## Chapter 298

### AN ACT Authorizing the Licensing of Distilleries, Breweries and Wineries.

*Be it enacted by the People of the State of Maine, as follows:*

**Maine state liquor commission; licenses; distillers and brewers; wineries, etc.** The Maine state liquor commission is authorized and empowered to issue licenses for the manufacture of alcoholic liquor either distilled, spirituous, vinous or fermented to distillers, brewers and wineries operating under authority of Federal law and under Federal supervision. Distillers and brewers using exclusively the agricultural products of the state of Maine as raw material for the production of alcohol or alcoholic liquors shall pay an annual license fee of \$100.00. Distillers and brewers using exclusively the products of other states as raw material shall pay an annual license fee of \$3,000.00.

Distillers and brewers using in part the agricultural products of Maine, and in part those of other states as raw material, shall pay such fees as the commission may determine, to be directly proportioned as to the source and quantity of such raw material, and based upon the foregoing differential.

Wineries using exclusively the agricultural products of the state of Maine as raw material shall pay an annual license fee of \$50.00. Wineries using in part the agricultural products of other states or foreign countries shall pay in addition to such license fee of \$50.00, an excise tax of 4c per gallon on liquid raw materials, and 2c per pound on solid or semi-solid raw materials; the same being under the supervision of the Maine state liquor commission which shall make necessary rules and regulations for its collection.

The commission shall in its purchases of alcoholic liquors give priority, wherever feasible, to those made from the agricultural products of the state of Maine.

Approved November 10, 1934.
