocations from the Department of Inland Fisheries and Game Receipts for the Fiscal Years Ending June 30, 1954, and June 30, 1955.**

---

**Emergency preamble.** Whereas, acts and resolves passed by the legislature do not become effective until 90 days after adjournment unless enacted as emergencies ; and

Whereas, the said 90-day period will not terminate until after the beginning of the next fiscal year ; and

Whereas, certain obligations and expenses incident to the operation of the department of inland fisheries and game will become due and payable on or immediately after July 1, 1953 ; and

Whereas, in the judgment of the legislature these facts create an emergency within the meaning of the constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety ; now, therefore,

Be it enacted by the People of the State of Maine, as follows :

**Sec. 1. Allocation of department of inland fisheries and game receipts.** Receipts to the department of inland fisheries and game available by law for departmental purposes for the next two fiscal years—from July 1, 1953

to June 30, 1954 and from July 1, 1954 to June 30, 1955—shall be segregated, apportioned, and expended as designated in the following schedules :

**Sec. 2. Reduction in revenue.** In the event that actual revenue receipts are less than the estimated revenues projected for either year of the biennium ending June 30, 1955, the commissioner of the department of inland fisheries and game, with the approval of the governor and council, shall reduce the funds herein allocated for hatchery or rearing station construction, these reductions to offset, as nearly as possible, the reduction in revenue. If, however, due to emergencies unforeseen at this time, loss in revenue receipts exceed the amount allocated for hatcheries or rearing station construction, the commissioner of the department of inland fisheries and game, with the advice and consent of the governor and council, may re-allocate any unencumbered funds still remaining to the credit of the department of

inland fisheries and game, or should these amounts be insufficient, reduce expenditures in such a manner as will best serve the efficient operation of this department.

**Sec. 3. Revenue in excess of estimates.** In the event that actual revenue receipts are in excess of the estimated revenues projected for either year of the biennium ending June 30, 1955, this excess shall be set aside and its use shall be determined on the recommendation of the commissioner which shall be approved by the governor and council for the then needs of the department.

**Sec. 4. Unencumbered allocated balances.** At the end of each year of the biennium all unencumbered allocated balances representing inland fisheries and game monies shall be set aside and its use shall be determined on the recommendation of the commissioner which shall be approved by the governor and council for the then needs of the department.

**Sec. 5. Contingent account.** The reserve for contingencies, as herein established, shall be available for expenditures at the discretion of the commissioner of the department of inland fisheries and game for departmental purposes.

**Emergency clause.** In view of the emergency cited in the preamble, this act shall take effect when approved.
