OF THE

STATE OF MAINE

As Passed by the Eighty-Eighth Legislature

1937

Whereas, the inhabitants of said North Windham have petitioned said water district for a supply of water in said territory, and the said district has declined to furnish water as requested, for the reason, among others, that it has no authority to take water from said Chaffin pond; and

Whereas, the said inhabitants of North Windham have taken an appeal from the decision of said Portland Water District to the public utilities commission, where said appeal is now pending, and as a consequence the inhabitants of North Windham are unable to obtain an adequate supply of water for domestic and sanitary purposes and for the extinguishment of fire; and

Whereas, in the judgment of the legislature, these facts create an emergency within the meaning of section 16 of Article XXXI of the constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Authority given to take water from Chaffin pond. The Portland Water District for the purpose of its incorporation and for the more convenient supplying of water to the inhabitants and the town of Windham, is hereby authorized to take, hold, divert, use and distribute water from Chaffin pond, so-called, in the town of Windham, the same to be done under the provisions of chapter 433 of the private and special laws of 1907 entitled "An Act to Incorporate the Portland Water District" and all acts amendatory thereof and additional thereto.

Emergency clause. In view of the emergency cited in the preamble, this act shall take effect when approved.

Approved March 11, 1937.

AN ACT to Incorporate the Calais School District.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Calais School District, incorporated. Subject to the provisions of section 7 hereof, the inhabitants and territory within the city of Calais are hereby created a body politic and corporate under the name of Calais School District for the purpose of erecting, equipping and maintaining on city property a school building; for the purpose of maintaining and improving other school buildings in said district; for the purpose of financing in-

creased school expenses caused by the loss of a major school building by fire in April, 1935; for the purpose of replacing city and school trust funds lost through bank failure; and for the purpose of maintaining a school with the right to lease or let said property to said city; all for the benefit of the inhabitants of said city.

Sec. 2. How managed. All the affairs of said district, as are herein provided, shall be managed by a board of trustees composed of 3 members who shall be elected as is hereinafter provided.

Sec. 3. Trustees, how chosen; organization; compensation. All the affairs of said district, as are herein provided, shall be managed by a board of trustees composed of 3 members who shall hold office for the period of 3 years from the date of their appointment except as hereinafter provided for. Three trustees shall be chosen by the municipal officers of the city of Calais as soon as may be after the passage of this act as hereinafter provided. Removal from the city of Calais by any trustee shall ipso facto vacate his office. Vacancies upon the board of trustees occurring because of expiration of the official term of 3 years, removal from city, resignation, death or any cause shall be filled by the municipal officers of the city of Calais in the same manner in which the original board was chosen.

The members of the board as soon as convenient after they have been chosen as above provided, shall meet upon call of 1 of their number after such reasonable notice as he shall deem proper. At the 1st meeting the trustees so appointed shall determine by lot the term of office of each trustee so that 1 trustee shall retire each year and the term of office of the 1st trustee to expire shall end at the close of the municipal year of the city of Calais following the acceptance of this act. And thereafter the term of office of a trustee shall expire and his successor shall be appointed by the municipal officers of Calais at the close of each municipal year of said city. They shall then elect from their membership a president, clerk, and treasurer, adopt a corporate seal and do all other acts, matters and things necessary to perfect their organization. Thus organized, the trustees shall have the right and authority to employ such officers and agents as they may deem necessary for the proper conduct and management of the affairs of the district.

The trustees shall serve without compensation except the treasurer may receive for his services an amount to be fixed by the board of trustees not to exceed \$100 per year. At the close of the fiscal year the trustees shall make a detailed report of their doings, of the financial condition of said district, and the physical condition of said school building, and also such other matters and things pertaining to said district as shall show the inhabitants thereof how said trustees are fulfilling the duties and obligations

of their trust, said reports to be made, attested to and filed with the municipal officers of said city.

Sec. 4. How financed. To procure funds for the purposes of this act and such other expense as may be necessary to the carrying out of said purposes, the said district is hereby authorized to issue its bonds and notes, but shall not incur a total indebtedness exceeding the sum of \$50,000. Each bond shall have inscribed upon its face the words: "City of Calais School District" and shall bear interest at such rates as the trustees shall determine, payable semi-annually. Said bonds may be issued to mature serially or made to run for such periods as said trustees may determine, but none of which shall run for a longer period than 30 years. All notes or bonds issued by said school district shall be signed by the treasurer and countersigned by the president of the district, and if coupon bonds be issued, each coupon shall be attested by a facsimile signature of the president and treasurer printed thereon. The treasurer shall give bond to the district in such sum and with such sureties as said trustees may determine, which bond shall remain in the custody of the president. The expenses of said bond shall be paid by the district. The said district is hereby authorized and empowered to enter into such an agreement with the federal government or any certified corporation or board to loan money or otherwise assist in the financing of such projects as this school district is authorized to carry out.

Sec. 5. Sinking fund. In case said bonds are made to run for a period of years, a sinking fund shall be established by the trustees of said district for the purpose of redeeming said bonds when they become due, which sinking fund shall not be less than 3 1/3% of the par value of the bonds issued and outstanding, which may be deposited in a savings bank or savings department of a national bank within the state or may be invested in any United States government bonds, state bonds or the bonds of any political subdivision thereof as the trustees may determine. Whenever any bonds issued by said district become due or can be purchased by said trustees on favorable terms, said trustees shall, if sufficient funds have accumulated in said sinking fund, redeem or purchase said bonds and cancel them. In no case shall bonds so cancelled or redeemed be reissued. In case the amount in the sinking fund shall not be sufficient to pay the total amount of the bonds falling due at any one time, authority to issue new bonds sufficient to redeem so many of said bonds, as cannot be redeemed from the sinking fund, is hereby granted to said district but in no case shall new bonds run beyond 30 years from the date of the original issue.

Sec. 6. Provisions for sinking fund. The trustees of the "City of Calais School District" shall determine the sum to be paid annually into the sink-

ing fund, or if the bonds authorized by this act shall be issued to mature serially, what amount is required each year to meet the bonds falling due, and what sum is required each year to meet the interest in the said bonds or other obligations, and other necessary expenses in the district, and shall each year thereafter, before the 1st day of April, issue their warrant in the same form as the warrant of the treasurer of state for taxes, with proper changes, to the assessors of the city of Calais, requiring them to assess the sum so determined upon the taxable polls and estates within said district and to commit their assessment to the constable or collector of said city of Calais, who shall have all authority and powers to collect said taxes as is vested by law to collect state, county and municipal taxes. On or before the 31st day of December of the year in which said tax is so levied, the treasurer of said city shall pay the amount of the tax so assessed against said district to the treasurer of said district. In the case of the failure on the part of the treasurer of the city to pay said sum, or in the case of his failure to pay any part thereof on or before said 31st day of December of the year in which said tax is so levied, the treasurer of said district may issue his warrant for the amount of said tax or so much thereof as shall then remain unpaid, to the sheriff of Washington county requiring him to levy by distress and sale on real and personal property of any of the inhabitants of said district, and the sheriff or either or any of his deputies shall execute said warrant except as is otherwise provided herein. The same authority as is vested in county officials for the collection of county taxes, under the provisions of law, is hereby vested in the trustees of said district in relation to the collection of taxes within said district.

Sec. 7. Provisions for termination of the board of trustees. At such time as the school building shall have been completed, equipped, and occupied by pupils of said district and the board of trustees of the district shall have discharged all of its principal obligations and the property of said district shall be free and clear of all indebtedness, the board of trustees shall automatically cease to function and all of the duties, management, care and maintenance shall revert to the school board of the city of Calais or such other board as may, at that time, have jurisdiction over similar school property, and the then president and treasurer shall cause to be executed, signed and delivered, a good and sufficient deed of all the property in said district, to the city of Calais. All money, if any remaining in the treasury of the board of trustees at the time it ceases to function, shall be deposited to the credit of the city of Calais, which money shall be used only for school purposes and shall be kept separate from all other money until authorized by the municipal officers of the city of Calais to be expended as hereinbefore stated.

Sec. 8. Effective date of act; referendum. This act shall take effect at

the legal time after adjournment of the legislature, providing that it shall be accepted and approved at a meeting of the legal voters of the city territory embraced within the limits of said district, specially called and held for the purpose not later than 4 months after the approval of this act. Such election shall be called, advertised and conducted according to the law relating to municipal elections, provided, however, that the board of registration in said city of Calais shall not be required to prepare for posting or the city clerk to post a new list of voters. The city clerk shall prepare the required ballots upon which he shall reduce the subject matter of this act to the following question: "Shall the act to incorporate the Calais School District be accepted?" and the voters shall indicate by a cross placed over the words "Yes" or "No" their opinion of the same. The result of the vote in said district shall be declared by the municipal officers of the city of Calais and a certificate thereof filed by the city clerk with the secretary of state.

Approved March 11, 1937.
