Sec. 54. Investigation as to progress of cases may be required. Any justice of the superior court or the judge of probate in the county where the patient resides, may, at his discretion, require the department, or 1 of the county examiners of insane criminals, to investigate as to the progress of any such case; and, upon his or its certificate that further restraint is unnecessary, may annul the agreement, and the person restrained shall be immediately released upon the order of said justice.

Sec. 62. Copy of record of marriages, forwarded to town clerks. A certificate of death giving heart failure as the only cause of death shall not be deemed sufficient upon which to issue a burial permit, and such certificate must be returned to the physician who made it for the proper correction and definition. If the body of a deceased person is brought into this state from without for burial, and if it is accompanied by a permit issued by the legally constituted authorities of the state from which it was brought, such permit shall be received as sufficient authority upon which the clerk of the town in which said body is to be buried shall issue a permit for burial; but if it is not accompanied by such permit, then the person or persons in charge of it shall apply for a burial permit to the clerk of the town in which it is to be buried, and the clerk of the town shall issue such permit when furnished with satisfactory information.

Such certified copies shall be made upon blanks to be furnished for that purpose by the registrar of vital statistics.

Sec. 72. Subregistrars may be appointed who may issue burial permits. The town or city clerk may appoint 2 or more suitable and proper persons, in each town or city, as subregistrars, who shall be authorized to issue burial permits, and permits for transportation of dead human bodies, based upon a death certificate, as hereinbefore provided, in the same manner as is required of the town or city clerk; and the said death certificate upon which the permit is issued shall be forwarded to the town clerk within 6 days after receiving the same, and all permits by whomsoever issued shall be returned to the town clerk as required by section 71. Sec. 74. Assessors to make return of all births. The assessors shall, when taking the annual inventory, collect and return to the town clerk, before the 1st day of June, the births which have occurred within their respective jurisdictions during the year ending December 31st next preceding, together with the names of such children.

Sec. 75. Town clerks required to make returns to state registrar, monthly; copies to be typewritten or in legible hand. The clerk of every town shall keep a chronological record of all births, marriages, and deaths reported to him, or known to him, and shall, between the 10th and the 15th of every month, transmit to the state registrar a copy of the record of all births, marriages, and deaths which have occurred within the month next preceding, together with the names, residences, and official stations of all persons who have neglected to make returns to him in relation to the subject matters of such records, which the law required them to make, all to be made upon blanks to be prepared and furnished by the state registrar; and if no births, marriages, or deaths have occurred in the aforementioned period of time or month, for which returns are to be made, the town clerk shall send the state registrar a statement to that effect. Whenever a birth, marriage, or death, required by law to be returned to such clerk, is reported to him, or he learns of it, too late for inclusion in his returns as provided hereunder to the state registrar, he shall, after it is reported to him, or after he has knowledge of it, make due returns thereof to the state registrar forthwith. The registrar of vital statistics shall require all copies which are transmitted under the provisions of this section to be typewritten or written with black durable ink in a fair or legible hand.

Sec. 78. Clerk's record or certified copy, prima facie evidence. The town clerk's record of any birth, marriage, or death, or a duly certified copy thereof, shall be prima facie evidence of such birth, marriage, or death, in any judicial proceeding.

Sec. 79. Defective and erroneous records, how perfected. If the record relating to a birth, marriage, or death does not contain all the required facts, or if it is alleged that the facts are not correctly stated therein, the town clerk shall receive an affidavit containing the facts required for record, if made by a person who was required by law to furnish information for the original record, or, at the discretion of the town clerk, by 1 or more credible persons having knowledge of the case. The town clerk shall file such affidavit and record it in a separate book to be kept for that purpose, with the name and residence of any deponent and the date of such record, and shall thereupon draw a line through the incorrect statements in the original record without erasing them, and shall then enter the facts required to amend the record; and forthwith, if a copy of the record has been sent to the state registrar of vital statistics, shall forward to the registrar a certified copy of the corrected record upon blanks to be provided by said registrar; and the registrar shall thereupon amend the record in his office and state in the margin thereof his authority therefor. Such affidavit, or a certified copy of the record of any other city or town or of a written statement made at the time by any person since deceased who was required by law to furnish evidence thereof, may, at the discretion of the clerk, be made the basis for the record of a birth, marriage, or death not previously recorded, and such copy of a record may also be made the basis for completing the record of a birth, marriage, or death which does not contain all the required facts. Any oath which is required by the provisions of this section may be administered by the clerk or deputy clerk of a city or town; they shall receive no fee therefor.

Sec. 80. Penalty. If any person wilfully neglects or refuses to perform any duty imposed upon him by the provisions of sections 60 to 79, inclusive, of this chapter, he shall be punished by a fine of not more than \$100 for each offense, for the use of the town in which the offense occurred, and the state registrar shall enforce this section as far as comes within his power.

Any person who refuses to permit or hinders the examination or investigation herein provided for shall be punished by a fine of not less than \$5, nor more than \$20. All actual traveling and other necessary expenses thus incurred by the state registrar, or incurred in attending the prosecution of cases brought by county attorneys, hereunder, shall be paid by the state, but not more than \$200 shall thus be paid to the state registrar for such expenses in 1 year.

When the state registrar knows, or has good reason to believe, that any penalty or forfeiture under the law relating to vital statistics has been incurred, he shall forthwith give notice thereof, in writing, to the county attorney of the county in which said penalty or forfeiture has occurred, which notice shall state as near as may be the time of such neglect, the name of the person or persons incurring the penalty or forfeiture, and such other facts relating to the default of duty as said registrar may have been able to learn, and upon receipt of such notice the county attorney shall prosecute the defaulting person or persons.

The department shall grant such license whenever it shall be shown to its satisfaction that the person or organization requesting the license is reputable and responsible and has suitable facilities for applying the funds to the purpose for which they are to be solicited, and that the records of such funds and the purpose for which they are used will be properly and accurately kept. Such license shall be furnished to the licensee without fee or charge, and may be revoked by the department whenever in its discretion it seems for the best interest of the public so to do.

CHAP. 1

Provisions for Mothers with Dependent Children.

Sec. 190. Cities and towns to render aid to mothers with dependent children. Every city and town shall, subject to the provisions hereinafter contained, render suitable and needful aid to any mother residing therein, with a dependent child or children under the age of 16 years, who needs and desires such aid to enable her to maintain herself and children in her home and who is fit and capable, mentally, morally, and physically to bring up her children.

Sec. 191. Settlement or residence in state necessary; not to be deemed paupers. The provisions of sections 190 to 200, inclusive, shall apply to all mothers and their dependent children who may have a settlement in this state, or who shall have resided in the state for not less than 5 consecutive years next prior to making application for aid. No mother, nor any of her children shall acquire a settlement or be in process of acquiring a settlement while receiving aid nor be deemed a pauper by reason of receiving such aid.

Sec. 192. Aid may be in money or supplies. The aid to be furnished hereunder may be furnished either in money or supplies or both.

Sec. 193. Municipal board, duties. In each city, town, and plantation there shall be a municipal board of mothers' aid, hereinafter referred to as the municipal board, to consist of the overseers or board of overseers of the poor ex officio, unless the city by ordinance or the town or plantation by vote upon warrant shall provide for a special board of not fewer than 3 persons, 1 of whom at least shall be a woman, appointed or elected for 3-year terms, 1 term expiring each year, to serve as such municipal board. The members of such municipal board shall serve without compensation as such.

The municipal board shall keep a record of all applicants investigated, visit regularly or cause to be visited by some agent in their behalf the home of each mother aided hereunder; see that her children are actually living with her in her home, observe the conditions of the home and of the family and make and keep a record of such visits and any fact observed which bears upon the necessity or advisability of continuance of aid under the provisions of sections 190 to 200, inclusive, and report the same to the department.

Sec. 194. Mother to make application to municipal board; form of blank; penalty for false statement. Any mother entitled thereto needing and desiring aid herein provided for may apply therefor personally or by letter to said municipal board. The board shall thereupon cause the applicant to fill out and sign an application blank or shall fill out the same from information furnished by the applicant who shall sign it, in which shall

CHAP. 1

be stated: 1st, name of the applicant and that of her husband, the time and place of her marriage, and whether her husband is living or deceased; 2nd, the names and ages of her children, whether those required by law to attend school are attending and what school; and if not, the reason of such non-attendance; 3rd, her present residence and address, the length of time she has been a resident of this state and where she has resided therein; 4th, the nature and amount of any property possessed by herself or her husband if living, and her children, and the extent and source of their income and hers; 5th, the name and addresses of her near relatives and those of her husband, and of 1 or more persons to whom reference may be made for information; 6th, a statement that the applicant will agree to employ all aid received by her under the provisions of sections 190 to 200, inclusive, solely for the support of herself and her children under the age of 16 years, and for their proper upbringing in her home. The board may, if it deems proper, require any such application and the statements made therein to be substantiated by the oath or affirmation of the applicant.

Any person who shall knowingly, wilfully, and with intent to deceive make any false statement in said application blank shall be punished by a fine of not more than \$500 or by imprisonment for not more than 11 months or by both such fine and imprisonment.

Sec. 195. Investigation of applications to be made by municipal board. When such application has been made to the municipal board, it shall forthwith make careful investigation by personally interviewing the mother in her home, looking up her references, and pursuing such other sources of information as are available, for the purpose of determining: 1st, the truth of the statements contained in her application; 2nd, whether she is a fit and capable person to bring up her children, and whether the inmates and surroundings of her household are such as to render it suitable for her children to reside at home; 3rd, whether the child or children of the applicant are attending school, and if not why; 4th, whether under all the circumstances, considering her own resources and the ability of any member of her family to contribute to her support, the possibility of receiving aid from other relatives, individuals, agencies, or child welfare organizations, and the possibility of compelling contributions by any person under legal obligation so to do, such mother is in need of aid under the provisions of sections 190 to 200, inclusive, and if so, in what amount.

Sec. 196. Department to make final decision. The municipal board shall thereupon file with the department a copy of said application and a written report embodying the results of their investigation and their recommendations thereon, and the department shall determine all matters in question, and communicate in writing its decision to the municipal board.

CHAP. 1

If the applicant is held entitled to aid, the department shall determine its character and amount, which may be less than, but shall not exceed, the amount recommended by the municipal board. The state shall thereupon, by order of the department, pursuant to such decision, pay the same in money or its value to the applicant, or to some person designated by the department upon the recommendation of the municipal board, who shall expend it for the purposes and in the manner set forth in the decision. The department may revise its decision whenever it deems it necessary or equitable so to do, but shall not increase the amount of aid previously awarded except with the consent of the municipal board, nor decrease it without giving said board opportunity to be heard.

Sec. 197. Department to investigate upon failure of municipal board; expenses charged to town. If the said municipal board shall fail for 30 days to act upon and report upon said application, the said mother may make application for aid to the department who shall communicate with the municipal board; and if the municipal board shall thereafter neglect or fail to act for a period of 10 additional days the department itself shall proceed to investigate the merits of said application and to determine what, if any, aid shall be awarded the applicant, and the decision of said department shall be of the same effect and validity as if the municipal board had in the 1st instance proceeded according to sections 194, 195, and 196. The expenses incurred by the department by reason of the default of the municipal board shall be paid by the state, which shall collect said amount of the town in which the municipal board so failing to act as aforesaid is located, by an action at law in the name of the state.

Sec. 198. Proceedings when mother seeking aid has husband living. In any case when application for aid hereunder is made by a mother who has a husband living, who is able by means of his property or labor to contribute to her support and that of her children, but who wilfully neglects or refuses so to do, or who has deserted her or her children, it shall be the duty of the municipal board of the town where the applicant resides to advise the mother in making complaint to compel such husband to contribute to the support of his said wife and children, under the provisions of sections 44 to 48, inclusive, of chapter 129 or in filing a petition under the provisions of section 9 of chapter 74; and until such proceedings have been begun, and are being prosecuted in good faith to the satisfaction of the municipal board and the department, and until, in cases of desertion, at least 1 year has elapsed from date of commencement of such desertion, no aid shall be given under the provisions of sections 190 to 200, inclusive.

Sec. 199. Department to have general supervision; to make annual report. The department shall prescribe appropriate forms for application, reports and other proceedings required by the provisions of sections 190

CHAP. 1

to 200, inclusive; the department shall keep a record of all cases reported to it thereunder and action taken by it in relation to the same; and shall keep on file all reports made to it by municipal boards; it shall see that families aided thereunder are visited as therein required and shall have access to any records of the municipal boards or of the overseers of the poor relating to any proceedings thereunder. In order to aid the department in determining any questions presented to it for decision by any municipal boards under the provisions of sections 190 to 200, inclusive, it may, in addition to their reports, make further investigation in such manner as it may deem best.

Sec. 200. Towns to be assessed. The state shall recover from the town in which the mother so aided has legal settlement, $\frac{1}{2}$ the amount expended, which shall be credited to the regular legislative appropriation for aid to mothers with dependent children. Whenever it appears that a city or town is delinquent in making reimbursements to the state, the amounts due shall be collected by the state in the same manner and subject to the same penalties as state taxes. Any balance due shall be assessed in the succeeding year in the same manner as other state taxes.

Protection of Children.

Sec. 201. Designation of state and municipal boards changed. In each city, town, or plantation, the municipal board of mothers' aid, as provided for in the 11 preceding sections, shall be a municipal board of children's guardians, hereinafter referred to as the municipal board.

Sec. 202. Compensation of probation officers for services. County probation and associate probation officers performing any of the duties specified in the following 12 sections shall be allowed, by their respective counties, their actual expenses and such compensation as their respective boards of county commissioners may from time to time determine.

Sec. 203. Investigations and prosecutions. All municipal boards, their agents and employees, all county probation officers and associate probation officers, and the department and its agents, so far as funds are available, shall investigate all cases of cruel or injurious treatment of children coming to their knowledge, and shall cause offenders against any law for the protection of children or prevention of cruelty to the same to be prosecuted. The costs of court proceedings under this section shall be taxed and paid in the same manner as in any criminal process. All fines imposed for the punishment of offenses under any of the provisions of the following 11 sections shall be paid over to the county treasurer of the county in which the offenses may have been committed.

Sec. 204. Warrants to be issued on complaint of cases of neglect to

CHAP. 1

children; child may be given into custody of individual or child welfare institution; court may direct municipal board to care for child pending hearing. When complaint in writing signed by an agent of the department, sheriff, county probation officer, police officer, member of a municipal board or by three or more citizens of any town or city is made under oath to the probate court of the county or the municipal court having jurisdiction in said city or town, alleging that such child in such city or town is cruelly treated or wilfully neglected by its parents or parent or by the wilful failure of such parents or parent is not provided with suitable food, clothing or privileges of education, or is kept at or allowed to frequent any disorderly house, house of ill fame, gambling place, or place where intoxicating liquors are sold, or other places injurious to the health and morals, or that such child is an orphan without means of support or kindred of sufficient ability who will furnish such support, and praying that suitable and proper provision be made for the care, custody, support and education of the child named in such complaint, the court to whom such complaint is made shall issue a warrant causing the parents or other persons having custody or control of such child, if any, and the child, if necessary, to be brought before it, or shall cause notice to be given to said parents or said other persons in such manner or in such length of time as the court deems proper. The court shall cause notice in writing to be given by mail or otherwise to the department, to the municipal board of the town, and to the county attorney of the county where the child is residing at least 10 days before the date set for the hearing, provided, however, that the department and the municipal board and the county attorney may waive such notice. It shall be the duty of the county attorney to represent the interests of the department at the hearing. If, upon hearing, it shall appear that any material allegations of said complaint are true, the court may order said child committed into the custody of any suitable person or duly incorporated children's institution or child welfare organization consenting to receive same, at their own expense, unless the payment of such expense by the state shall be approved by the department which approval and payment may at any time be withdrawn, whose standards of care and maintenance are approved by the department or into the custody of the department itself. The court shall cause a copy of the order of commitment and of any subsequent modifications thereof to be sent forthwith to the department. The court may direct the municipal board where the child is residing to make such provision for its care as may be necessary pending hearing, and the expense, if any, of such care shall be paid by the town or city in which the child has a lawful settlement. Whoever being a parent of any child committed under this section shall be found guilty of having without just and sufficient cause failed or neglected to support said child shall be punished by a fine of not

more than \$1,000 or by imprisonment for not more than 11 months or by both such fine and imprisonment. It shall be the duty of the county attorneys in their respective counties to prosecute all violations of this section that are brought to their attention.

Sec. 205. Orders of court to divest parent of legal rights, but not to relieve of responsibility for support; appeal; condition of child may be investigated and decree altered; guardianship. Orders and decrees provided for in the preceding 4 sections shall have the same effect to divest the parent or parents of all legal rights in respect to said child as specified in section 38 of chapter 80, but shall not relieve the parent or parents of liability for the support of such child or from the penalties for failure to support which are provided in sections 44, 45, 46, 47 and 48 of chapter 129. Such original orders shall not extend beyond the time when the child shall reach the age of 18 years; but upon application by the department the court, for sufficient cause, may extend such orders to the time when the child shall reach the age of 21 years. The children's institution or organization or suitable person or department to which said child is committed shall have full custody and control over said child thereafter for said time and, if no other guardian is appointed, the department shall have all the powers as to the person, property, earnings and education of every child committed to its custody, during the term of commitment, which a guardian has as to a ward, and shall have authority to give the consent required in section 36 of chapter 80. An appeal may be taken from the order or decree of any probate or municipal court determining the custody of the child under the provisions of sections 201 to 213, inclusive, to the next term of the superior court to be holden within the county not earlier than 14 days after the date of said order or decree. The proceedings under such appeal from the probate court shall follow the form prescribed for appeal from probate courts and under such appeal from a municipal court shall follow the provisions of any special charter of the municipal court concerned, but pending action upon any such appeal the court may order the custody of the child to be retained by said suitable person, children's institution or child welfare organization or department. Upon application by the department, by a municipal board, by the parent or parents or guardian of any such child, or by the children's institution or child welfare organization or suitable person to which such child may have been committed, to the court making the commitment said court shall examine into the conditions and welfare of the said child and may at any time make such further order in relation to his care, custody, support and education as justice may demand and may discharge any child from custody or restore its custody to its parents, or either of them, if satisfied that the objects of commitment have been accomplished.

CHAP. 1

Sec. 206. Bond required when child given into custody of individual; department may provide for maintenance and education; state to recover from town; children or parents not to be considered paupers. Whenever the court deems it suitable and conducive to the public welfare that any such child be placed under the control of an individual, the court shall first take a bond from such person running to the state in such sum and with such sureties as the court approves, conditioned that such person shall humanely treat and properly support, clothe, and educate the child, and in case of non-performance of the conditions of said bond a suit may be commenced thereon and the sum so recovered shall be paid into the treasury of the state for the joint benefit of the state and town of settlement, if any, of said child in proportion to the amount of expenses incurred by the state and said town because of the failure of said person so to treat, support, clothe, and educate said child. The department shall provide for the maintenance and education in or by duly incorporated children's institutions and child welfare organizations, where such are available, and otherwise direct in family homes, of any children committed to its custody under the provisions of the preceding sections. Bills itemizing the expense of maintenance and education of children committed under the provisions of sections 201 to 213, when approved by the department, shall be paid by the state, as provided by law, which shall recover from the town of settlement, if any, of any such child, $\frac{2}{3}$ of any such payments on account of said child. At the request of the parents or next friend of any dependent child under 16 years of age who is without parent or grandparent of sufficient ability, or without other relatives able and willing to provide for its care, said request being approved by the municipal board of the city or town where the child is domiciled or by any duly incorporated children's institution or organization, the department may make similar provision, without intervention of court, for the care of such child. No such child, nor the parents or grandparents of such child who are unable to provide for its care, shall be deemed paupers by reason of any care furnished to the child under the provisions of sections 201 to 213.

Sec. 207. Child to be placed in family or institution of same religious faith as that of the parents; written promise made by either parent to be carried out. The said agent shall issue certificates of election to the persons thus elected, who shall hold office as such members, until a new election is had, unless their term of office is sooner terminated by resignation or by ceasing to be members of said tribe. Whenever any vacancy occurs in said committee, the agent shall call a meeting of the tribe to fill such vacancy.

Sec. 251. Committee may adopt person into tribe. The tribal committee at any regularly held meeting may, by $\frac{3}{4}$ vote of its total membership, adopt into said tribe any person who is in whole or in part of Indian blood, and who has had his or her residence for at least 1 year next preceding such adoption upon any reservation of said tribe; and the decision of said committee upon such residence and Indian descent shall be conclusive. The adoption of a child by any member of the tribe under ordinary legal process shall not of itself constitute such child a member of said tribe; but the power of adoption into the tribe shall in all cases rest with the aforesaid tribal committee.

Sec. 252. Certificate of adoption to be filed with agent; such person not to hold certain offices. Whenever said tribal committee shall vote to adopt any person into said tribe, a certificate of such vote of adoption shall be signed by the person presiding at the meeting, and said certificate shall be filed with the agent of said tribe; and said adopted person shall thereafter be deemed and accepted to be a member of said tribe for all intents and purposes, and shall be enrolled as such upon the list of its members. CHAP. 1

of Indian blood, and it shall not include the previous issue of the person acquiring it.

Sec. 255. Evidence of marriage. A certificate of marriage signed by the person solemnizing the same, or an attested copy of the record thereof, shall be sufficient evidence of such marriage.

Sec. 256. Membership deemed lost when tribe is abandoned. If any member of said tribe shall abandon it and join another tribe of Indians, he shall be deemed to have lost his membership in the Penobscot tribe, and shall not be entitled to any share of dividends, rentals, or other money thereafter apportioned among the members of said tribe, nor to any other subsequent rights of membership.

Sec. 257. Dividends payable if member resides within state and reports to agent once a year; otherwise not. If any member of the tribe shall reside outside the tribal reservation, but within the state, he shall report to the agent of the tribe at least once in each year in order to be entitled to his share of dividends, rentals, or other money apportioned to members of the tribe. During such time as he shall reside without the state he shall not be entitled to any part of the dividends, rentals, or other money apportioned to members of the tribe.

Sec. 258. Loss of membership does not affect membership of other members of the family. When any member loses his membership under section 256, or his right to share in dividends, rentals, or other moneys under section 257, no member of his family to whom the provisions of said sections do not personally apply shall be deemed to have lost such membership or right.

Sec. 259. Restoration to membership; proceedings. Any person a member of said tribe on March 22nd, 1901, as shown by the tribal census taken under the laws of the state, who shall have forfeited any rights of membership may regain said rights by petition, under oath, to the Indian agent, alleging 1 year's continuous residence within the state. If at the end of 60 days said agent shall have refused or neglected to restore said person to membership he shall have the right of appeal to the tribal committee which shall thereupon forthwith hear the facts and enter such judgment as to restoration to membership as is just and right. Such renewal of rights shall not entitle such person to any share of the dividends, rentals, or moneys which previously thereto have come into the hands of the agent, nor have any other retrospective effect.

Sec. 260. Money forfeited may be used for benefit of family. If any member of said tribe shall desert his family, or fail to provide properly for said family's support, the agent may in his discretion use for the benefit

CHAP. 1

of such family any part or all of said member's dividends or share of rentals or any money assigned to him from state funds or coming to him in any way by apportionment or distribution through the hands of said agent.

Sec. 261. Persons not belonging to tribe may be required to remove from reservation; proceedings; penalty if respondent does not comply with order to remove; costs. Any person residing or commorant upon the tribal reservation of the Penobscot tribe of Indians, not being a member, nor the husband, wife, or legally adopted child of a member of said tribe, may be required to remove therefrom by a written notice given to him in hand under the signature of the governor, or in his absence, the lieutenant-governor and of the agent of said tribe. A copy of such notice attested by said agent, with a return of service thereon by any officer qualified to serve criminal precepts, or an affidavit of service by any other person, shall be filed with said agent and be sufficient evidence of such service. If the person so notified shall not remove from said reservation within 2 days after service of said notice upon him, the agent or any member of the tribe may make complaint to the judge of the Old Town municipal court, who shall cause a certified copy of said complaint with a notice of the time and place of hearing thereon to be given in hand to said person or left at his place of last and usual abode at least 2 days before the time fixed for said hearing, or may cause said person to be at once apprehended and brought before said court. After due hearing, said judge may, if he is satisfied that such removal is approved by the majority of the adult members of said tribe or is for any cause proper to be enforced, order the respondent to remove within a specified time beyond the tribal reservation limits. If the respondent fails to obey said order, or if within 1 year after the service of said notice he shall again become resident or commorant upon any reservation of said tribe without the consent of said agent and said governor or lieutenant-governor, said judge may cause such person to be apprehended and brought before said court, and may punish him by fine of not more than \$20 or by imprisonment for not more than 30 days, or by both such fine and imprisonment. The costs of all such court proceedings under this section may be included in the order or sentence of said judge; and if the respondent fails to pay the same, he may be committed to jail for not more than 30 days additional to any imprisonment otherwise imposed upon him; and in such case, or if the judge does not include said costs in his order or sentence, such costs shall be paid by said agent from the tribal fund. Costs shall be taxed as in ordinary proceedings upon complaint.

Sec. 262. Relief of persons found destitute on reservation, not members of tribe. For all relief to any person not a member of the Penobscot tribe of Indians, nor having a pauper settlement in this state, found destitute

and in distress upon any tribal reservation of said tribe, which has been furnished by the agent of said tribe or by the overseers of the poor of the town within whose territorial limits such person is so found, the state shall reimburse said agent or said town to such extent as the department adjudges to have been necessarily expended therefor. The reasonable expenses and services of said overseers relative to said pauper shall be included in the amount to be so reimbursed.

Sec. 263. Relief of members of tribe found destitute beyond tribal reservations. When any member of said tribe is found destitute and in distress beyond the tribal reservation and is relieved by the town in this state where he is so found, the overseers of the poor of said town may send to the agent a statement specifying the nature, dates and amounts of the supplies furnished, which shall be transmitted to the department with such additional statements of fact as said agent may think proper; and the state shall reimburse said town for the relief so furnished, to such extent as the department adjudges to have been necessarily expended therefor. Any member of said tribe found destitute and in distress beyond the tribal reservation may be removed by the agent from any place in which he may be residing, or be found, to said tribal reservation, whenever, in the judgment of the agent, such removal should be made.

Sec. 264. Payments by agent. The agent for the Penobscot tribe shall provide, furnish, pay, and deliver to said tribe, on account of the state, such articles, goods, provisions, and moneys, as from time to time become due under any treaty or law.

Sec. 265. School moneys of tribe, how expended. All moneys appropriated for schools for the Penobscot tribe of Indians shall be expended under the supervision of the agent of said tribe, subject to the approval of the department; said agent and the superintendent of the Old Town schools shall jointly employ the teachers and fix their salaries, limited by such appropriation. Said teacher shall meet all minimum qualifications as required for certification in the public schools of the state. The schools upon island number 1, commonly called Indian Old Town island, shall be under the care and supervision of the superintendent of schools of the city of Old Town; and those within the territorial limits of any other town, under the care and supervision of the superintending school committee of such town. Every surveyor appointed by said department to scale or survey the lumber so sold, before entering on his duties, shall be sworn to the faithful performance of his trust, and shall file a certificate of his oath with the agent.

Sec. 284. No sale or permit to a foreigner. No citizen or subject of a foreign government shall purchase, cut, or carry off trees, timber, or grass from the township reserved for the benefit of the Passamaquoddy tribe; and if their agent gives to such citizen or subject a permit for such unlawful purpose, he forfeits not more than \$500, nor less than \$100, to be recovered by an action of debt, half to the state and half to the prosecutor.

Sec. 285. Lands in Indian township may be leased or sold. The department, subject to the approval of the governor and council, may, at the expense of the state, and for the benefit of the Passamaquoddy tribe, lease or sell the whole or any part of the Indian township, on such terms as they deem just, and all sums received from such leases or sales shall be credited to the funds of said tribe.

And when any member of said tribe is found destitute and in distress beyond the tribal reservation and is relieved by the town in this state where he is so found, the overseers of the poor of said town may send to the agent a statement specifying the nature, dates, and amounts of the supplies furnished, which shall be transmitted to the department with such additional statements of fact as said agent may think proper; and the state shall reimburse said town for the relief so furnished, to such extent as the department adjudges to have been necessarily expended therefor.

Upon satisfactory proof that the terms of the offer have been complied with, the reward shall be paid by the state.

Sec. 309. Aiding escape from state institutions; penalty. Whoever induces, aids or abets anyone committed to any state institution in escaping therefrom or from the custody of the department, or who knowingly aids, harbors or conceals in any way anyone who has escaped therefrom, or

Said report shall be made in the form which may be required by the rules and regulations of the said department, provided that such rules and regulations shall not require said reports to be made in a form which will disclose to the department or to any other person, except the said superintendent, manager, or physician, the identity of the inmate. Said superintendents, managers, and physicians shall comply with such rules and regulations as are made by the department to prevent the spread of venereal disease.

Sec. 311. Reports to be treated as confidential. The reports to the department prescribed by the preceding section shall be confidential, and shall not be accessible to the public, nor shall such records and reports be deemed public records.

Sec. 312. Persons discovered affected in institutions to be treated; may be isolated; department to be notified of release. Any inmate of any state, county, or municipal charitable or correctional institution, or any dependent child supported or partially supported by public funds, afflicted or suspected of being afflicted with venereal disease, shall forthwith be placed under medical treatment, and, if in the opinion of the attending physician, it is necessary, shall be isolated until danger of contagion is passed. Such case shall be immediately reported to the department in accordance with the latter's rules and regulations, provided that such rules and regulations shall not require information disclosing the identity of any dependent or

delinquent child, and the rules and regulations of the department for the examination, testing, and treatment of cases of venereal disease shall be faithfully observed.

Not more than 30 days and not less than 14 days before the estimated date of release from custody of any inmate of a state, county, or municipal charitable or correctional institution who is afflicted with venereal disease in an infectious form, the superintendent or other person in charge of such institution shall notify the department in writing of the proposed release of such individual and the department shall thereupon take necessary measures to protect others from such infection.

Sec. 313. Penalty for neglect of duty. Any official or person who shall wilfully fail, neglect, or refuse to perform any of the duties imposed upon him by the provisions of the 3 preceding sections shall be punished by a fine of not more than \$500 or by imprisonment for not more than 6 months.

Sec. 314. Inmates may be removed in case of contagious disease. If a pestilence or contagious disease breaks out among the inmates of any state institution or county jail, the department may cause any of the said inmates to be removed to some suitable place of security where they shall receive all necessary care and medical attention and be returned as soon as may be to the place from whence they were removed, to be there confined according to their sentences if unexpired.

Sec. 315. Physical and psychopathic examination of inmates. The department may require a physical and psychopathic examination of persons committed to any state penal or correctional institution and shall keep a record thereof. It shall designate competent physicians employed at the Augusta and Bangor state hospitals to conduct such examinations; and the actual expenses of physicians in making such examinations shall be paid from funds available for the use of the institution to which such person was committed. The department may transfer any such person to either of said hospitals for further study or observation of his mental condition if it is deemed advisable.

Sec. 316. Transfer of inmate to other institution; original sentence to continue. Any person who is committed to a state, charitable or correctional institution, and is under the control of the department, who becomes insane, or who is found to be insane by the examination authorized by the preceding section, shall be transferred to either of the state hospitals, and any person who is committed to a state correctional or charitable institution and is under the control of the department, who in the opinion of the superintendent thereof is in such condition that she or he is a fit subject for the Pownal state school, shall be transferred to the Pownal

state school whenever, in the judgment of the commissioner, the welfare of the patients and inmates, or of either institution, or of the person will be promoted thereby. Such patient shall be there detained in custody in the same manner as if he or she had been committed thereto originally. The transfers authorized in this and the preceding section shall have no effect on the original sentences which shall continue to run, and if the original sentence has not expired when the patient has been declared ready for discharge or release, the patient shall be returned to the institution to which he or she was originally committed. If the original sentence expires while the patient is in the charge of the institution, the patient shall be discharged therefrom under the same conditions as if the patient had originally been committed thereto.

A copy of the certificate of original commitment certified by the head of the institution in which said person is confined and a certificate from a regular practicing physician in the state certifying that the person committed is feeble minded or insane, as the case might be, with an order of transfer signed by the commissioner shall authorize the superintendent of the institution to receive and detain the said person, as above provided for.

The expense attending such transfers shall be paid from funds available for the use of the institution from which such person is transferred.

Sec. 317. Inmates of state prison or other institutions afflicted with tuberculosis may be transferred to state sanatoriums. Inmates of the state prison or any other state institution afflicted with tuberculosis may be transferred to state sanatoriums. Whenever any inmate of the state prison or of any other state institution shall become afflicted with tuberculosis so that the welfare of such inmate or the safety of the other inmates of such institution shall require removal therefrom, the department, with the approval of the governor, may cause him or her to be removed to one of the state sanatoriums, to be there kept and treated until he or she may safely be returned to said prison or other institution. In the admission of new patients the officers of such sanatoriums shall give preference to persons transferred under this section.

Sec. 318. Transfer of prisoners. Said department may remove prisoners from jails where no arrangements have been made for the labor of convicts, to some work-jail, and when any jail has a larger number of convicts, either in custody or at labor than can be well accommodated, it may remove a portion of them to any other jail where better accommodations can be afforded. Any jail where arrangements have been made or shall be hereafter made for the labor of convicts committed for any special crime, or class of crimes, at any special kind of labor, shall be deemed a work-jail. For the removal of convicts, as aforesaid, the de-

CHAP. 1

partment may issue precepts to any officer qualified to serve precepts in criminal cases in his county, to cause such removal, whether such service is performed in whole or in part in 1 or more counties, and the expense of removal shall be paid by the county in which such convicts were sentenced. The department shall make a report of the condition of all the jails to the governor and council by the 30th day of November annually.

Sec. 319. Cost of transportation. The cost of committing and transporting a girl to or from the state school for girls, or a boy to or from the state school for boys, or of a person to or from the Pownal state school, or of a woman to or from the reformatory for women, or of a man to or from the reformatory for men, shall, when not otherwise provided for, be paid from the treasury of the county from which such person is committed as the costs of conveying prisoners to the jails are paid; and the county commissioners of such county shall examine and allow all such reasonable costs.

Sec. 320. Fees when woman attendant is required. In cases where a woman attendant is required or used the fees to be paid shall be the same as those provided for aids in criminal cases and when not otherwise provided for shall be audited by the county commissioners and paid from the county treasury.

Sec. 321. Board of visitors to be appointed by governor. The governor may appoint a board of 5 visitors, at least 2 of whom shall be members of the minority party, in connection with each state institution under the department of health and welfare. These visitors shall be appointed for a term of 1 year and shall be eligible for reappointment. No member of the legislature, the council, or advisory council of health and welfare shall serve on any board of visitors. The members of the boards of visitors shall receive no compensation. Each board of visitors shall have the right to inspect the institution to which it is assigned and to make recommendations relative to the management of said institution to the commissioner of health and welfare.

The State Prison.

Sec. 322. Location. The state prison at Thomaston, in the county of Knox, shall continue to be maintained as the prison and penitentiary of the state, in which convicts, lawfully committed thereto, shall be confined, employed, and governed as provided by law.

Sec. 323. Forms of imprisonment. Punishment in the state prison by imprisonment shall be by confinement to hard labor, and not by solitary imprisonment, except as a prison discipline for the government of the convicts.

Sec. 324. Convicts of United States courts shall be received. Convicts, sentenced to hard labor in the state prison, for life or for any term not less than 1 year, by any court of the United States held within the state, shall be received into the prison by the warden thereof, when delivered by the authority of the United States, and there kept in pursuance of their sentences.

Sec. 325. Department may authorize employment of prisoners on public works. The department may authorize the employment of able-bodied prisoners, sentenced for any term less than life, in the construction or improvement of highways or on other public works within the state under such arrangements as may be made with the state highway commission or other department of the state having such public works in charge, and said department shall prescribe such rules and conditions as it deems expedient to insure the proper care and treatment of the prisoners while so employed and their safe-keeping and return. Prisoners while so employed shall not be required to wear clothing which will materially distinguish them from other workmen.

Sec. 326. Department to examine into disorderly conduct of prisoners and enforce obedience. The department shall examine into all disorderly conduct among the prisoners, and when it appears to it that a convict is disorderly, refractory, or disobedient, it may order any punishment other than corporal which it deems necessary to enforce obedience, not inconsistent with humanity, and authorized by the established rules and regulations of the prison.

Sec. 327. Warden shall not be concerned in trade or commerce; his duties; deputy warden. The head of the state prison shall be called the warden. He shall have a deputy appointed by the commissioner who, when the office of warden is vacant or the warden is absent from the prison or unable to perform the duties of his office, shall have the powers, perform the duties and be subject to all the obligations and liabilities of the warden. The warden shall not carry on or be concerned in trade or commerce during his continuance in office; he shall reside constantly within the precincts of the prison, and have the care, custody, and charge thereof, and of the convicts therein, in conformity to their sentences, and of the lands, buildings, machines, tools, stock, provisions, and every other kind of property belonging to or within its precincts, under the direction and control of the department.

Sec. 328. His government in the prison. He shall inspect and oversee the conduct of the convicts, and cause all the rules of the prison to be strictly and promptly enforced; he shall give the department immediate information of any officer who refuses or neglects to enforce the discipline

CHAP. 1

established, and it shall forthwith remove any officer guilty of such neglect. He may punish any convict for disobedience, disorderly behavior, or indolence, as directed by the department or prescribed in the rules, and shall keep a register of all such punishments, and the causes for which they are inflicted.

Sec. 329. Warden shall keep a record of each convict's conduct, and recommend a deduction of sentence. He shall keep a record of the conduct of each convict, and for every month, during which it thereby appears that such convict has faithfully observed all the rules and requirements of the prison, the warden may, with the approval of the commissioner, make a deduction of 7 days from the term of said convict's sentence, except those sentenced to imprisonment for life.

Revisor's note: Amended by P. L., 1933, c. 182

Sec. 330. Service of precepts within the prison walls; command of the guard, officers and employees; service of a writ of replevin. The warden or his deputy shall serve, execute, and return, all processes within the exterior walls of the prison yard, and they shall be directed to him or his deputy accordingly; and for the doings of his deputy, both the warden and the deputy shall be answerable. The warden shall have command of all the force for guarding the prison, and of all officers and persons employed under him in overseeing, guarding, and governing it. For serving executions and returning processes, like fees shall be taxed as for sheriffs. The warden, on demand of an officer having a writ commanding him to replevy from the warden's possession, any goods or chattels of a private individual, not a prisoner, shall expose them outside of the prison yard, so that they may be replevied. The officer shall pay the warden a reasonable charge for removal, and tax the same in his fees on the writ.

Sec. 331. Warden shall contract for sale of articles from the prison; security. All sales of articles from the prison, and the letting to hire of such of the convicts as the department deems expedient, and all other contracts on account of the prison, except those made by the state purchasing agent, shall be made with the warden, in the manner prescribed by the department. No such contract shall be accepted by the warden, unless the contractor gives satisfactory security for its performance; and no officer of the prison shall be directly or indirectly interested therein.

Sec. 332. Service of the warrant for the removal of convicts. When the warden receives from any sheriff a warrant requiring him to remove a convict to the prison, he shall, by himself or such other person as he appoints or contracts with for that purpose, forthwith cause such warrant to be executed in the least expensive manner consistent with security of the convict; and he shall file said warrant, with his return thereon, in his

office, and cause a copy of it to be filed in the office of the clerk of the court from which it issued.

Sec. 333. Convicts en route may be temporarily lodged in jails, at the state's expense. When, during the conveyance of any such convict to the state prison in pursuance of his sentence, it is necessary or convenient to lodge him for safe-keeping in any jail until the residue of such conveyance can be conveniently performed, the keeper of such jail shall receive and safely keep and provide for him, until called for by the person employed to convey him as aforesaid, into whose custody he shall be delivered; and said jail keeper shall be allowed his reasonable charge and expenses incurred thereby, to be paid from the state treasury. When the warden believes that there are more convicts in the state prison than can be confined there securely, he shall certify the fact to the governor and council, who may authorize him to transfer them, so far as is necessary, to some jail; and the jailer thereof shall receive such compensation from the state treasury as he and the warden agree upon; but when the accommodations of the prison shall be so increased that they can be safely confined therein, the warden shall remove them from such jail to the state prison. The time during which they were so confined in jail shall be deducted from their sentences.

Sec. 334. Warden may convey real estate. The warden, under the direction of the commissioner, may sell and convey any real estate to which he acquires title in the adjustment of debts in the behalf of the state.

Sec. 335. Warden exempt from arrest; procedure of creditor with an execution against him. The warden shall not be arrested on any civil process or execution while in office; but execution upon any judgment against him personally, and not in his official capacity, may be issued against his goods and estate only; and if it is returned unsatisfied, the creditor may file with the governor and council a copy of such execution and return, and serve on the warden a copy of such copy attested by the secretary of state, with a notice under his hand of the day on which such copy was filed; and if the warden does not, within 40 days after such service, pay the creditor his full debt, with reasonable costs for copies and service thereof, he shall be removed; and when he ceases to be warden, alias executions may be issued against his body and property as in other cases.

Sec. 336. Overseers. Persons having suitable knowledge and skill in the branches of labor and manufactures carried on in the prison, shall, when practicable, be employed to superintend such branches as are assigned to them by the warden; and all of them and the other subordinate officers

CHAP. 1

shall perform the services in the management, superintending, and guarding of the prison, as prescribed by the rules, or directed by the warden.

Sec. 337. Neglect of subordinate officers, how punished. If any subordinate officer is guilty of negligence or unfaithfulness in the discharge of his duties, or of a violation of any of the laws or rules for the government of the prison, the warden, with the approbation of the department, may deduct from his wages a sum not exceeding a month's pay.

Sec. 338. Articles shall be labeled. All articles and goods manufactured at the prison for sale shall be distinctly labeled or branded with these words, "Manufactured at the Maine State Prison".

Sec. 339. Appointment and duties of prison physician. The department and warden shall appoint some suitable person physician and surgeon of the prison, who shall visit the same daily, and whenever requested by the warden, to attend and prescribe for sick convicts, and to examine all convicts claiming to be ill, and determine their ability to work. He shall see that proper attention is paid to the clothing, regimen, and cleanliness of those in the hospital, and advise when illness of any convict requires his removal thereto; and upon such advice and in other cases when he deems it necessary, the warden shall cause any sick convict to be forthwith removed to the hospital, there to receive such care and attention and to be furnished with such medicines and diet, as his situation requires, until the prison physician determines that he may leave it without injury to his health.

Sec. 340. Officers suffering an escape, or allowing convict to go at large; penalty. If any officer, or other person employed in the state prison or its precincts, voluntarily suffers, aids, or connives at the escape of a convict therefrom, he shall be punished by imprisonment in the state prison for any term not greater than the whole term for which the convict was sentenced; and if he negligently suffers any convict confined therein to be at large out of the precincts of the prison, or the cell or apartment assigned to him, or to be conversed with, relieved or comforted, contrary to law or the rules of the prison, he shall be punished by a fine of not more than \$500.

Sec. 341. Rescue, or aiding prisoners to escape; penalty. Whoever forcibly rescues or attempts to rescue any convict sentenced to the state prison, from the legal custody of any officer or other person, or from the state prison, jail or other place where he is legally confined, or causes to be conveyed to such convict, into such jail, state prison, or other place, any tool, instrument, weapon or other aid, with intent to enable him to escape, shall, whether an escape is effected or not, be punished by a fine of not more than \$500, or by imprisonment for not more than 20 years.

Sec. 342. Aiding escaped convicts; penalty. Whoever, not standing in the relation of husband or wife, parent or child, to the principal offender, conceals, harbors, or in any way aids any convict escaping from the state prison, knowing him to be such; or furnishes such convict with food, clothing, weapon, matches, or other article, or information that would aid him to escape recapture, shall be punished by a fine of not more than \$500, or by imprisonment for a term of not more than the whole time for which the convict was sentenced.

Sec. 343. Conveying, or attempting secretly to convey, any article to a convict; penalty. If any officer, contractor, teamster, or other person delivers or has in his possession, with intent to deliver to any convict confined in the state prison, or deposits, or conceals, in any place in or about the prison or its precincts, or in any wagon or other vehicle going thereto, any article, with intent that any convict therein shall obtain it, without consent or knowledge of the warden or deputy warden, he shall be punished by a fine of not more than \$500, and by imprisonment for not more than 6 months, or by imprisonment for not more than 2 years.

Sec. 344. Penalty for convict assaulting an officer, and for escape; prosecution. If a convict, sentenced to the state prison for a limited term of years, assaults any officer or other person employed in the government thereof, or breaks or escapes therefrom, or forcibly attempts so to do, he may, at the discretion of the court, be punished by confinement to hard labor for any term of years, to commence after the completion of his former sentence. The warden shall certify the fact of a violation of the foregoing provisions to the county attorney for the county of Knox, who shall prosecute such convict therefor.

Sec. 345. Punishment. Solitary confinement, as a punishment for the violation of the rules of the prison, shall be inflicted upon the convict in a cell and he shall be fed on bread and water only, unless the physician certifies to the warden that the health of such convict requires other diet.

Sec. 346. If resisted, officers shall use force. If a convict sentenced to the state prison resists the authority of any officer, or refuses to obey his lawful commands, the officer shall immediately enforce obedience by the use of weapons or other effectual means; and if, in so doing, a convict thus resisting is wounded or killed by the officer and his assistants, they shall be justified.

Sec. 347. Warden to keep arms and ammunition, etc. The warden shall constantly keep on hand a suitable and sufficient supply of arms and ammunition, and may require all officers and other citizens to aid him in suppressing an insurrection among the convicts in prison, and in preventing their escape or rescue therefrom, or from any other legal custody or con-

CHAP. 1

finement; and if, in so doing, or in arresting any convict who has escaped, they wound or kill such convict or those aiding him, they shall be justified.

Sec. 348. Application of §§ 344-347. The 4 preceding sections apply to convicts and officers in the county jails having workshops attached thereto, and in any county farm that may be established for the reformation of inebriates.

Sec. 349. When term commences. No convict shall be discharged from the state prison, until he has served the full term for which he was sentenced, including the day on which he was received into it, unless he is pardoned, or otherwise released by legal authority.

Sec. 350. Convict's property shall be taken care of by warden. The warden shall receive and take care of any property that a convict has with him at the time of his entering the prison; when it is convenient, place the same at interest for his benefit; keep an account thereof, and pay the same to him on his discharge, or, in case of his death, to his representatives, unless otherwise legally disposed of.

Sec. 351. Provision for convicts, on discharge. On the discharge of any convict who has conducted himself well during his imprisonment, the warden may furnish him a sum not exceeding \$10, and, if he requests it, a certificate of such good conduct; and shall take care that every convict on his discharge is provided with decent clothing. The warden shall also furnish transportation to the place where he was convicted, or to his home, if within the state; or if he has secured employment within the state, to that place. If he lived out of the state or if he has secured employment out of the state, he shall receive transportation to the state border nearest his home or nearest the place where he has secured employment.

Sec. 352. Alterations may be made by warden, under certain conditions. The warden, on the approval of the department and with the approbation of the governor and council, may erect such additional buildings or make such alterations within the prison or its precincts, as they deem necessary and proper.

Sec. 353. Chaplain of state prison; duties. The chaplain shall, in accordance with the rules of the prison, conduct religious services in the chapel every Sunday, visit the sick, labor diligently and faithfully for the mental, moral, and religious improvement of the convicts, and aid them when practicable in obtaining employment after their discharge. With the assent of the department, a Sunday-school may be established, and persons from without, of proper character, may be admitted to assist in it.

Reformatory for Women.

Sec. 354. Establishment and maintenance of reformatory for women. The state shall maintain a reformatory in which all women over the age of 16 years and under the age of 40 years who have been convicted of or have pleaded guilty to crime in the courts of the state or of the United States, and who have been duly sentenced and removed thereto, shall be imprisoned in accordance with the sentences or orders of said courts and the rules and regulations of said reformatory. The head of the reformatory shall be a woman, and be called the superintendent.

Sec. 355. Commitment; length of sentence; woman attendant in serving mittimus. When a woman over the age of 16 years and under the age of 40 years is convicted before any court or trial justice having jurisdiction of the offense, of an offense punishable by imprisonment, such court or justice may order her commitment to the reformatory for women, or sentence her to the punishment provided by law for the offense. Commitments to the reformatory shall be for an indefinite period except that in felony cases a definite sentence may be given for a period of over 5 years.

No woman committed to the reformatory for an indefinite period shall be held therein for more than 3 years when the offense for which she was committed was a misdemeanor, nor for more than 5 years if the said offense was a felony.

Upon commitment of such woman, if the officer to whom the mittimus or order of commitment is addressed is not a woman, the judge or trial justice shall in all cases when feasible designate a woman to be an attendant to accompany her to said reformatory.

Sec. 356. Sentence not void because for a definite period. If, through oversight, or otherwise, any person is sentenced to imprisonment in the said reformatory for women for a definite period of time, said sentence shall not for that reason be void; but the person so sentenced shall be entitled to the benefit, and subject to the liabilities of sections 354 to 365, in the same manner and to the same extent as if the sentence had been in the terms required by section 355. In such case the superintendent shall deliver to such offender a copy of said sections.

Sec. 357. Record of commitments shall be kept by superintendent. The judge or magistrate committing a woman to the reformatory, shall cause the superintendent to be immediately notified of such commitment, and shall cause a record to be kept of the name, age, birthplace, occupation, previous commitments, if any, and for what offense, the last place of residence of such woman, and the particulars of the offense for which she is committed. A copy of such record shall be transmitted with the warrant of commitment to the superintendent of such institution, who shall

CHAP. 1

cause the facts stated therein and such other facts as may be directed by the department to be recorded in such form as the department shall determine.

Sec. 358. Age of woman committed shall be determined and stated in mittimus; effect. Such judge or magistrate shall, before committing any such woman, inquire into and determine the age of such woman at the time of her commitment, and her age as so determined, shall be stated in the mittimus. The statement of the age of such woman in such mittimus shall be conclusive evidence as to such age in any action to recover damages for her detention or imprisonment under such mittimus, and shall be presumptive evidence thereof in any other inquiry, action, or proceeding relating to such detention or imprisonment.

Sec. 359. Care of children of women committed. If any woman committed to said reformatory is, at the time of her commitment, the mother of a nursing child in her care and under 1 year of age, or is pregnant with child which shall be born after such commitment, such woman may retain such child in said reformatory until it shall be 2 years of age, when it must be removed therefrom. The department may cause such child to be placed in any asylum for children in this state and pay for the care and maintenance of such child therein until the mother of such child shall have been discharged, or may commit such child to the care and custody of some relative or proper person willing to assume such care, or such child may be committed to the custody of the department under the provisions of section 204. If such woman, at the time of such commitment, shall be the mother of and have under her exclusive care, a child more than 1 year of age, which might be otherwise left without proper care or guardianship, the magistrate committing such woman shall cause such child to be committed to such asylum as may be provided by law for such purposes, or to the care and custody of some relative or proper person willing to assume such care or to the custody of the department. Any commitment of a child under the provisions of this section to the custody of any asylum for children or to any relative or other person, or to the department, shall be subject to the provisions of section 207.

Sec. 360. Department may issue liberty permit in certain cases; revocation; return for unexpired term. When it appears to the department that a woman who has been sentenced to the reformatory for women has reformed, they may issue to her a permit to be at liberty, provided that some suitable employment or situation has been secured in advance for such woman, upon such other conditions as they shall prescribe, during the remainder of the term for which she might otherwise be held in said reformatory, and they may revoke said permit at any time before its expiration; but no such permit shall be issued to any woman who has been

sentenced for more than 5 years. If a permit so issued be revoked, or if a woman escapes from the reformatory, the department may cause her to be rearrested and returned thereto for the unexpired portion of her term, dating from the time of her escape or the revocation of her permit. Any inmate ordered returned to the reformatory may, on the order of the superintendent or other officer of the institution, be arrested and returned to the reformatory or to any officer or agent thereof, by any sheriff, constable, police officer, state agent for the protection of children or other person, and may also be arrested and returned by any officer or agent of the reformatory.

Sec. 361. Escape of inmate; penalty. Any woman lawfully committed to said reformatory who escapes therefrom, or who violates the condition of any permit by which she may have been allowed to be at liberty under the preceding section, shall be punished by additional imprisonment in said reformatory for not more than 11 months for each such offense. Prosecution under this section may be instituted in any county in which said woman may be arrested or in the county of Somerset, but in such case the costs and expense of trial shall be paid by the county from which said woman was originally committed, and payment enforced as provided in the following section.

Sec. 362. Expense of trial for crime committed while an inmate. Whenever any inmate of the reformatory for women, not having been sentenced thereto by the court of the county wherein such reformatory for women is situated, shall be convicted in such county of any misdemeanor or felony committed while an inmate of the said reformatory, the costs and expenses of trying such convicted inmate, and of her maintenance after conviction and sentence, if to the county jail of such county, shall be paid by the county from which the said convicted inmate was originally sentenced; the costs and expenses of the trial of such convicted inmate shall, in the first instance, be paid by the county wherein such reformatory for women is situated, and the commissioners thereof may thereupon draw their warrant upon the treasurer of the county, from which said convicted inmate was sentenced to the reformatory, for the amount so paid by the said county wherein such reformatory is situated, for said costs and expenses, and the treasurer upon whom said warrant may be drawn shall pay it forthwith.

Sec. 363. Governor may grant pardon. Nothing herein contained shall be construed to interfere with the power of the governor to grant a pardon or commutation in any case.

Sec. 364. Incurrable inmates; trial and sentence; discharge from reformatory. Any person committed to the reformatory for women whose

CHAP. 1

presence therein may be seriously detrimental to the well-being of the institution or who wilfully and persistently refuses to obey the rules and regulations of said institution, may be deemed and declared an incorrigible. When complaint is made to any judge of any municipal court having jurisdiction, he may upon hearing bind over any person so accused to the term of the superior court next to be holden, within such county, and if indictment is returned therefor, then upon conviction said incorrigible may be sentenced to the state prison for not less than 1 year nor more than 5 years. Upon conviction as such incorrigible and sentence as above provided said person shall be discharged from said reformatory and be relieved from serving the balance of sentence in said reformatory.

Sec. 365. Transfer to reformatory from other penal institutions. Upon petition of the department asking for the transfer to the reformatory for women of any woman serving sentence in the state prison, in any county jail, or in any house of correction, presented to the court or trial justice having imposed sentence, the judge or magistrate shall set a time for hearing, giving at least 48 hours' notice to said woman, and shall notify the custodian of said woman to bring said woman before him for hearing. After hearing, said judge or said magistrate may order said woman transferred to the reformatory for women to serve the remainder of the term of sentence under which said woman was committed to the state prison, county jail, or house of correction. The provisions of this chapter in regard to original commitments to the reformatory shall apply to any transfer under this section, but in no case shall the time of sentence to be served in the reformatory exceed the remaining time of the sentence originally imposed. A woman transferred under this section shall be subject to the provisions of this chapter relating to the reformatory and to the same rules and regulations as inmates originally committed to the reformatory.

Reformatory for Men.

Sec. 366. Reformatory for men. The state shall maintain a reformatory in which all males over the age of 16 years and under the age of 36 years who have been convicted of or have pleaded guilty to crime in the courts of this state or of the United States, and who have been duly sentenced and removed thereto, shall be imprisoned and detained in accordance with the sentences or orders of said courts and the rules and regulations of said reformatory. The provisions for the safe-keeping or employment of such inmates shall be made for the purpose of teaching such inmates a useful trade or profession, and improving their mental and moral condition.

The head of the institution shall be called the superintendent.

Sec. 367. Commitments for less than 5 years; to be of indeterminate duration. When a male over the age of 16 years and under the age of 36

years is convicted before any court or trial justice having jurisdiction of the offense, of an offense punishable by imprisonment in the state prison, or in any county jail, or in any house of correction, such court or trial justice may order his commitment to the reformatory for men, or sentence him to the punishment provided by law for the same offense. When a male is ordered committed to the reformatory for men, the court or trial justice ordering the commitment shall not prescribe the limit thereof except as provided in sections 370 and 371, but no man committed to the reformatory as aforesaid shall be held for more than 5 years if convicted for a felony; nor for more than 3 years if convicted for a misdemeanor after a prior conviction of crime, otherwise for not more than 1 year.

If through oversight, or otherwise, any person be committed to imprisonment in the said reformatory for men for a definite period of time, said commitment for that reason shall not be void; but the person so committed shall be entitled to the benefit, and subject to the provisions of this section, in the same manner and to the same extent as if the commitment had been in the terms required by this section. In such case the superintendent of the reformatory shall deliver to such offender a copy of sections 366 to 373, inclusive.

Sec. 368. Court to notify superintendent of commitments and to furnish copy of record with warrant. The judge or trial justice making a commitment pursuant to section 367, shall cause the superintendent of the reformatory to be notified immediately of such commitment and shall cause a record to be kept of the name, age, birthplace, occupation, previous commitments, if any, and for what offense, the last residence of such person so committed, and the particulars of the offense for which he is committed. A copy of such record shall be transmitted with the warrant of commitment to the superintendent of such reformatory, who shall cause the facts stated therein and such other facts as may be directed by the department to be recorded in such form as the department may direct.

Sec. 369. Court to determine age of person committed. Such judge or trial justice shall, before committing any such person, inquire into and determine the age of such person at the time of commitment, and his age so determined, shall be stated in the mittimus. The statement as to the age of said person so committed shall be conclusive evidence as to such age in any action to recover damages for his detention or imprisonment under such mittimus, and shall be presumptive evidence thereof in any other inquiry, action, or proceeding relating to such detention or imprisonment.

Sec. 370. Condition of parole; violation of term of parole; penalty. When it is made to appear to the department that a person who has been

CHAP. 1

committed to the reformatory has reformed, it may issue to him a permit to be at liberty providing that some suitable employment or situation has been secured in advance for such person, and upon such other conditions as the department shall prescribe during the remainder of the term for which he might otherwise be held in said reformatory, and it may revoke such permit at any time before its expiration. If any permit so issued is revoked by the department for any violation of the conditions thereof, it may cause such person to be rearrested and returned thereto for the unexpired portion of the term for which he might have been held in said reformatory as provided in section 367 and such unexpired portion shall date from the time of the revocation of the said permit, and in addition he shall be punished by imprisonment in said reformatory for not more than 1 year to commence at the expiration of said unexpired portion above determined. Any inmate ordered returned to the reformatory may, on the order of the superintendent or other officer of the institution be arrested and returned to the reformatory, or to any officer or agent thereof, by any sheriff, constable, police officer, state agent for the protection of children, or other person, and may also be arrested and returned by any agent or officer of the reformatory.

Sec. 371. Escapes; apprehension; assaults; penalties. When a person sentenced to the state reformatory for men escapes therefrom, the superintendent shall take all proper measures for his apprehension.

Any person lawfully committed to said reformatory who escapes therefrom or forcibly attempts so to do or assaults any officer or other person employed in the government thereof shall be punished by additional imprisonment in said reformatory for not more than 1 year to commence at the expiration of the term for which he might have been held as provided in section 367 or at the discretion of the court he shall be punished by imprisonment at hard labor for any term of years. Prosecution under this section may be instituted in any county in which said person may be arrested or in the county of Cumberland but in such case the costs and expense of trial shall be paid by the county from which said person was originally committed, and payment enforced as provided in the following paragraph.

Whenever any inmate of the reformatory, not having been sentenced thereto by a court of the county wherein such reformatory is situated and established shall be convicted in such county of any misdemeanor or felony committed while an inmate of said reformatory, or of an escape therefrom, the cost and expense of trying such convicted inmate, and of his maintenance after conviction and sentence, if to the county jail of such county, shall be paid by the county from which the said convicted inmate was sentenced, and the costs and expenses of such trial shall, in the first in-

CHAP. 1

stance, be paid by the county wherein such reformatory shall be established, whose commissioners are thereupon authorized to draw their warrant upon the treasurer of the county, from which said convicted inmate was sentenced to said reformatory, for the amount paid as aforesaid by said county wherein said reformatory is established, for said costs and expenses which warrant it shall be the duty of the treasurer upon whom it may be drawn to pay forthwith.

Sec. 372. Pardoning power of governor not to be abridged. Nothing herein contained shall be construed to interfere with the pardoning power of the governor or commutation in any case.

Sec. 373. Incurrable inmates; proceedings for transfer to state prison. Any person committed to the reformatory for men whose presence therein may be seriously detrimental to the well-being of the institution or who wilfully and persistently refuses to obey the rules and regulations of said institution, may be deemed and declared an incurrable. Upon complaint being made to any judge of any municipal court in the county, he may upon hearing bind over any person so accused to the term of the superior court next to be holden within such county, and if indictment is returned therefor, then upon conviction said incurrable may be sentenced to the state prison for not less than 1 year nor more than 5 years. Upon conviction of such person committed to the reformatory for men as such incurrable and sentence as above provided said person shall be discharged from said reformatory for men and be relieved from serving the balance of his sentence in said reformatory.

Juvenile Institutions.

Sec. 374. Institutions for juvenile offenders vs. state and federal law. The state shall maintain the state school for boys, established in the city of South Portland, for the instruction, employment and reform of juvenile offenders, and of the state school for girls, established in Hallowell, for the education, employment, and reform of girls, the head of each of which shall be called the superintendent. The department may contract with the attorney-general of the United States for the confinement and support in said schools of juvenile offenders against the laws of the United States in accordance with the provisions of the United States Code, Title 18, sections 706 and 707.

The State School for Boys.

Sec. 375. Commitments to the school, and to alternative punishment; deaf and dumb, non compos, or insane not to be sent; records. When a boy between the ages of 11 and 17 years is convicted before any court or trial justice having jurisdiction of the offense, of an offense punishable by

CHAP. 1

imprisonment in the state prison, not for life, or in the county jail, or in the house of correction, such court or justice may order his commitment to the state school for boys or sentence him to the punishment provided by law for the same offense. If to such school, the commitment shall be conditioned that if such boy is not received or kept there for the full term of his minority, unless sooner discharged by the department as provided in section 378, or released on probation as provided in section 380, he shall then suffer the punishment provided by law, as aforesaid, as ordered by the court or justice; but no boy shall be committed to said school who is deaf and dumb, non compos, or insane. The record in the event of conviction in all such cases shall be that the accused was convicted of juvenile delinquency, and the court shall have power at the hearing of any such case to exclude the general public other than persons having a direct interest in the case. The records of any such case by order of the court may be withheld from indiscriminate public inspection, but such records shall be open to inspection by the parent or parents of such child or lawful guardian or attorney of the child involved.

Sec. 376. Age, residence, and day when minority expires certified in mittimus. When any boy is ordered to be committed to the state school for boys, the court or trial justice by whom such commitment is ordered shall certify in the mittimus the city or town in which such boy resides at the time of his commitment, the age of the boy, and the date on which his term of minority will expire. The finding of the court or justice regarding the age and residence of the boy shall be deemed a decision of a question of fact, and his certificate thereof shall be conclusive evidence of the age and residence of the boy and of the day on which his term of minority will expire.

Sec. 377. Instruction and discipline. Every boy committed to said school, shall there be kept, disciplined, instructed, employed, and governed, under the direction of the department until the term of his commitment expires, or he is discharged as reformed, bound out by said department according to its by-laws, or remanded to some penal institution under the sentence of the court or transferred to the reformatory for men as incorrigible, upon information to the department as hereinafter provided.

Sec. 378. Proceedings, when department or superintendent do not receive a boy. When a boy is ordered to be committed to said school and the department deems it inexpedient to receive him, or his continuance in the school is deemed injurious to its management and discipline, it shall certify the same upon the mittimus by which he is held, and the mittimus and boy shall be delivered to any proper officer, who shall forthwith commit said boy to the jail, house of correction, or state prison, or if he has attained the age of 16 years, to the state reformatory for men according

to his sentence. The department may discharge any boy as reformed; and may authorize the superintendent, under such rules as it prescribes, to refuse to receive boys ordered to be committed to said school, and his certificate thereof shall be as effectual as its own.

Sec. 379. Term of commitment; record of discharge; effect of discharge. All commitments of boys shall be during their minority unless sooner discharged by order of the department, as before provided; and when a boy is discharged from the school at the expiration of his term, whether he be then in the institution or lawfully out on probation, or when discharged as reformed, an appropriate record of such discharge shall be made by the superintendent upon the register of the school required to be kept by provisions of section 382. Such discharge shall be a full and complete release from all penalties and disabilities created by his sentence and commitment, and the record of the proceedings under which such boy was so committed shall not be deemed to be, nor shall it be subsequently used as, a criminal record against him. Each boy discharged from the institution shall receive an appropriate written discharge, signed by the superintendent. Such discharge, or a copy, duly certified by the superintendent, of the record of discharge upon the register of the school, shall be receivable in evidence and conclusive of the facts therein stated.

Sec. 380. Boys may be committed on probation to any suitable inhabitants of the state; return to the school. The department may commit, on probation and on such terms as it deems expedient, to any suitable inhabitant of the state, any boy in their charge, for a term within the period of his commitment, such probation to be conditioned on his good behavior and obedience to the laws of the state. Such boy shall, during the term for which he was originally committed to the school, be also subject to the care and control of the department, and on its being satisfied at any time, that the welfare of the boy will be promoted by his return to the school, it may order his return. On his return to the school, such boy shall there be held and detained under the original mittimus. The department may delegate to the superintendent under such rules as they prescribe the powers herein granted to the department to commit any boy on probation to any suitable inhabitant of the state, and to return to the school any boy so committed when he is satisfied that the welfare of the boy will be promoted by his return. Any boy ordered returned to the school may, on the order of the superintendent or other officer of the institution, be arrested and returned to the school, or to any officer or agent thereof, by any sheriff, constable, or police officer or other person; and may also be arrested and returned by any officer or agent of the school.

Sec. 381. Instruction to inmates; department to make rules, and specify punishments. The department shall establish and maintain a mechanical

CHAP. 1

school, and cause the boys under its charge to be instructed in mechanical trades and in the branches of useful knowledge, adapted to their age and capacity; also in agriculture and horticulture, according to their age, strength, disposition, and capacity; and otherwise, as will best secure their reformation, amendment, and future benefit. In binding out the inmates, the department shall have scrupulous regard to the character of those to whom they are bound. The department shall specify the punishments that may be inflicted upon boys in the school, and any officer, agent, or servant, who inflicts punishment not so authorized shall be discharged.

Sec. 382. The superintendent; record of punishment, open to public inspection; register. The superintendent shall be a constant resident at the institution; and discipline, govern, instruct, employ, and use his best endeavors to reform the inmates, so as to preserve their health, and secure, so far as possible, moral and industrious habits, and regular improvement in their studies, trades, and various employments. He shall see that no punishment is inflicted in violation of the rules of the department, and shall immediately enter in a book kept for the purpose, a particular record of all corporal punishment inflicted, stating the offense, the punishment, and by whom administered, which record shall be open to public inspection. He shall keep a register containing the name and age of each boy, and the circumstances connected with his early life and add such facts as come to his knowledge relating to his subsequent history, while at the institution, and after he left it.

Sec. 383. Homeless reformed boys may be returned. Any boy deemed by the department to be reformed who has no suitable home to which he can be sent and for whom, in consequence of physical infirmity or other reason, no suitable home can be found by the department, may be discharged by said department and returned to the selectmen of the town or the overseers of the poor of the city where such boy resided at the time of his commitment.

Sec. 384. Solitary confinement regulated; denial of food prohibited. The inmates shall, so far as practicable, take daily outdoor exercise and be employed in some outdoor labor. Each shall be provided with his own clothing and be taught to care for it. Solitary confinement is not allowed except for grave offenses specified in the rules of the department and the apartment where it is inflicted, shall be suitably warmed, lighted, and provided with a bed and proper appliances for cleanliness. All the boys shall receive the same quality of food and in quantities to satisfy their appetites. They shall not be punished by a denial or short allowance of food.

Sec. 385. Incurrible inmate over 16 years of age may be transferred

to reformatory for men. If, in the opinion of the department, any boy, under the guardianship of the state school for boys, or who may hereafter be committed thereto, who has attained the age of 16 years, is incorrigible, the superintendent may certify the same on the original mittimus and have it signed by the commissioner or some official duly authorized by him; whereupon said boy shall be transferred from said state school for boys to the reformatory for men, together with the original mittimus and certificate thereon. It shall be the duty of the officers of the reformatory for men to receive any boy so transferred and the remainder of the original commitment shall be executed at the reformatory for men.

State School for Girls.

Sec. 386. Duties of department; may bind to service any girl committed to its charge. The department shall have all the powers as to the person, property, earnings, and education of every girl committed to the charge of said department during the term of her commitment, which a guardian has as to his ward, and all powers which parents have over their children. At the discretion of said department, any such girl, during her commitment, may be kept at said school, or entrusted to the care of any suitable person and may be required to work for such person, for a period not exceeding the term of her commitment, on such conditions as said department may deem reasonable and proper. The department shall require the person to whom such girl is entrusted, to report to said department as often as once in 3 months the conduct and behavior of such girl, and whether she remains under such person, and if not, where she is. Said department shall take care that the terms of such trust are fulfilled, and the girl well treated, and if it believes that by reason of her misconduct, vicious inclinations or surroundings, she is in danger of falling into habits of vice or immorality, or that her welfare is in any way imperiled, it may cancel such trust and resume charge of such girl with the same powers as before the trust was made. The powers of said department with respect to any girl entrusted, as herein provided, to the care of a suitable person are not affected thereby. Said department may authorize any officer thereof, or the superintendent of said school to entrust said girls to the care and service of a suitable person or persons without indenture, to see to their welfare during such service and to require their return to said school at discretion. The department shall have regard to the character of those to whom any girl is entrusted.

Sec. 387. Commitments to school; effect of a discharge with a certificate of good behavior; when discharged for misbehavior. On complaint to a trial justice or municipal court of the county, that a girl between the ages of 9 and 17 years has been guilty of an offense punishable by fine or imprisonment, other than imprisonment for life, such justice or court may so

CHAP. 1

far examine into the case as to satisfy himself whether she is a suitable subject for commitment to said school, and if he so decides, he may thereupon suspend the case and certify accordingly, and order her to be committed to the guardianship of the department during her minority, unless sooner discharged by process of law. No girl so committed, if she remains under the guardianship of said department during the term of her commitment, or is sooner discharged with a certificate of good behavior, shall thereafter be examined or tried on the suspended complaint or for the offense therein charged. But if discharged for misbehavior, or if she escapes from said school, she may be tried therefor, and punished according to law.

Sec. 388. If not received, or if discharged for misbehavior, punishment; records. If a girl of the age herein limited is found guilty of an offense punishable with fine or imprisonment, other than imprisonment for life, she may be sentenced in the alternative to the aforesaid school, or if not received therein, or if discharged therefrom for misbehavior, to such punishment as the law provides for like offenses. The record in the event of conviction in all such cases shall be that the accused was convicted of juvenile delinquency, and the court shall have power at the hearing of any such case to exclude the general public other than persons having a direct interest in the case. The records of any such case by order of the court may be withheld from indiscriminate public inspection, but such records shall be open to inspection by the parent or parents of such child or lawful guardian or attorney of the child involved.

Sec. 389. Department may refuse to receive, or may discharge any girl committed. The department may refuse to receive any girl committed to said school under the 2 preceding sections, or may discharge any girl whose continuance, by reason of her vicious example and influence, or other misconduct, is in their opinion prejudicial to the school, or who for any reason ought not to be retained therein. Its refusal may be certified on the warrant of commitment, and she shall remain in the custody of the officer having the same, to be disposed of as prescribed in said sections. If it discharges her, it shall set forth its reasons therefor in a warrant of discharge, and any proper officer may return her to the court which committed her, or commit her as provided in the alternative sentence.

Sec. 390. Precepts, how to be executed. Precepts issued in pursuance of the 3 preceding sections may be executed by any officer who may execute criminal process; and the fees of judges, justices, and officers are the same as for similar services in criminal cases, and shall be audited by the county commissioners and paid from the county treasury.

Sec. 391. Commitment of idle or vicious girls. A parent or guardian

of any girl between the ages of 9 and 17 years, the municipal officers, or any 3 respectable inhabitants of any city or town, where she may be found, may complain in writing to the judge of probate or any trial justice in the county, or to the judge of the municipal court for such city or town, alleging that she is leading an idle or vicious life, or has been found in circumstances of manifest danger of falling into habits of vice or immorality, and request that she may be committed to the guardianship of the department. The judge or justice shall appoint a time and place of hearing, and order notice thereof to all persons entitled to be heard, and at such time and place, may examine into the truth of said allegations, and if satisfactory evidence thereof is adduced, and it appears that the welfare of such girl requires it, he may order her to be committed to the custody and guardianship of the department during her minority, unless sooner discharged by process of law. All precepts issued in pursuance of this section may be executed by any officer who may execute civil process. Upon commitment of such girl if the officer to whom the mittimus or order of commitment is addressed is not a woman the judge or trial justice shall designate a woman to be an attendant to accompany her to the state school for girls, and the fees of judges of municipal courts, trial justices, and officers shall be the same as for similar services in civil cases.

Revisor's note: Amended by P. L., 1933, c. 94

Sec. 392. Record of proceedings to be filed with clerk of courts; appeal; recognizance of appellant; fees. The judge or justice before whom a girl is brought under this chapter, shall make a brief record of his proceedings, and transmit it with all the papers in the case to the clerk of courts for the county, who shall file and preserve them in his office. A girl committed to the school may appeal from the order of commitment in the manner and to the court provided in case of appeals from trial justices, and the case shall be entered, tried and determined in the appellate court. In case of appeal, in lieu of any other recognizance, the justice or judge shall require the recognizance, in a reasonable sum, of some responsible and proper person for the custody, care and nurture of the girl, pending the appeal, and for her appearance to abide the final order of the appellate court, and in default thereof, may commit her to said school until final disposition of the appeal. In such cases, no fees shall be required of the appellant for recognizance or copies of papers.

Sec. 393. Age, parentage, birthplace, and offense certified on mittimus; expenses of clothing, etc., paid by the state. The court or justice by whom a girl is committed shall certify on the mittimus, her age, parentage, birthplace, the charge on which she is committed, and the city or town where she resided at the time of her arrest, so far as he can ascertain such particulars; and this certificate shall be conclusive evidence of her age. The

CHAP. 1

expenses of clothing and subsistence of all girls committed to said school shall be paid by the state.

Sec. 394. Incurrigible girl, 16 years of age and over, may be transferred to reformatory for women. If, in the opinion of the department, any girl, under the guardianship of the department, or who may hereafter be committed to the school, who has attained the age of 16 years, is incurrigible, it may certify the same on the original mittimus and have it signed by the commissioner, or such bureau director as he may designate, whereupon said girl shall be transferred from said state school for girls to the reformatory for women, together with the original mittimus and certificate thereon. It shall be the duty of the officers of the reformatory for women to receive any girl so transferred, and the remainder of the original commitment shall be executed at the reformatory for women.

Insane Hospitals.

Sec. 395. Insane hospitals to be maintained. The state shall maintain 2 hospitals for the insane, 1 at Bangor called the Bangor state hospital and the other at Augusta, called the Augusta state hospital.

Sec. 397. Duties and powers of the superintendent; his annual report. The head of each hospital shall be called the superintendent, and shall be a physician. He shall reside constantly at the hospital and have general superintendence of the hospital and grounds under the direction of the department; and shall receive all patients in need of special care and treatment, legally sent to the hospital, that the accommodations permit, subject to the regulations of the department.

Sec. 398. Rules and regulations to be kept posted. The superintendent of each hospital shall keep posted, in conspicuous places about the hospital under his charge, printed cards containing the rules and regulations prescribed for the government of employees.

Sec. 399. Ill treatment of patients by employees; penalty. When it appears that any employee treats a patient with injustice or inhumanity, he shall immediately be discharged. When the superintendent is satisfied that any employee abuses or ill treats an inmate of the hospital, he shall discharge him at once, and make complaint of such abuse or ill treatment before the proper court; and such employee on conviction, shall be punished by a fine of not less than \$100 nor more than \$500, or by imprisonment for not more than 90 days. In a trial of any officer or employee for wilfully inflicting an injury upon the person of any patient, the statement of any patient, cognizant thereof, shall be taken and considered for what it is worth; and no one connected with the hospital shall sit upon the jury trying the case.

Sec. 400. Inquest held on sudden death. In case of the sudden death of a patient in either hospital under circumstances of reasonable suspicion, an examination and inquest shall be held as in other cases, and the superintendent or department shall cause a medical examiner to be immediately notified for that purpose.

Sec. 401. Name of commissioner to be posted in the wards; inmates allowed to write to commissioner. The name of the commissioner and his post-office address shall be kept posted in every ward of each hospital, and every inmate shall be allowed to write when and whatever he pleases to him, unless otherwise ordered by the commissioner in writing, which order shall continue in force until countermanded in writing by said commissioner. For this purpose, every patient, if not otherwise ordered as aforesaid, shall be furnished by the superintendent, on request, with suitable materials for writing, enclosing and sealing letters. The superintendent shall provide at the expense of the state, securely locked letter-boxes, easily accessible to all inmates, to be placed in each hospital, into which such letters can be dropped by the writer. No officer, attendant, or employee of either hospital shall have the means of reaching the contents of these boxes, but the letters in them shall be collected weekly by some representative of the commissioner, or by such person as the commissioner authorizes for the purpose, who shall prepay such only as are addressed to the commissioner and deposit them in the post-office without delay.

Sec. 402. Letters to be delivered to patients, unopened. The superintendent, or party having charge of any patient, shall deliver to him any letter or writing to him directed, without opening or reading the same, provided, that such letter has been forwarded by the commissioner, or is directed to such persons as the commissioner has authorized to send or receive letters without the department's inspection.

Sec. 403. Transfer of patients; cost, how paid. The department may transfer any patient from one hospital for the insane to the other, or from one building for the criminal insane to any other building used for the care of the insane, whenever in its judgment the welfare of the patients or of either institution will be promoted thereby. The expense attending such transfer shall be paid out of the funds of the hospital making the transfer and shall be a charge on the person liable for the board of such patient.

Sec. 404. Removal for neglect of duties. Any person neglecting to perform the duties imposed upon him by the provisions of law relating to the state hospitals is removable from office by the authority from whom he received his appointment, and if removed, is forever ineligible to office or place in the hospital.

Commitment of the Insane.

Sec. 405. Duties of parents and guardians of insane minors. Parents and guardians of insane minors, if of sufficient ability to support them there, shall, within 30 days after an attack of insanity, without legal examination, send them to 1 of said hospitals and give to the department the bond required; or they may send them to some other hospital for the insane, within said period.

Sec. 406. Municipal officers may commit to the hospitals. Insane persons, not thus sent to any hospital, shall be subject to examination as hereinafter provided. The municipal officers of towns shall constitute a board of examiners, and on complaint in writing of any blood relative, husband, or wife of said alleged insane person, or of any justice of the peace, they shall immediately inquire into the condition of any person in said town alleged to be insane; shall appoint a time and place for a hearing by them of the allegations of said complaint, and shall cause to be given in hand to the person so alleged to be insane, at least 24 hours prior to the time of said hearing, a true copy of said complaint, together with a notice of the time and place of said hearing and that he has the right and will be given opportunity then and there to be heard in the matter; shall call before them all testimony necessary for a full understanding of the case; and if they think such person insane and that his comfort and safety or that of others interested, will thereby be promoted, they shall forthwith send him to 1 of the insane hospitals with a certificate stating the fact of his insanity, and the town in which he resided or was found at the time of examination, together with a statement of facts under oath satisfactory to the department in regard to the financial ability of such patient, or of any of his relatives legally liable to pay for his support, and directing the superintendent to receive and detain him until he is restored or discharged by law, or by the superintendent or department.

Sec. 407. Emergency cases. Pending the issue of such certificate by the municipal officers such superintendent may receive into his hospital any person so alleged on complaint to be insane, provided such person be accompanied by a copy of the complaint and physicians' certificate, which certificate shall set forth that in the judgment of the physicians the condition of said person is such that immediate restraint or detention is necessary for his comfort and safety, or the safety of others, and provided further that unless within 10 days thereafter said superintendent shall be furnished with the certificate hereinbefore provided for, the said city or town shall be liable to the hospital for the full support of such patient until such certificate of commitment is furnished. Said municipal officers shall keep a record of their doings, and furnish a copy to any interested person requesting and paying for it.

Revisor's note: Amended by P. L., 1933, c. 236

Sec. 408. Evidence of 2 physicians required. In all cases of preliminary proceedings for the commitment of any person to the hospital, to establish the fact of the insanity of the person to whom insanity is imputed, the evidence of at least 2 reputable physicians given by them under oath before the board of examiners shall be required, together with a certificate signed by such physicians and filed with said board, that in their opinion such person is insane, such evidence and certificate to be based upon due inquiry and personal examination of the person to whom insanity is imputed; and a certified copy of the physicians' certificate shall accompany the papers of commitment of the insane person to the hospital.

Sec. 408-A. Jurisdiction of justices of peace to commit. If the municipal officers neglect or refuse, for 3 days after complaint is made to them to examine and decide any case of insanity in their town, complaint may be made by any blood-relative, husband, or wife of said alleged insane person, or by any justice of the peace, to 2 justices of the peace; and the 2 justices to whom such application is made shall immediately inquire into the condition of such alleged insane person and shall proceed in the manner provided in section 406.

Sec. 409. Justices to keep record; fees. Such justices shall keep a record of their doings and furnish a copy thereof to any person interested requesting and paying for it; they shall be entitled to the same fees as for a criminal examination, to be paid by the person or corporation liable in the 1st instance for the support of the insane person in the hospital.

Sec. 410. Execution of order for commitment. When such justices order a commitment to a hospital, the municipal officers of the town where the insane resides, or such other person as the justices direct, shall cause such order to be complied with forthwith at the expense of the town; and after such commitment is made, the justices shall decide and certify the expenses thereof.

Sec. 411. Jurisdiction of judges of probate. The judges of probate in the several counties shall likewise have jurisdiction to examine insane persons except in those cases covered by section 405, and upon complaint in writing of any blood-relative, husband, or wife, of said alleged insane person, or of any justice of the peace, accompanied by the certificate of some reputable physician stating that in his opinion such person is insane, may immediately appoint a time and place for hearing, within the town or city in which said person resides or is found; and shall cause to be given in hand to the person so alleged to be insane, at least 24 hours prior to the time appointed for said hearing, a copy of said complaint attested by the register of probate of the county in which said hearing is to be held, together with a notice of the time and place of said hearing, and that he

CHAP. 1

has a right and will be given opportunity there and then to be heard in the matter, and a like copy of said complaint and of said notice of hearing shall be served upon the clerk of the town in which said person resides or is found. Nothing herein contained shall require a judge of probate to appoint a hearing for the purpose of this section in any town other than the shire town of the county, or the town in which said person resides.

Sec. 412. Proceedings at hearing. The judge of probate before whom the hearing is held shall have authority to summon such witnesses as shall be necessary for the full understanding of the case; and if he shall decide that such person is insane, and that his comfort and safety, or that of others interested will thereby be promoted, he shall forthwith send him to one of the insane hospitals, with a certificate stating the fact of his insanity and the town in which he resided or was found at the time of the examination, and directing the superintendent to receive and detain him until he is restored or discharged by law or by the superintendent or department. The register shall keep a record of the doings in each case and furnish a copy to any interested person requesting and paying for it. Excepting sections 405 and 406, all other sections of this chapter, relating to the commitment, expense of supporting and discharge of the insane, shall also apply to commitments under this section.

Sec. 413. Jurisdiction first taken. The municipal officers or the judge of probate first taking jurisdiction of a complaint referred to in sections 406 and 411 hereof, shall have exclusive jurisdiction in the matter until such complaint is finally disposed of. In case of refusal to commit by 1 of said tribunals after notice and hearing, no complaint shall be made to the other tribunal with reference to the same person within 30 days after such decision is recorded; and only after application to each of said tribunals and neglect or refusal for 3 days on the part of each to act, shall proceedings under section 408-A be taken.

Sec. 414. Commitment of persons of unsound mind for observation. If a person is found by two physicians qualified as examiners in insanity, to be in such mental condition that his commitment to an institution for the insane is necessary for his proper care or observation, he may be committed by any judge or any other officer authorized to commit insane persons to either of the state hospitals for the insane, under such limitations as the judge may direct, pending a determination of his insanity.

Sec. 415. Voluntary patients may be received at state hospitals for insane; release on request. The superintendent in charge of either of the state hospitals to which an insane person may be committed, may receive and detain therein, as a boarder and patient, any person who is desirous of submitting himself to treatment and who makes written application there-

for, and whose mental condition in the opinion of the superintendent or physician in charge is such as to render him competent to make the application. Such superintendent shall give immediate notice of the reception of such voluntary patient to the department. Such patient shall not be detained for more than 10 days after having given notice in writing of his intention or desire of leaving the institution. The charges for support of such a voluntary patient shall be governed by the laws or rules applicable to the support of an insane person in such institution.

Disposal of Insane Criminals.

Sec. 416. Proceedings when a person, committed to jail on a criminal charge, pleads insanity. When a person is indicted for an offense, or is committed to jail on a charge thereof by a trial justice, or judge of a municipal court, any justice of the court before which he is to be tried, if a plea of insanity is made in court, or he is notified that it will be made, may, in vacation or term time, order such person into the care of the superintendent of either insane hospital, to be detained and observed by him until further order of court, that the truth or falsity of the plea may be ascertained. The superintendent of the hospital to which such person is committed shall, within the first 3 days of the term next after such commitment, and within the first 3 days of each subsequent term so long as such person remains in his care, report to the judge of the court before which such person is to be tried, whether his longer detention is required for purposes of observation.

Sec. 417. Proceedings when grand jury omit to indict, or traverse jury acquit on account of the insanity of the accused. When the grand jury omit to find an indictment against any person arrested to answer for an offense, by reason of his insanity, they shall certify that fact to the court; and when a traverse jury, for the same reason, acquit any person indicted, they shall state that fact to the court when they return their verdict; and the court, by a precept stating the fact of insanity, may commit him to the department for the criminal insane at the Augusta state hospital or to either insane hospital; and any person so committed shall be discharged by the court having jurisdiction of the case only on satisfactory proof that his discharge will not endanger the peace and safety of the community; and when such person so discharged is on satisfactory proof again found insane and dangerous, any justice of the superior court may, by a precept stating the fact of his insanity, recommit him to the department for the criminal insane at the Augusta state hospital or to either insane hospital.

Sec. 418. Discharge of person so committed to the hospital; recommitment. Any person so committed to an insane hospital may be discharged by any justice of the superior court, in term time or vacation, on

CHAP. 1

satisfactory proof that his discharge will not endanger the peace and safety of the community; or such justice may, on application, commit him to the custody of any friend who will give bond to the judge of probate for the county of Kennebec, if such commitment was to the Augusta state hospital, or to the judge of probate for the county of Penobscot, if such commitment was to the Bangor state hospital, with sufficient sureties, approved by said judge of probate, conditioned for the safe-keeping of such insane person, and the payment of all damages which any person may sustain by his acts. And when, on satisfactory proof, he is again found insane and dangerous, any justice of the superior court may, by a precept stating the fact of his insanity, recommit him to the insane hospital from which he was discharged.

Sec. 419. Support at hospital. The person so committed shall be there supported at his own expense, if he has sufficient means; otherwise, at the expense of the state.

Sec. 420. Governor to appoint an examiner of insane convicts, in each county; proceedings when a prisoner becomes insane. The governor shall appoint in each county in the state a competent physician, who shall be a resident of the county, to act as an examiner of insane convicts in the county jail of the county. When a convict in the state prison or the county jail becomes insane or a convict whose sentence has expired is there detained, and in the opinion of the warden of the state prison or keeper of the jail is insane, the warden shall forthwith notify the prison physician and the jailer shall forthwith notify such examiner in the county of the fact, and the prison physician or such examiner shall forthwith investigate the case and make a personal examination of the convict or party so detained; and if such physician finds such convict or person detained to be insane he shall forthwith certify such fact in writing to the warden of the state prison or keeper of such jail. Said warden shall apply in writing to the judge of the municipal court for the city of Rockland in the county of Knox, and such keeper shall apply to the judge of the municipal court in the place where such jail is located, if any; otherwise to the judge of the nearest municipal court in the county, and if there is no municipal court in such county, to any justice of the superior court, stating the facts connected therewith, and praying that the condition of such convict or person detained as aforesaid may be inquired into and such decree made as to his commitment or detention as justice may require.

Sec. 421. Hearing to be appointed by judge; proceedings thereat; appointment of guardian ad litem and counsel. Such judge shall thereupon appoint a time and place for a hearing by him of the allegations of such application, and shall cause a true copy of said application to be given in hand to the person so alleged to be insane at least 24 hours prior to the

time of said hearing, together with a notice of the time and place of said hearing, and that he has a right and will be given an opportunity then and there to be heard in the matter; he shall call before him all testimony necessary for a full understanding of the case, and shall personally examine and interview such person, whether he shall or shall not appear at such hearing, and shall require and receive evidence of at least 2 reputable physicians not in the employ of the state prison or either of the said jails, all such evidence being given under oath before such judge, with the certificate signed by such physicians and filed with the papers in the case, that in their opinion such person is or is not insane. Such evidence and certificate shall be based upon due inquiry and personal examination of the person to whom insanity is imputed. At said hearing the judge shall appoint a guardian ad litem for the person so alleged to be insane and may in his discretion appoint counsel for such person. The compensation of such guardian and counsel shall be fixed by the judge and included in the expense of the proceedings to be paid by the state or county.

Sec. 422. Commitment, if person is adjudged insane. If upon the foregoing proceedings such judge shall determine that such convict or person detained as aforesaid is insane and that his comfort and safety or that of others interested will thereby be promoted, he shall, in case of such convict or person so detained in the state prison, commit him to the department for the criminal insane at the Augusta state hospital and in the case of a convict or person so detained in either of the county jails he shall commit him to 1 of the insane hospitals, with a certificate stating the fact of his insanity and directing that he shall be received and detained accordingly until he is restored or discharged by law. The certificate of said judge shall state the town in which the prisoner, or person detained, so committed resided at the time of his original commitment to prison or jail. A certified copy of the certificate signed by the prison physician shall accompany said order of commitment made hereunder, and said judge shall keep a record of his doings and furnish a copy to any interested person requiring and paying for it.

Sec. 423. Persons recovering before expiration of sentence. If a person so committed as insane is restored or discharged from such commitment before the expiration of the term of the sentence on which he was originally committed, he shall be returned to the prison or jail in which he was serving his original sentence, and shall be there detained until the time when his original sentence would have expired.

Sec. 424. Fees for examination and certificate. The fee of each physician for such examination and certificate and testifying before said judge shall be \$5.00. All the fees, costs and expenses incident to any such hearing shall be taxed by the judge, and in any case relating to the state prison,

CHAP. 1

audited and allowed by the state, and in any cases arising in either of the county jails, by the county commissioners for such county, who shall include therein a reasonable compensation for such judge, and said fees and costs shall be paid by the state and county respectively.

Sec. 425. Commitment of inmates of jails and persons under indictment. Inmates of the county jails and persons under indictment becoming insane before final conviction may be committed to either insane hospital by any justice of the superior court in the county where such person is to be tried, or the case is pending, for observation, under such limitations as such judge may direct.

Sec. 426. Municipal judges may hold court in towns where prison or jails are located. The judge of the municipal court of the city of Rockland is hereby authorized for the purposes provided in the 8 preceding sections, if he shall see fit, to hold his court in the town of Thomaston, and the judge of any municipal court to which application is made by any jailer, and which court is located in a town other than that in which the jail is situated, and which is within the same county, may hold his court for the purposes herein provided in the town where such jail is located.

Sec. 427. Commitment of persons insane when motion for sentence is made; proceedings if insane at expiration of term of commitment; support. If a person convicted of any crime, in the superior court, is found by the judge of such court to be insane when motion for sentence is made, the court may cause such person to be committed to the department for the criminal insane at the Augusta state hospital under such limitations as the court may direct; provided that the crime of which such person is convicted is punishable by imprisonment in the state prison; otherwise such commitment shall be to one of the insane hospitals; if at the expiration of the period of commitment to the department for the criminal insane at the Augusta state hospital such person has not become of sound mind in the opinion of the superintendent of the Augusta state hospital, he shall be removed to one of the insane hospitals. Persons committed by a justice of the superior court before final conviction, or after conviction and before sentence whether originally committed or subsequently removed thereto, and insane convicts after the expiration of their sentences, shall be supported while in the insane hospital in the manner provided by law in the case of persons committed by municipal officers, and the provisions of sections 435 to 437 shall apply to such cases.

Sec. 428. Commitment of women regulated. When a woman is committed to either of the insane hospitals, the officers committing her shall, unless she is to be accompanied by a father, husband, brother, or son, designate a woman to be an attendant or one of the attendants to accompany her thereto.

Recommitment of Patients.

Sec. 429. Application by superintendent for recommitment. Whenever the superintendent of either hospital is in doubt as to the legality of the commitment of any person, now or hereafter committed to the hospital of which he is superintendent, he may apply in writing to the judge of the municipal court of the city where such person is then detained under such commitment, stating therein the material facts connected therewith and annexing thereto copies of all papers under which such person is so detained, with a prayer that the condition of such person may be inquired into and such decree made as to his commitment as justice may require.

Sec. 430. Proceedings; notice, hearing, adjudication, record. Such judge shall thereupon appoint a time and place for a hearing by him of the allegations of such application; shall cause to be given in hand to the person so alleged to be insane, at least 24 hours prior to the time of said hearing, a true copy of said application together with a notice of the time and place of said hearing and that he has a right and will be given opportunity then and there to be heard in the matter; shall call before him all testimony necessary for a full understanding of the case; shall personally examine and interview such person whether he shall or shall not appear at such hearing; shall require and receive the evidence of at least 2 reputable physicians, not in the employ of either hospital to be given under oath before such judge, together with a certificate signed by such physicians and filed with such judge that in their opinion such person is insane, such evidence and certificate to be based upon due inquiry and personal examination of the person to whom insanity is imputed; and if such judge thinks such person insane and that his comfort and safety, or that of others interested, will thereby be promoted, he shall forthwith commit him to that insane hospital the superintendent of which made said application, with a certificate stating the fact of his insanity, and the town in which he resided or was found at the time of the examination referred to in the original papers of commitment annexed to the foregoing application, and directing the superintendent to receive and detain him until he is restored or discharged by law, or by the superintendent or department. A certified copy of the physicians' certificate shall accompany said order of commitment made hereunder. Such judge shall keep a record of his doings and furnish a copy to any interested person requesting and paying for it.

Sec. 431. Expenses paid by state. All the fees, costs, and expenses incident to any such hearing shall be taxed by such judge, who shall include therein a reasonable compensation for such judge. Payment thereof shall be made from any moneys in the treasury not otherwise appropriated.

Sec. 432. Inquiry into cases of alleged unreasonable detention. A friend

CHAP. 1

of any person adjudged insane and committed to either state hospital, thinking such person is unreasonably detained, may apply in writing to any justice of the superior court, who shall inquire into the case and summon before him such witnesses as in his judgment may be necessary and upon such application vacate such commitment, and if such person was committed under a sentence following conviction for crime, and the sentence has not expired, remand him to the proper custody, and if the original sentence has expired, discharge such person. He shall tax legal costs and shall decide whether they shall be borne by the petitioner or by the state. If such application is unsuccessful, it shall not be renewed until the expiration of 1 year.

Expenses of Commitment and Support.

Sec. 433. Support of persons committed charged to state. The officers ordering the commitment of a person unable to pay for his support, or becoming unable to pay for his support after commitment, or their successors, or any officer with like power to commit, shall in writing certify that fact to the department and that he has no relatives liable and of sufficient ability to pay for his support, and such certificate shall be sufficient evidence in the first instance to charge the town where the insane resided or was found at the time of his arrest for the expenses of his examination and commitment, and to charge the state for the expenses of his support in the hospital, and the department shall charge to the state the reasonable expense of his support which shall be paid by the state.

If the inability to pay for support exists at the time of commitment, and said municipal officers fail to certify such fact, as required herein, the city or town making such commitment shall be liable for the support of said person until such certificate is furnished.

Sec. 434. Department may recover money improperly paid by state for support of insane. The department may, in its discretion, investigate, or cause to be investigated, the allegations contained in any certificate provided for in the preceding section and if such investigation discloses the fact that any person was, or may be, lawfully liable for the support of the insane person mentioned in any such certificate, the department shall collect, by action in the name of the state, if necessary, all sums which have been paid by the state to the hospital for board of such insane person from the person lawfully liable as aforesaid to pay for the support of such insane person, and thereafter the state shall not be required to pay to said hospital the sum mentioned in said section so long as the liability of any person to support such insane person may lawfully exist. All moneys collected under the provisions of this section shall be forthwith turned over to the treasurer of state, who shall receipt for the same; and the

expenses of the collection of said moneys shall be charged against and paid out of any sums so collected and turned over.

Sec. 435. Liability of town where insane person resided, or was found. The certificate of commitment to the hospital after a legal examination, is sufficient evidence, in the first instance, to charge the town where the insane resided, or was found at the time of his arrest, for the expenses of his examination and commitment to the hospital; and when his friends or others file a bond with the treasurer of the hospital in which he is confined the state shall not be liable for his support, unless new action is had by reason of the inability of the patient or his friends longer to support him; and such action may be had in the same manner, and before the same tribunal, as if he had never been admitted to the hospital.

Sec. 436. Remedy of towns; bills chargeable to the state to be filed with department of finance. Any town thus made chargeable for the expenses of examination and commitment in the 1st instance, and paying for the examination of the insane and his commitment to a hospital, may recover the amount paid, from the insane, if able, or from persons legally liable for his support, or from the town where he has a legal settlement, as if incurred for the expense of a pauper, but if he has no legal settlement in the state, such expenses shall be refunded by the state.

All bills for expenses so incurred and chargeable to the state, shall be filed with the department of finance within 3 months after the same are contracted, and no such bills shall be allowed, unless they are filed with the said department within 60 days after the 31st day of December of the year in which they are incurred. No insane person shall suffer any of the disabilities of pauperism nor be deemed a pauper, by reason of such support. But the time during which the insane person is so supported shall not be included in the period of residence necessary to change his settlement.

Sec. 437. Recovery by state. The state may recover from the insane, if able, or from persons legally liable for his support, the reasonable expenses of his support in either insane hospital.

Discharge of Patients.

Sec. 438. Removal of patient; liability of town for costs. When the municipal officers of any city or town are requested in writing by the superintendent of a state hospital to remove any patient committed to said state hospital from said city or town, when in the opinion of said superintendent such patient does not require further state hospital care or treatment, or when such patient has been discharged by the trustees, it shall be the duty of said municipal officers to remove such patient within 15 days after

CHAP. 1

receiving such notice. After the expiration of said 15 days, said city or town shall be liable for the full support of said patient so long as he remains in said hospital.

Sec. 439. Application of § 438, limited. The preceding section does not apply to towns having less than 200 inhabitants, but all insane persons found, and having their residence in such towns, who have no settlement within any town in the state, and have no means of their own for support, or are without relatives able and liable to support them, shall be supported in the hospital at the expense of the state.

Sec. 440. Superintendent may permit inmate to temporarily leave institution. The superintendent of either hospital may permit any inmate thereof to leave such institution, temporarily, in charge of his guardian, relatives, friends, or by himself for a period not exceeding 6 months, and may receive him when returned by any such guardian, relatives, friends, or upon his own application within such period, without any further order of commitment, and the liability of the state, or of any person by bond given for the care, support and treatment of such insane person as originally committed, shall remain in full force and unimpaired upon the return of such person as if he had remained continuously in such hospital. The superintendent of either hospital with the approval of the department may on receipt of formal application in writing before the date of expiration of such leave of absence grant an extension of time for another 6 months.

Sec. 440-A. Discharge of patients. The department shall make a particular examination into the condition of each patient in the state hospitals, including patients committed while under sentence in the state prison or any of the county jails, at least once a year. The department may discharge any one so far restored that his comfort and safety, and that of the public, no longer require his confinement; except in such cases where the patient has been transferred to said hospital from some penal or correctional institution, and the original sentence under which he or she was committed to such institution has not expired; in which cases the patient shall be returned to that institution to serve the remainder of the sentence according to the provisions of the law; and it may transfer to the care and custody of his relatives and friends applying therefor, on conditions to be fixed by the superintendent and department, any such patient not held under sentence whom it is satisfied will be properly cared for by the person making such application.

Regulation of Private Hospitals for the Mentally Deranged.

Sec. 441. Private hospitals to be licensed; to be subject to visitation. The department may license any suitable person to establish and keep a private hospital, or private house for the reception and treatment of

patients who are mentally deranged, and may revoke such license at any time. Such hospital or private house shall be subject to visitation by the department or any member thereof.

Sec. 442. Penalty for violation of § 441. Whoever establishes or keeps such private hospital or private house without a license, or after revocation of said license, shall forfeit not more than \$500.

Sec. 443. Voluntary patients may be received on written application; release on request. The superintendent or manager of such licensed hospital or house for the treatment of mental patients may receive and detain therein as a boarder and patient any person who is desirous of submitting himself to treatment and who makes written application therefor, and is mentally competent to make the application; and any such person who desires so to submit himself for treatment may make such written application. No such person shall be detained more than 5 days after having given notice of his intention, in writing, to leave this institution.

Sec. 444. Commitment to private hospitals. If a person is found by 2 regular physicians registered in Maine to be in such mental condition that his commitment to such hospital or house for mental treatment is necessary for his proper care or observation, when the expense of his care and support are to be paid by himself, or relatives, or friends, or legal or natural guardians, he may be committed for treatment to said private hospital or house for a period not exceeding 30 days, provided such person be accompanied by a certificate signed by said physicians, which certificate shall show that in the judgment of the 2 physicians after an examination by each of them, such person needs treatment in such institution because of his mental condition. Such certificate shall be filed at such institution at the time of admission of the patient, together with a statement of facts regarding the family and personal history of the patient. Within 30 days after such commitment, if, in the opinion of the superintendent or manager or the attending physician, the said person has recovered or improved mentally to such an extent that in the judgment of said physician further treatment at such hospital or house is not necessary, the said person shall be discharged.

Sec. 445. If patient is to be kept more than 30 days, examination to be made and hearing held. If after a patient has been committed to such hospital or house for treatment for a period not exceeding 30 days by 2 registered physicians, and it is the opinion of the superintendent or the manager or attending physician, after 15 days or more of observation and treatment, that such patient will not improve or recover to such an extent that it will be for his welfare to leave such hospital or house at the end of the 30 day period, it shall be the duty of the superintendent, manager or at-

CHAP. 1

tending physician to have the said patient examined by 2 disinterested, registered physicians who have practiced 3 years or more in Maine and who are not employed by such hospital or house, and if in the opinion of these physicians the said patient should require further treatment at said hospital or house, the superintendent, manager or attending physician shall make application to the judge of a municipal court or probate court in the county where said hospital or house is located, for a hearing, before the expiration of the 30 day period. Said judge shall then cause a notice of time of hearing to be served upon such patient at least 24 hours prior to the time of hearing, and the superintendent, manager or attending physician shall give the patient an opportunity to be present at the hearing if the patient so wishes, provided that in the opinion of the superintendent, manager or attending physician the patient's physical and mental condition is such that it would not be injurious to his health or dangerous to others for the patient to attend the hearing, and the said patient shall have the right to be represented at said hearing by relatives, friends, legal or natural guardians or attorneys at his own expense, if he so wishes.

Sec. 446. Patient may be committed for indefinite treatment on oath of 2 physicians and order of judge. In all such cases for commitment of any person to such licensed hospital or house for treatment for an indefinite period, the opinion that the patient requires further treatment at said hospital or house shall be given under oath by at least 2 registered physicians who have practiced at least 3 years in Maine, and if in the opinion of the judge additional medical testimony as to the mental condition of the patient is required, he may appoint a physician to examine and report thereon, the expense of said examination and report to be paid by the patient. The said judge may then commit such person to said hospital or house for further treatment by an order of commitment directed to the superintendent or manager accompanied by a certificate of at least 2 registered physicians who have practiced 3 or more years in Maine, which certificate shall set forth that in their opinion such patient requires further treatment. The order of commitment shall direct the superintendent or manager to detain such patient for further treatment in said hospital until such time as in the opinion of a recognized alienist the patient has recovered or improved mentally to such an extent that his detention in such hospital is no longer necessary for his own welfare or the safety of the public; or until suitable arrangements have been made for said patient's proper care and supervision outside of said institution by his legal or natural guardians; or until on 3 days' notice, said superintendent or manager shall notify the legal or natural guardian to remove said patient from said institution; or until such time as it shall become necessary to commit said patient to a state hospital, or said patient shall be discharged by order of law.

Sec. 447. Private hospital to be visited. Each of said licensed hospitals or houses shall be visited at least once a year, and oftener if the commissioner so directs, by a member of the department who shall carefully inspect every part of said hospital or house visited with reference to its cleanliness and sanitary conditions and who shall make a report to the department with such recommendations to improve conditions as said department may deem necessary.

Sec. 448. License may be revoked after hearing. Upon the failure of any superintendent or manager of such licensed hospital or house to comply with any of the provisions of the 7 preceding sections, the commissioner may order a hearing to be held and notify in writing said superintendent or manager of such hearing, by 7 days' notice, to be held at the state house at Augusta, and if it shall appear to the commissioner that the provisions of said sections have not been complied with, he may revoke the license of said hospital or house.

Pownal State School.

Sec. 449. Management of school; ages of inmates. The Pownal state school, heretofore established at Pownal, in the county of Cumberland, shall be maintained for the care and education of idiotic and feeble-minded males, between the ages of 6 years and 40 years, and females, between the ages of 6 years and 45 years, except that idiotic and feeble-minded state paupers of either sex or patients transferred from either state hospital for the insane under the provisions of this chapter may be admitted after the above stated ages.

Sec. 450. Payment for support of inmates; state may recover reasonable expenses for support. All indigent and destitute persons in this state, who are proper subjects for said school, and have no parents, kinsmen, or guardian able to provide for them, may be admitted as state charges and all other persons in this state, who are proper subjects for said school, when parents, kinsmen, or guardian bound by the law to support such persons are able to pay, shall pay such sum for care, education, and maintenance of such persons as the department shall determine, and such persons from other states having no such institution or similar school may be received into such school when there is room for them without excluding state charges, at a cost to such person or those who are legally responsible for their maintenance, of not less than \$3.25 per week; and the state may recover from any person admitted to said school, if able, or from persons legally liable for his support, the reasonable expenses of his support in said school.

Sec. 451. Judge of probate may commit. Whenever it is made to appear, upon application to the judge of probate for any county and after

CHAP. 1

due notice and hearing, that any person resident in said county, or any inmate of the state school for girls, the state school for boys, the military and naval children's home, or any person supported by any town, is a fit subject for the Pownal state school, such judge may commit such person to said school by an order of commitment directed to the department accompanied by a certificate of 2 physicians who are graduates of some legally organized medical college and have practiced 3 years in this state, that such a person is a proper subject for said institution; provided no such order of commitment shall issue until an application for admission of such person has first been made to the department which shall be placed on file at the institution and evidence thereof presented to the judge of probate, accompanied by a certificate of the superintendent, stating, in substance, that such person will be received under the provisions of section 453, when properly committed. Whenever, upon such application, there is occasion for the judge of probate to attend a hearing on days other than days fixed as the regular day for holding the probate court, said judge of probate shall be allowed \$5 per day for his services and expenses, which shall be paid by the county treasurer upon the certificate of the county commissioners.

Sec. 452. Order of committal subject to appeal; discharge of inmates. Any order of committal under the preceding section shall be subject to appeal in the same manner, by the same persons and to the same extent, that decrees of the judge of probate appointing guardians over persons alleged to be insane or incompetent or spendthrift, and no committal under said section shall bar habeas corpus proceedings, but the court upon habeas corpus proceedings may confirm the order of commitment whenever justice requires. Any inmate of the school may be discharged by the department or by a justice of the superior court, whenever a further detention in such school in their opinion is unnecessary; but any person so discharged who was under sentence of imprisonment at the time of his commitment, the period of which shall not have expired, shall be committed or remanded to prison for such unexpired time.

Sec. 453. Order of admittance. Feeble-minded persons shall be admitted to the institution in the following order: 1st, feeble-minded persons who are now in public institutions supported entirely at public expense; 2nd, feeble-minded persons in public institutions not supported as aforesaid; 3rd, feeble-minded persons who are not in any institution of the state, who have no parents, kinsmen, or guardian able to provide for them, or who are committed by a judge of probate; 4th, those residing within the state whose parents, kinsmen, or guardian bound by law to support such persons are able to pay; 5th, persons of other states whose parents, kinsmen, or guardian are willing to pay.

department of community service, organization and duties of; superintendents of hospitals for insane, etc., to cooperate with other state institutions; dissemination of knowledge as to mental diseases; expenses of department. In every state institution, to which an insane, feeble-minded or epileptic person may be committed, the department shall appoint a physician experienced in the care and treatment of such persons, also the necessary assistants to such physician and shall organize and administer under his direction a bureau for community service in the district served by the institution. The duties of said bureau shall be:

First: The supervision of patients who have left the institution with a view to their safe care at home, suitable employment, and self support under good working and living conditions, and prevention of their relapse and return to public dependency.

Second: Provision for informing and advising any indigent person, his relatives, or friends and the representatives of any charitable agency as to the mental condition of any indigent person, as to the prevention and treatment of such condition, as to the available institutions or other means of caring for the person so afflicted, and as to any other matter relative to the welfare of such person.

Third: Whenever it is deemed advisable the superintendent of the institution may cooperate with state departments to examine upon request and recommend suitable treatment and supervision for

(a) Persons thought to be afflicted with mental or nervous disorder.

(b) School children who are nervous, psychopathic, retarded, defective, or incorrigible.

(c) Children brought before any juvenile court.

Fourth: The acquisition and dissemination of knowledge of mental disease, feeble-mindedness, epilepsy, and allied conditions, with a view to promoting a better understanding and the most enlightened public sentiment and policy in such matters. In this work the bureau may cooperate with local authorities, schools, and social agencies.

Sterilization in Certain Cases.

Sec. 455. Sterilization may be performed to prevent reproduction of feeble-mindedness or in treatment of mental disease; consent necessary; procedure prior to operation. The operations of vasectomy and fallocotomy may be performed under the conditions and within the restrictions herein described, and under such provisions shall be lawful.

When either of the recognized sterilizing operations herein referred to may be indicated for the prevention of the reproduction of further feeble-mindedness, or for the therapeutic treatment of certain forms of mental disease, physicians having the custody of such cases may recommend to the nearest relative, guardian, and affected individual the advisability and

CHAP. 1

necessity of such operation; and when the written consent of the patient, when mentally competent to give such consent, or the written consent of the guardian when the patient is mentally incompetent to give such consent, is given, the physician having the custody aforesaid of said case shall call a council of 2 registered medical practitioners—one a physician and one a surgeon—of not less than 5 years' practice and not related to the patient, whose duty it shall be in conjunction with the physician in charge of the case, to examine the individual recommended for operation. Whether the person to be operated upon is mentally capable of giving his consent shall be decided by the consultants and stated in writing, with their reasons therefor, and such written statement shall be kept on file at the Pownal state school and in case they find that the patient is mentally incapable of giving his consent, the consent of the guardian must be secured. If in the judgment of the consulting physicians the operation will prevent the further propagation of mental deficiency, or if in the judgment of the medical consultants the physical or mental condition of any such person will be substantially benefited thereby, then the consultants shall select a competent surgeon to perform the operation of fallocotomy or vasectomy, as the case may be, upon such person.

Revisor's note: Amended by P. L., 1933, c. 77

Sec. 456. Provisions for recommendation for sterilization in certain cases. Whenever it appears to the medical staff or institution physician of any institution in this state which has the care or custody of insane or feeble-minded persons that any inmate under the care or custody of such institution would be likely, if released without sterilization, to produce a child or children who by reason of inheritance would have a tendency to serious mental disease or mental deficiency, said medical staff or institution physician shall submit to the department a recommendation that a surgical operation be performed upon said patient for the prevention of parenthood. This recommendation shall be in writing and accompanied by the sworn statement of the superintendent of such institution containing the history of the inmate as shown by the records of the institution, so far as it bears upon the recommendation for sterilization and setting forth the reasons why sterilization is recommended.

Sec. 457. Written order for sterilization; conditions for. If, in the judgment of the department, procreation by said inmate would be likely to produce a child or children who by reason of inheritance would have a tendency to serious mental deficiency it shall be the duty of the department to approve said recommendation within 30 days and send to the superintendent of such institution a written order, signed by the commissioner directing him to proceed with the sterilization not earlier than 50 days after the receipt of said order; provided, however, that no order

of sterilization shall be carried into effect until the same shall have been further approved by 2 of the following persons, the superintendent of the Bangor state hospital, the superintendent of the Augusta state hospital and the superintendent of the Pownal state school for the feeble-minded.

Sec. 458. Notice to be given. Such department shall also send 1 copy of the order for sterilization to the inmate and another copy to the father or mother, husband or wife or legal guardian of the inmate, accompanying it in each case by a certified copy of the recommendation aforesaid and notification that the inmate or his or her representative has a right of appeal to the courts. If none of the foregoing relatives are known and no legal guardian has been appointed, the department shall request a judge of the superior court to appoint some attorney to protect the rights of the inmate and such notices and copies shall be sent to such attorney.

Sec. 459. Appeal from order for sterilization. Within 30 days of the issuance of any order of sterilization an appeal may be taken therefrom to the superior court by the inmate or his or her representative. Such appeal shall be entered and heard at the next term of said court held at least 14 days after the date of such appeal in the county where inmate was domiciled when committed. The proceedings in such appeals shall be governed by the rules provided for probate appeals.

In this appeal the person for whom an order of sterilization has been issued shall be designated as the plaintiff and the superintendent of the institution in which said inmate is under care or custody shall be designated as defendant. The finding of the court shall be certified to the department. Such finding may affirm, revise or reverse the order of the board appealed from.

Sec. 460. Proceedings stayed pending appeal; how order shall be carried out. The pendency of any appeal shall stay proceedings under the order of such department until the appeal be determined. Should the decision of the court uphold the plaintiff's objection, the order for sterilization shall be vacated automatically and the case may not be initiated again within 1 year of the date of the final decision of the court.
