Chapter 263.

An Act concerning public drains in the town of Eden.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:

Abutters upon the line of a public drain, and the owners of contiguous private drains, in the town of Eden, may enter and connect with it, any drain, from any building or cellar, on written application to the municipal officers of said Eden, distinctly describing the building or cellar to which it applies, and paying therefor what they determine. They shall then give the applicant written permits to enter said drain, and drain the buildings and cellar so described, only, which shall be available to the owner of the building and cellar so described, his heirs, executors, administrators and assigns, without any other subsequent permits, charge or payment.

Abutters, may enter public drain upon application to municipal officers.

—written permits, shall be granted.

Said officers shall establish such other regulations and conditions for entering public drains as they deem expedient.

Municipal officers, shall make regulations for entering public drains.

All of chapter sixteen of the revised statutes, except section four of said chapter, shall be applicable to said town of Eden.

Ch. 16, R. S., except sec. 4, made applicable.
