Chapter 8

AN ACT to Grant a New Charter to the City of Lewiston.

Emergency preamble. Whereas, in the municipal affairs of the city of Lewiston a uniform history of an accumulation of increasing deficits has reached a point where the borrowing capacity of the city is practically exhausted and the municipal credit is seriously impaired, and

Whereas, the ability of the city to meet its current financial obligations is thereby threatened, and

Whereas, the confidence of the electorate in the prospect of financial improvement under the existing system of municipal government is rapidly waning, and

Whereas, the foregoing facts in the judgment of the legislature constitute an emergency within the meaning of the constitution of the state and require the following legislation as immediately necessary for the preservation of the public peace, health, and safety, now, therefore,

Be it enacted by the People of the State of Maine, as follows:
