CHAP. 18**Chapter 18.**

An Act additional to and amendatory of chapter twenty-nine, special laws of eighteen hundred and eighty-seven, entitled "An Act to incorporate the Kennebec Light and Heat Company."

*Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows :*

Kennebec Light  
and Heat  
Company,  
authorized to  
retire mortgage  
bonds, and issue  
others instead

SECT. 1. The Kennebec Light and Heat Company is hereby authorized and empowered to take up, cancel and retire the bonds already issued, and the mortgage securing the same, and in lieu thereof issuing bonds for the payment of or the refunding of its indebtedness and for the further construction of its works for such an amount, and upon such rate and time as it may deem expedient and necessary, not to exceed the sum of fifty thousand dollars in addition to the amount of its present bonded debt heretofore authorized, and to secure the same by a mortgage or deed of trust of the franchises, property and estate owned by, or to be hereafter acquired by said corporation, but such mortgage shall not diminish the security of the bonds heretofore issued by said corporation remaining unpaid.

SECT. 2. This act shall take effect when approved.

Approved February 2, 1891.

**Chapter 19.**

An Act additional to "An Act to incorporate the Heron Lake Dam Company."

*Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows :*

Company,  
empowered to  
rebuild dam.

SECT. 1. Whereas under the authority conferred by the second section of said act incorporating said company, it built a dam on the Allegash river below Churchill lake, which is not now used in connection with getting logs and lumber into Chamberlain lake, and thence down Penobscot river. Now until said dam shall be again wanted for the purpose of getting logs and lumber into Chamberlain lake, and thence down the Penobscot river, the said company is hereby authorized and empowered to rebuild or repair said dam and maintain it at such a height as shall facilitate the passage of logs and lumber northward over said dam and thence down the Allegash and Saint John rivers.
