section fourteen, as amended, shall read as follows:
Sec. 14. Maintaining public wharves and establishment of adequate port facilities to be included. The credit of the state shall not be directly or indirectly loaned in any case. The legislature shall not create any debt or debts, liability or liabilities, on behalf of the state, which shall singly, or in the aggregate, with previous debts and liabilities hereafter incurred at any one time, exceed three hundred thousand dollars, except for the purposes of building and maintaining of state highways, to suppress insurrection, to repel invasion, or for purposes of war, or for the purposes of building and maintaining public wharves and for the establishment of adequate port facilities in the State of Maine; but this amendment shall not be construed to refer to any money that has been, or may be deposited with this state by the government of the United States, or to any fund which the state shall hold in trust for any Indian tribe.

Resolved: That the aldermen of cities, the selectmen of towns and the assessors of the several plantations in this state, are hereby empowered and directed to notify the inhabitants of their respective cities, towns and plantations in the manner prescribed by law to vote at a meeting to be held on the second Monday in September in the year one thousand nine hundred and nineteen upon the amendment proposed in the foregoing resolution, and the question shall be: “Shall the constitution be amended as proposed by resolution of the legislature providing for the issuing of state bonds for the purposes of building and maintaining public wharves and for the establishment of adequate port facilities in the State of Maine?” And the inhabitants of said cities, towns and plantations shall vote by ballot on said question; those favoring the amendment voting “Yes” and those opposed voting “No” upon their ballots; said ballots shall be sorted, counted and declared in open ward, town and plantation meetings, and returns made to the office of the secretary of state in the same manner as votes for governor and members of the legislature. And the governor and council shall count the same, and if it shall appear that a majority of the inhabitants voting on the question are in favor of the amendment, the governor shall forthwith make known the fact by a proclamation, and the amendment shall, as of the date of said proclamation, become a part of the constitution.
