Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Territorial limits; corporate name; purposes. The inhabitants and territory within the town of Brooks in the county of Waldo shall be, and hereby are, constituted a body politic and corporate under the name of the Brooks Water District for the purpose of supplying the town of Brooks and the inhabitants of said town or any part of said town with pure water for domestic, commercial, sanitary and municipal purposes, including the extinguishment of fires.

Sec. 2. Powers. Said Brooks Water District is hereby authorized for the purpose aforesaid to take, collect, store, flow, use, detain, distribute and convey to the town of Brooks, or any part thereof, water from any lake, pond or stream and from any surface or underground brook, spring or vein of water in said town of Brooks, and is also authorized to locate, construct and maintain dams, cribs, reservoirs, locks, gates, sluices, aqueducts, pipes,

conduits, standpipes, hydrants, pumping stations and other necessary structures and equipment therefor.

Sec. 3. May exercise eminent domain. The said district for the purposes of its incorporation, is hereby authorized to take and hold as for public uses, by purchase or otherwise, any land or interest therein, or water rights necessary for erecting and maintaining dams, for flowage, for power for pumping its water supply through its mains, for reservoirs, for preserving the purity of the water and watershed, for laying and maintaining aqueducts and other structures for taking, distributing, discharging and disposing of water and for rights of way or roadways to its sources of supply, dams, power stations, reservoirs, mains, aqueducts, structures and lands.

Sec. 4. Procedure as to the exercise of right of eminent domain. In exercising such rights of eminent domain as are herein conferred upon said district or any rights of eminent domain through or under the franchises of the Consolidated Water Company, if and when by it acquired, the district shall file for record in the registry of deeds in the county of Waldo plans of the location of lands to be taken or any interest in which less than a fee is to be taken, together with a description of such lands and of the interest therein to be taken and the names of the owners thereof, if known. When for any reason the district fails to acquire property which it is authorized to take and which is described in such location, or if the location so recorded is defective or uncertain, it may at any time correct and perfect such location and file a new description thereof, and in such case the district is liable in damage only for property for which the owner had not previously been paid to be assessed as of the time of the original taking, and the district shall not be liable for any act which would have been justified if the original taking had been lawful. No entry shall be made on any private lands except to make surveys until the expiration of 10 days from such filing, whereon possession may be had of all such lands or interest therein so taken, but title thereto shall not vest in said district until paid for.

Sec. 5. Adjustment of damages. If any person sustaining damage by any taking as aforesaid shall not agree with the trustees of said district upon the sum to be paid therefor, either party, upon petition to the county commissioners of Waldo county may have his damages assessed by them; the procedure and all subsequent proceedings and the rights of appeal thereon shall be had under the same conditions, limitations and restrictions as are or may be prescribed by statute in the case of damages by laying out of highways.

Said notes and bonds shall be legal obligations of said water district, which is hereby declared to be a quasi-municipal corporation to which the provisions of section 117 of chapter 56 of the revised statutes shall be applicable.
