PRIVATE AND SPECIAL LAWS

OF THE

STATE OF MAINE

As Passed by the One Hundred and First Legislature

1963

sum of \$10,000 for the fiscal year ending June 30, 1965 for Ricker College, to be paid to the treasurer of said college on or before December 31st of the year for which it is appropriated, and to be expended by the trustees of Ricker College for general operations.

Effective September 21, 1963

Chapter 87

AN ACT to Create the Ogunquit Sewer District and Amend the Charter of the Ogunquit Village Corporation.

Emergency preamble. Whereas, the 100th Legislature classified certain waters within the territory of the Ogunquit Village Corporation to meet minimal health standards; and

Whereas, said waters do not presently come up to the classification set by the 100th Legislature; and

Whereas, an adequate system of sewage collection, treatment and disposal is essential to the health and wellbeing of the inhabitants of the Ogunquit Village Corporation; and

Whereas, it is imperative that action be taken at the earliest possible time to eliminate any danger to such health and wellbeing; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Territorial limits; incorporation. The territory of the Ogunquit Village Corporation, in the Town of Wells and County of York, as presently constituted, and the inhabitants therein, shall constitute a public sewerage district and a body politic and corporate under the name of "Ogunquit Sewer District". The purpose of said district, subject to the provisions of section 10 hereof, shall be to take over, control, operate and manage the sanitary sewer system now owned by the Ogunquit Village Corporation with all appurtenances thereto; to extend, increase, enlarge and improve said sewer system; to extend the present system or systems so as to furnish sewerage facilities to those parts of the district and to parts of adjoining municipalities not now served with such facilities; to provide for removal and treatment of sewage when, as and if such treatment becomes necessary; and generally to construct, maintain, operate and provide a system of sewerage, sewage disposal and sewage treatment for public purposes and for the health, welfare, comfort and convenience of the inhabitants of the district.

Sec. 2. Authority to construct and maintain. Within said territory and the territory of any adjoining municipality, said Ogunquit Sewer District is author-

ized to lay pipes, drains, sewers and conduits, and to take up, repair and maintain the same or to contract for the same to be done in, along and through any public or private ways and public grounds and in, along and through lands of any person or corporation as hereafter provided, to and into tidal waters, rivers, watercourses or treatment works or to or into any drain or sewer now or hereafter built which empties into tidal waters, rivers, watercourses or treatment works, the discharge therefrom to be at such points consistent with the requirements of public health as shall be found convenient and reasonable for said district and the flow of existing watercourses; to construct and maintain treatment works, pumping stations, basins, reservoirs, flush tanks and such other appliances for collecting, holding, purifying, distributing and disposing of sewage matter and industrial waste and, subject to section 10, of surface and waste water, all as may be necessary or proper; and in general, do any or all other things necessary or incidental to accomplish the purposes of this act.

Sec. 3. Authority to acquire and hold property; right of eminent domain conferred. Upon acceptance of this act as hereinafter provided, and subject to section 10, title to all public sewers in the Ogunquit Village Corporation other than sewers used exclusively for storm or surface water drainage shall forthwith pass to and be vested in said district, and said district thereafter shall maintain and operate the same. Upon such approval, there shall also pass to the district title to all plans, maps, specifications and data relating to said existing public sewers and, subject to any obligation of Ogunquit Village Corporation to the United States of America or any agency thereof, related thereto, all plans, maps, specifications and data relative to any proposed improvement or expansion of the sanitary sewer system of Ogunquit Village Corporation. The said district is authorized and empowered to acquire and hold real and personal property necessary or convenient for the purposes of this act, and is expressly granted the right of eminent domain, and for the purposes of this act, is authorized to take and hold, either by exercising its right of eminent domain, or by purchase, lease or otherwise, as for public uses any land, real estate, easements or interests therein, and any sewers, drains or conduits and any sewer or drainage rights necessary for constructing, establishing, maintaining and operating sewers, drains, reservoirs, flush tanks, manholes, catch basins, treatment works, pumping stations and other appliances and property used or useful for collecting, holding, purifying, distributing and disposing of sewage matter and industrial waste and surface and waste waters. Nothing herein contained should be construed as authorizing said district to take by right of eminent domain any of the property or facilities of any other public service corporation or district used or required for future use by the owner thereof in the performance of a public duty, unless expressly authorized by subsequent act of the Legislature.

Sec. 4. Procedure under eminent domain. In exercising from time to time the right of eminent domain conferred upon it, said district, by its board of trustees, shall file in the office of the county commissioners of York County and cause to be recorded in the registry of deeds in said county plans of the location of all lands, real estate, easements or interest therein, and sewers, drains or conduits and any sewer or drainage rights to be taken, with an appropriate description and the names of the owners thereof, if known. When for any reason the district fails to acquire property which it is authorized to take and which is described in such location, or if the location so recorded is defective and uncer-

tain, it may, at any time, correct and perfect such location and file a new description thereof; and in such case the district is liable in damages only for property for which the owner had not previously been paid, to be assessed as of the time of the original taking, and the district shall not be liable for any acts which would have been justified if the original taking had been lawful. No entry shall be made on any private lands, except to make surveys, until the expiration of 10 days from such filing, whereupon possession may be had of all said lands, real estate, easements or interests therein and other property and rights as aforesaid to be taken, but title thereto shall not vest in said district until payment therefor.

Sec. 5. Assessment of damages by county commissioners; procedure on appeals. If any person sustaining damages by any taking as aforesaid shall not agree with said district upon the sum to be paid therefor, either party, upon petition to the county commissioners of York County may have said damages assessed by them; the procedure and all subsequent proceedings and right of appeal thereon shall be had under the same restrictions, conditions and limitations as are or may be by law prescribed in the case of damages by the laying out of highways.

Sec. 6. Limitations on crossing a public utility. In case of crossing of any public utility, unless consent is given by the company owning or operating such public utility as to place, manner and conditions of the crossing within 30 days after such consent is requested by said district, the Public Utilities Commission shall determine the place, manner and conditions of such crossing; and all work on the property of such public utility shall be done under the supervision and to the satisfaction of such public utility, but at the expense of the district.

Sec. 7. Rights of abutters or others to enter. Any person may enter his private sewer into any sewer of the district while the same is under construction and before completion of said sewer at the point of entry, and before an entrance charge is established, on obtaining a permit in writing from the trustees; but after the sewer is completed to the point of entry and an entrance charge established on that location, no person shall enter his private sewer into such sewer until he has paid the entrance charge and obtained a permit in writing from the trustees as aforesaid. All such permits shall be recorded by the clerk of the district in its records before the same are issued.

Sec. 8. Contracts with municipalities authorized. The said district is authorized to contract with persons, corporations, districts and other municipalities both inside and outside the boundaries of the district, including the Ogunquit Village Corporation, to provide for disposal of sewage and commercial and industrial waste through the district's system and through the system of any such person, corporation, district or other municipality; and said Ogunquit Village Corporation is authorized to contract with said district for the collection, distribution and disposal of sewage, surface water and other waste matter, and for said purposes, said village corporation may use the money referred to in the private and special laws of 1913, section 5, as amended.

Sec. 9. Excavation or repair work, closing of ways. Whenever said district shall enter, dig up or excavate any public way or other land for the purpose of

laying its sewers, drains or pipes, constructing manholes or catch basins or their appurtenances, or maintaining the same, or for any other purpose, the work shall be expeditiously done with the least possible interruption, and on completion of the work, the district shall restore said way or land to the condition it was in prior to such work, or to a condition equally as good.

Whenever the character of the work is such as to endanger travel on any public way, the overseers of the Ogunquit Village Corporation, and the municipal officers of adjoining municipalities, whenever the instance may apply, may order a temporary closing of such way, and of any intersecting way, upon request of said district, and the way shall remain closed to public travel until said overseers or municipal officers as the case may be, deem it is restored to a condition safe for traffic.

Sec. 10. Surface water facilities; joint facilities; separation of same. Any other provision of this act to the contrary notwithstanding, the said district shall be under no duty or obligation to construct, maintain, improve, extend or provide drains, pipes, catch basins or any other facilities for storm or surface water drainage, and all drains, pipes, catch basins or other facilities owned by said Ogunquit Village Corporation and used exclusively for storm or surface water drainage shall remain the property of said corporation, and no such drain, pipe, catch basin or other facility shall be transferred to the district to be thereafter maintained and operated by the district without the joint approval of the overseers of said Ogunquit Village Corporation and the trustees of said district. Any sewer or drain owned by said Ogunquit Village Corporation at the time of acceptance of this act and used for both sanitary sewage disposal and storm and surface water drainage shall pass to and be vested in said district, and said district shall be entitled to charge said corporation for the use of the same for storm or surface water drainage at such rates as the trustees may determine. No additional catch basins or other facilities draining into any such combined sewer or drain shall be constructed without the approval of said trustees. If and when the district shall construct and provide a sewer or drain which permits separation of sanitary sewage previously disposed of through any such combined sewer or drain, the said district, by vote of the trustees, shall transfer and convey back to said Ogunquit Village Corporation the facilities for storm and surface water drainage.

Sec. 11. Free access to premises. The officers or agents of the district shall have free access to all premises served by its sewers, at all reasonable hours, for inspection of plumbing and sewage fixtures, to ascertain the quality and quantity of sewage discharged and the manner of discharge, and to enforce the provisions of this act and the rules and regulations prescribed by the trustees hereunder.

Sec. 12. Buildings to connect with sewer if available. Every building within the district intended for industrial business or recreational use or for human habitation, occupancy or use which is located on property abutting on a street or way in which there is a public sewer, or any such building within 150 feet of a public sewer, shall have a house drainage system which shall be caused to be connected with the sewer by the owner or person against whom taxes on the premises are assessed in the most direct manner possible within 90 days after receiving request therefor from the district, or within such further time as the trustees of the district may grant, and, if feasible with a separate connection for each house or building.

Sec. 13. Sanitary provisions and penalty for violations. Any person who shall place, discharge or leave any offensive or injurious matter or material on or in the conduits, catch basins or receptacles of said district contrary to its rules or regulations, or shall willfully injure any conduit, pipe, reservoir, flush tank, catch basin, manhole, outlet, engine, pump or other property held, owned or used by said district for the purposes of this act shall be liable to pay twice the amount of the damages to said district, to be recovered in any proper action; and such person, on conviction of any of said acts or willful injury aforesaid and any person who violates sections 11 or 12, shall be punished by a fine of not more than \$200 or by imprisonment for not more than one year, or by both.

Sec. 14. Trustees and officer; tenure of office; annual meetings; election to office; organization; vacancies; compensation. All of the affairs of said district shall be managed by a board of 3 trustees, residents therein, who shall be chosen as hereinafter provided.

As soon as may be after the acceptance of this act, the overseers of the Ogunquit Village Corporation shall appoint 3 trustees of said district to hold office as follows: One to serve until the first annual meeting of said district following the acceptance of this act; one to serve until the 2nd annual meeting of said district following such acceptance; and one to serve until the 3rd annual meeting of said district following such acceptance.

The annual meeting of the district shall be held on the last Monday of June of each year at such hour and place as may be designated by resolution of the board of trustees as provided in the bylaws.

At each annual meeting of said district, beginning with the first annual meeting after acceptance of this act, one trustee shall be elected by ballot as hereinafter provided to serve until the annual meeting of said district occurring 3 years thereafter and until his successor is elected and qualified. When any trustee ceases to be a resident of said district, he vacates his office as trustee. All trustees, if residents of said district, shall be eligible for re-election or reappointment.

The nomination of all candidates for trustee to be elected as provided by this act shall be by nomination papers signed in the aggregate for each candidate by not less than 25 qualified voters resident in said district. Each voter signing a nomination paper shall make his signature in person, and each voter may subscribe to as many nominations as there are trustees to be elected in said district and no more. Such nomination papers, before being filed, shall be submitted to the clerk of the Ogunquit Sewer District, who shall forthwith certify thereon that number of the signatures which are names of qualified voters resident in said district. One of the signers to each such separate paper shall swear to the truth thereon, and the certificate of such oath shall be annexed to or made upon the nomination papers. Such nomination papers shall be filed with the clerk of the Ogunquit Sewer District not less than 14 days, exclusive of Sundays, previous to the day of such election. With such nomination papers shall also be filed the consent in writing of the person or persons nominated. All nomination papers, being filed and being in apparent conformity with the foregoing provisions, shall be deemed to be valid. If not in apparent conformity, they may be

seasonably amended under oath. In case any candidate who has been duly nominated under the provisions hereof shall die before the day of election, or shall withdraw in writing, or shall remove his place of residence from said district, the vacancy may be supplied in the manner herein provided for such nominations, except that the time limit for filing such nomination papers shall not apply. The name so supplied for the vacancy shall, if the ballots have not been printed, be placed on the ballots instead of the original nomination; or if the ballots have been printed, new ballots containing the new nomination shall, if practical, be furnished, or slips containing the new nomination shall be printed under the direction of the district clerk which shall be pasted upon said ballots and over the name of the candidate whose nomination has been vacated as aforesaid, and thereafter shall become part of said ballots as if originally printed thereon. The ballot in said district shall contain the names of all candidates so nominated in such district alphabetically arranged, printed in one column under the heading "For Trustee of Ogunquit Sewer District". Above such heading shall be printed "Vote for (the number to be elected to be inserted therein). Make a cross or a check mark to the right of the name(s) voted for". As many blank spaces shall be left after the names of the candidates as there are trustees to be elected in which the voter may, by writing, insert the name of any person or persons for whom he desires to vote. In preparing his ballot the voter shall mark a cross (X) or a check mark (✓) against and to the right of such names on the ballot as he desires to vote for, not to exceed the number of trustees so to be elected in said district. The result of such election shall be declared by the trustees of the district and due certificate thereof filed with the clerk of the Ogunquit Village Corporation.

As soon as convenient after their appointment, the first board of trustees shall hold a meeting at some convenient place in the district, to be called by any member thereof in writing, designating the time and place and delivered in hand to the other 2 members not less than 2 full days before the meeting; provided, however, that they may meet by agreement without such notice. At this original meeting the trustees shall organize by electing from their own members a chairman, a treasurer and a clerk and adopting a corporate seal. The trustees may adopt and establish bylaws, consistent with the laws of the State of Maine and necessary for their own convenience and the proper management of the affairs of the district, and perform any other acts within the powers delegated to them by law.

Within one week after each annual election, the trustees shall meet for the purpose of electing a chairman, treasurer and clerk to serve for the ensuing year and until their successors are elected and qualified. The trustees from time to time may choose and employ, and fix the compensation of, any other necessary officers and agents who shall serve at their pleasure. The treasurer shall furnish bond in such sum and with such sureties as the trustees shall approve, the cost thereof to be paid by the district.

Members of the board of trustees shall be eligible to any office under the board. The trustees shall receive a salary of \$200 per year and the treasurer may be allowed such further compensation as the trustees shall determine.

The trustees shall be sworn to the faithful performance of their duties as such, which shall include the duties of any member who shall serve as clerk or

clerk pro tem. They shall make and publish an annual report, including a report of the treasurer, and such report may be included in, and published as part of, the corporation report.

Vacancies in the office of trustee from whatever cause shall be filled by appointment by the remaining trustees until the next annual election. If at any annual election there shall exist a vacancy in an unexpired term, a trustee shall be elected to fill such vacancy for such unexpired term, and the voters of the district shall cast their ballots as hereinbefore prescribed, voting for as many candidates as there are offices to be filled.

Sec. 15. Special meetings; qualifications of voters of district. Special meetings of the district may be called by the board of trustees at any time, and notice of special meetings, stating the place and time thereof and the business to be transacted thereat, shall be signed by the chairman or clerk of the board of trustees and shall be conspicuously posted in at least 2 public places within the district, not less than 7 days inclusive of Sundays, before the meeting. Any such meeting may be adjourned from time to time by vote of the qualified voters present thereat, though less than a quorum, and without notice of the time and place of the adjourned session, other than announcement at the meeting. Eleven persons qualified to vote in such meetings shall constitute a quorum. All meetings of the district shall be presided over by a moderator chosen in the same manner and with the same authority as moderators of town meetings. All persons resident in said district and qualified to vote for Governor under the laws of this State shall be entitled to vote in any meeting of the district, including the meeting for acceptance of this charter. The trustees of said district shall determine who are the legal voters at any meeting, and shall prepare a list of said voters at least 24 hours before every meeting, which said list they may amend or correct at any time before said meeting or during its progress. The vote upon any proposition at any meeting shall be taken and checked by this list upon the demand of 10 legal voters.

Sec. 16. Property tax exempt. The property, both real and personal, rights and franchises of said district shall be forever exempt from taxation.

Sec. 17. Authorized to borrow money, to issue bonds and notes. For accomplishing the purposes of this act, said district, by vote of its board of trustees, without district vote except as hereinafter provided, is hereby authorized to borrow money temporarily and to issue therefor its negotiable notes, and for the purpose for renewing and refunding the indebtedness so created, of paying any necessary expenses and liabilities incurred under this act, including organizational and other necessary expenses and liabilities whether incurred by the district or incurred prior to the organization of the district by the Ogunquit Village Corporation, the district being authorized to reimburse said Ogunquit Village Corporation for any such expense incurred or paid by it, and in acquiring properties, paying damages, laying sewers, drains and conduits, constructing, maintaining and operating a sewage plant or system and making renewals, additions, extensions and improvements to the same and to cover interest payments during the period of construction, said Ogunquit Sewer District, by votes of its board of trustees, without district vote except as hereinafter provided, is also hereby authorized to issue, from time to time, bonds, notes or other evidences of indebtedness of the district in such amount or amounts, bear-

ing interest at such rate or rates, and having such terms and provisions as the trustees shall determine. The total indebtedness of said district at any one time outstanding shall not exceed the sum of \$600,000. In the case of a vote by the trustees to authorize bonds or notes to pay for the acquisition of property, for the cost of a sewage plant or system or part thereof, for renewals or additions or for other improvements in the nature of capital costs, the estimated cost of which singly or in the aggregate is \$30,000 or more, but not for renewing or refunding existing indebtedness or to pay for maintenance, repairs or for current expenses, notice of the proposed debt and of the general purpose or purposes for which it was authorized shall be given by the clerk by publication at least once in a newspaper having a general circulation in the Ogunquit Village Corporation. No debt may be incurred under such vote of the trustees until the expiration of 7 full days following the date on which such notice was first published. Prior to the expiration of said period, the trustees may call a special district meeting for the purpose of permitting the voters of the district to express approval or disapproval of the amount of debt so authorized, and the trustees shall call such a special district meeting, if within 7 days following the publication of the said notice, there shall have been filed with the clerk of the district a petition or petitions signed by not less than 50 qualified voters of the district requesting that such a special district meeting be called. If at such district meeting a majority of voters present and voting thereon expresses disapproval of the amount of debt authorized by the trustees, the said debt shall not be incurred and the vote of the trustees authorizing the same shall be void and of no effect. Said bonds, notes and evidences of indebtedness may be issued to mature serially in annual installments of not less than 2% of the face amount of the issue and beginning not later than 3 years from the date thereof, or made to run for such periods as the trustees may determine, but no issue thereof shall run for a longer period than 40 years from the date of original issue thereof. Bonds, notes or evidences of indebtedness may be issued with or without provision for calling the same prior to maturity; and if callable may be made callable at par or at such premium as the trustees may determine. All bonds, notes or other evidences of indebtedness shall have inscribed upon their face the words "Ogunquit Sewer District", shall be signed by the treasurer and countersigned by the chairman of the board of trustees of the district, and if coupon bonds are issued, the interest coupons attached thereto shall bear the facsimile of the signature of the treasurer. All such bonds, notes and evidences of indebtedness so issued by the district shall be legal obligations of the district, which is hereby declared to be a quasi-municipal corporation within the meaning of the Revised Statutes of 1954, chapter 90-A, section 23, as amended, and all provisions of said section shall be applicable thereto. The said district may, from time to time, issue in one series or in separate series, its bonds, notes and other evidences of indebtedness, for the purpose of paying, redeeming or refunding outstanding bonds, notes or evidences of indebtedness, and each authorized issue shall constitute a separate loan. All bonds, notes and evidences of indebtedness issued by said district shall be legal investments for savings banks in the State of Maine and shall be tax exempt. The said district is authorized and empowered to enter into agreements with the State or Federal Government to grant or loan money to or otherwise assist in the financing of projects such as the district is authorized to carry out, and to accept grants and borrow money from any such government agency, corporation, commission or board as may be necessary or desirable to carry out the provisions of this act.

Sec. 18. Sinking fund provided for. In case any of said bonds or notes are made to run for a period of years, a sinking fund shall be established by the trustees of said district for the purpose of redeeming each issue of said bonds or notes when they become due and beginning not later than the third year following the date of each such issue, a sum equal to not less than 2% of the original face amount of the bonds or notes so issued on account of or in behalf of said district, as aforesaid, shall be turned into said sinking fund each year to provide for the final extinguishment of said district funded debt.

The money set aside for a sinking fund and any increment thereon shall be devoted to the retirement of such issue of notes and bonds, and shall be used for no other purposes, and shall be invested in such securities as savings banks are allowed to hold, provided, however, that any surplus in a sinking fund not required for the retirement of a particular issue of notes or bonds may be transferred to a sinking fund established for any other issue of notes or bonds of the district at the time outstanding or, if there are no such outstanding notes or bonds, for any lawful purpose.

Whenever any bonds or notes of said district for which a sinking fund has been established become due, or can be purchased by said trustees on favorable terms, said trustees shall, if sufficient funds have accumulated in said sinking fund for such issue, redeem or purchase said bonds or notes, and cancel them. In no case shall bonds or notes so cancelled or redeemed be reissued.

In case the amount in said sinking fund shall not be sufficient to pay the total amount of the bonds or notes falling due at any one time, authority to issue new bonds sufficient to redeem so many of said bonds or notes as cannot be redeemed from the sinking fund is hereby granted to said trustees.

Sec. 19. Rates and tolls; application of revenues. All persons, firms and corporations, whether public, private or municipal, shall pay to the treasurer of said district the rates, tolls, rents, entrance charges and other lawful charges established or revised by the trustees for the sewer or drainage service used or available with respect to their real estate, which rates shall be fair and reasonable charges for connection with and for the use of the sewer or drainage service and may include a charge for the district's readiness to serve to be charged against owners of real estate abutting on or accessible to sewers or drains of the district but not actually connected thereto, whether or not such real estate is improved. In establishing or revising such rates, tolls, rents or charges, the trustees may classify the property connected or to be connected with the district's sewerage system and may give consideration to any factors relating to kind, quality or extent of use of any such property or qualification of property including:

- I. The volume of water discharge into the sewerage system;
- II. The type and size of buildings connected with such system;
- III. The number of plumbing fixtures connected with such system;
- IV. The number of persons customarily using the property served by such system;

V. In the case of commercial or industrial property, the average number of employees, customers and guests using the property; and

VI. The quality and character of the material discharged into the sewerage system.

The trustees may establish minimum charges in connection with and for the use of its sewerage system.

Rates, tolls, rents and entrance charges shall be uniform whenever the cost to the district of installation and maintenance of sewers and drains and their respective appurtenances and the cost of service is substantially uniform; but nothing in this act shall preclude the district from establishing a higher rate, toll, rent or entrance charge than the regular rates, tolls, rents and entrance charges in sections where, for any reason, the cost to the district of construction and maintenance, or the cost of service, exceeds the average, but such higher rates, tolls, rents and entrance charges shall be uniform throughout the sections where they apply.

The sewer rates, tolls, rents and entrance charges shall be so established as to provide revenue for the following purposes:

I. To pay the current expenses for operating and maintaining the sewerage system;

II. To provide for the payment of interest on the indebtedness created by the district;

III. To provide each year a sum equal to not less than 1% nor more than 5% of the entire indebtedness created by said district, which sum shall be used to pay serial bonds or notes when due or be turned into a sinking fund and there kept to provide for the extinguishment of said indebtedness;

IV. If any surplus remains at the end of the year, it may be turned into a sinking fund, if any, or held as a reserve to pay maturing serial debt, or if no funded debt of the district is outstanding, for any lawful purpose.

Sec. 20. Assessment against lot benefited. When the district has constructed and completed a common sewer, the trustees may, if they so determine, in order to defray a portion of the expense thereof, determine what lots or parcels of land, whether or not buildings or other structures are located thereon or whether or not they are otherwise improved, are benefited by such sewer, and shall estimate and assess upon such lots and parcels of land, and against the owner thereof, or person in possession or against whom taxes thereon are assessed, whether said person to whom the assessment is so made shall be the owner, tenant, lessee or agent, or against the heirs or devisees of a deceased owner without designating any of them by name and whether the same is occupied or not, such sum not exceeding such benefit as they may deem just and equitable towards defraying the expenses of constructing and completing such sewer, together with such sewage disposal units and appurtenances as may be necessary, the whole of such assessments not to exceed $\frac{1}{2}$ of the cost of such sewer and sewage disposal units. The trustees shall file with the clerk of the district a plan showing the location of such sewer and sewage disposal units, and their assessment roll con-

taining a statement of the amount assessed upon each lot or parcel of land so assessed, a description of each lot or parcel, and the name of the person against whom said assessment is made, and the clerk of such district shall record the same in a book kept for that purpose, and each person so assessed shall be notified of such assessment by having an authentic copy of said assessment roll, with an order or notice signed by the clerk of said district, stating the time and place for a hearing upon the subject matter of said assessments, given to each person so assessed or left at his usual place of abode in said district at least 10 days before said hearing, or by mailing the same to each person so assessed by certified mail addressed to his last known address and by publishing the same once a week, for 3 successive weeks in any newspaper of general circulation in said district, said mailing and the last such publication to be at least 30 days before the hearing. A return made upon a copy of such notice by a sheriff or his deputy or by any constable in the Town of Wells or said Ogunquit Village Corporation or the production of the paper containing such notice or the certificate of the clerk of mailing or publication shall be conclusive evidence that said notice has been given, and upon such hearing the trustees shall have power to revise, increase or diminish any of such assessments, and any such revisions, increases or diminutions shall be in writing and recorded by the clerk of the district. Supplemental assessments may be made within 5 years from the date of any assessment roll whenever it appears any lot or parcel of land benefited has been omitted from the assessment or said assessment, or any part thereof, is invalid or void for any reason. The trustees for the time being may make such supplemental assessment according to the procedure and the principles of the original assessment, and such supplemental assessment shall be valid even though it may, when added to the original, exceed $\frac{1}{2}$ of the cost of the sewer and sewage disposal units.

Sec. 21. Right of appeal. Any person aggrieved by the decision of said trustees as it relates to any assessment for sewer construction shall have the same rights of appeal as are provided in the case of laying out of town ways.

Sec. 22. Assessments; lien; sheriff's sale. All assessments and supplemental assessments made under section 20 shall create a lien upon each and every lot or parcel of land so assessed and the buildings upon the same, which lien shall take effect when the trustees file with the clerk of the district the completed assessment roll, and shall continue for one year thereafter or for one year after the termination of any appeal; and within 10 days after the date of hearing on said assessment, the clerk of the district shall make out a list of all such assessments, the amount of each, and the name of the person against whom the same is assessed, and he shall certify the list and deliver it to the treasurer of said district. If said assessments are not paid within 3 months from the date thereof, the treasurer may bring civil action for the collection of said assessment in the name of the district against the person against whom said assessment is made. Such action shall be begun by writ of attachment commanding the officer serving it to specially attach the real estate upon which the lien is claimed, which shall be served as other writs of attachment to enforce liens on real estate. The declaration in such action shall contain a statement of such assessment, a description of the real estate against which the assessment is made, and an allegation that a lien is claimed on said real estate to secure the payment of the assessment. If no service is made upon the defendant or it shall appear that any other per-

sons are interested in such real estate, the court shall order such further notice of such action as appears proper, and shall allow such other persons to become parties thereto. If it shall appear upon trial of such action that such assessment was legally made against said real estate, and is unpaid, and that there is an existing lien on said real estate for the payment of such assessment, judgment shall be rendered for such assessment, interest and costs of suit against the defendants and against the real estate upon which the assessment was made, and execution issued thereon to be enforced by sale of such real estate in the manner provided for a sale on execution of real estate attached on original writs; provided that in making said sale, the officer shall follow the procedure in selling and conveying and there shall be the same rights of redemption as are provided in the Revised Statutes of 1954, chapter 91-A, section 87, as amended.

Sec. 23. Additional method of collection of assessments. If assessments under section 20 are not paid and said district does not proceed to collect unpaid assessments by a sheriff's sale of the real estate upon which such assessments are made under section 22, or does not collect or is in any manner delayed or defeated in collecting such assessments by a sheriff's sale of said real estate under section 22, then the treasurer, in the name of said district, may maintain a civil action against the party so assessed for the amount of said assessment, as for money paid, laid out and expended, in any court of competent jurisdiction, and in such suit may recover the amount of such assessment, with interest at the rate of 10% per year on the same from the date of said assessment, and costs.

Sec. 24. Assessments paid by other than owner, how recovered. When any assessment under section 20 shall be paid by any person against whom such assessment has been made, who is not the owner of such lot or parcel of land, then the person so paying the same shall have a lien upon such lot or parcel of land with the buildings thereon for the amount of said assessment so paid by said person, and incidental charges, which lien shall continue for one year and which lien may be enforced in a civil action as for money paid, laid out and expended, and by attachment in the way and manner provided for the enforcement of liens upon buildings and lots under the Revised Statutes of 1954, chapter 178.

Sec. 25. Lien certificate; procedure. Liens on lots or parcels of land created by section 22, in addition to other methods established by law, may be enforced in the following manner.

The treasurer may, after the expiration of 8 months and within 1 year after the date of the assessment roll or termination of any appeal, give to the person against whom said assessment is made, or leave at his last and usual place of abode, or send by certified mail to his last known address, a notice in writing signed by said treasurer stating the amount of such assessment, describing the real estate on which the assessment is made, alleging that a lien is claimed on said real estate to secure the payment of the assessment and demanding the payment of said assessment within 10 days after service or mailing of such notice. In the case of supplemental assessments, said treasurer may give such notice after the expiration of 8 months and within 1 year after the date of the supplemental assessment roll or termination of any appeal therefrom. If an owner or occupant of real estate against whom any assessment is made shall die before such demand is made on him, such demand may be made upon the executor or administrator of his estate or upon any of his heirs or devisees.

After the expiration of said 10 days and within 10 days thereafter, the treasurer shall record in the registry of deeds of York County, a tax lien certificate signed by said treasurer setting forth the amount of such assessment, a description of the real estate on which the assessment is made and an allegation that a lien is claimed on said real estate to secure the payment of said assessment, that a demand for payment of said assessment has been made in accordance with the provisions of this action, and that said assessment remains unpaid. When the real estate of a deceased person has been assessed to his heirs or devisees without designating any of them by name it will be sufficient to record in said registry a lien certificate in the name of the heirs or the devisees of said decedent without designating them by name.

At the time of the recording of the lien certificate in the York County registry of deeds as herein provided in all cases the treasurer shall file in the office of the district a true copy of the lien certificate and shall send by certified mail to each record holder of a mortgage on said real estate, to his last known address, a true copy of the lien certificate.

The cost to be paid by the person assessed shall be \$1 plus the recording fees and registered mail fees paid for sending the true copies of the lien certificate.

The filing of the lien certificate in the registry of deeds shall create a mortgage on said real estate to the district having priority over all other mortgages, liens, attachments and encumbrances of any nature, except claims for municipal taxes, and shall give to said district all the rights usually incident to a mortgagee, except that the district shall not have any right of possession of said real estate until the right of redemption hereinafter provided for shall have expired.

The filing of the certificate in the registry of deeds shall be sufficient notice of the existence of the mortgage.

In the event that said assessment, interest and costs shall be paid within 12 months after the filing of the lien certificate in the registry of deeds, the treasurer shall prepare and record a discharge of the mortgage in the same manner as is now provided for the discharge of real estate mortgages.

If the mortgage, together with interest and costs, shall not be paid within 12 months after the date of the filing of the lien certificate in the registry of deeds, the said mortgage shall be deemed to have been foreclosed and the right of redemption to have expired.

The lien certificate, or a certified copy of the registry record thereof, shall be prima facie evidence in all courts in all proceedings by and against the district, its successors and assigns, of the truth of the statements therein and after the period of redemption has expired, of the title of the district to the real estate therein described, and of the regularity and validity of all proceedings with reference to the acquisition of title by such mortgage and the foreclosure thereof.

Sec. 26. Lien for payment of rates. There shall be a lien on real estate served or benefited by the sewers of the district to secure the payment of rates established and due under section 19, which shall take precedence of all other

claims on such real estate, excepting only claims for taxes. Real estate for the purposes of this act shall have the same definition as given in the Revised Statutes of 1954, chapter 91-A, section 4, as amended.

The treasurer of the district shall have full and complete authority and power to collect the rates, tolls, rents and other charges established under section 19 and due and payable to the district. The treasurer may, after demand for payment, sue in the name of the district in a civil action for any rate, toll, rent or other charge remaining unpaid in any court of competent jurisdiction. In addition to other methods established by law for the collection of rates, tolls, rents and other charges, and without waiver of the right to sue for the same as aforesaid, the lien hereby created may be enforced in the following manner. Whenever any rate, toll, rent or other charge has become payable by the first day of January of any year and remains unpaid, the treasurer may, during the month of January, give, or cause to be given to the person against whom the rate, toll, rent or other charge is assessed, or leave or cause to be left at his last and usual place of abode, or send by certified mail to his last known address, a notice in writing signed by the treasurer stating the amount of such rate, toll, rent or other charge, and the periods for which they are payable, describing the real estate upon which the lien is claimed, and stating that a lien is claimed on said real estate to secure the payment of said rate, toll, rent or other charge and demanding within 10 days after the service of such notice or mailing of such notice payment as aforesaid. If the person from whom any rate, toll, rent or other charge is payable shall die before such demand is made on him, such demand may be made upon the executor or administrator of his estate or upon any of his heirs or devisees. After the expiration of said period of 10 days and on or before February 20th of such year, the treasurer shall record in the registry of deeds of York County a certificate signed by the treasurer setting forth the amount of such rate, toll, rent or other charge, describing the real estate on which the lien is claimed, and stating that a lien is claimed on the real estate to secure payment of said rate, toll, rent or other charge and that a notice and demand for payment of the same has been given or made in accordance with the provisions of this section and stating further that such rate, toll, rent or other charge remains unpaid. At the time of the recording of the certificate in the registry of deeds as therein provided, the treasurer shall file in the office of the district a true copy of such certificate and shall mail a true copy thereof by certified mail to each record holder of any mortgage on said real estate, addressed to such record holder at his last known address. The fee to be charged by the district to the rate payer for such notice and filing shall not exceed \$1.50 and the fee to be charged to the district by the register of deeds for filing and recording shall not exceed \$1.

The filing of the aforesaid certificate in the registry of deeds as aforesaid shall be deemed to create, and shall create, a mortgage on the real estate therein described to the district which shall have priority over all other mortgages, liens, attachments and encumbrances of any nature, except liens, attachments and claims for taxes, and shall give to the district all the rights usually possessed by mortgagees, except that the district as mortgagee shall not have any right to possession of said real estate until the right of redemption hereinafter provided for shall have expired. If the mortgage, together with interest and costs, shall not have been paid within 18 months after the date of filing of said certificate in the registry of deeds as herein provided, the mortgage shall be deemed

to have been foreclosed and the right of redemption to have expired. The filing of the certificate in the registry of deeds shall be sufficient notice of the existence of the mortgage hereby provided for. In the event that said rate, toll, rent or other charge, with interest and costs as aforesaid, shall be paid within the period of redemption herein provided for, the treasurer of the district shall discharge the mortgage in the same manner as is provided for discharge of real estate mortgages.

Sec. 27. Construction of this act; bylaws and regulations authorized; incidental powers and rights. This act shall be construed as authorizing a charge by said district for the use of sewers, sewer systems and treatment works in addition to any other assessments now lawfully imposed by general law. The trustees may adopt such rules and regulations as may be necessary or convenient to carry out the provisions of this act. All incidental powers, rights and privileges necessary to the accomplishment of the main objects of this act as set forth herein are granted to said district; including the right of the trustees to determine when and where sewerage facilities are most needed, and when and how sewers shall be built.

The provisions of this act shall be severable and if any phrase, clause, sentence or provisions of this chapter, or the application thereof to any person or circumstance is held invalid, the remainder of the chapter and the application thereof to other persons or circumstances shall not be affected thereby.

Sec. 28. Existing statutes not affected; rights conferred subject to provisions of law. Nothing herein contained is intended to repeal or shall be construed as repealing the whole or any part of any existing statute, and all the rights and duties herein mentioned shall be exercised and performed in accordance with any applicable provisions of the Revised Statutes of 1954, chapters 44 and 79, and any acts amendatory thereof or additional thereto.

Sec. 29. P. & S. L., 1913, c. 203, § 2, amended. The first paragraph of section 2 of chapter 203 of the private and special laws of 1913, as amended by chapter 120 of the private and special laws of 1931, is hereby amended to read as follows:

'Said corporation is hereby authorized and vested with the power, at any legal meeting called for the purpose, to apportion and designate the uses to which the money referred to in section 5 hereof shall be put, said uses for said moneys and said purposes being among other things as follows: To create and maintain a fire department with all the necessary equipment, appliances and apparatus for the prevention and extinguishment of fires; to build, maintain and repair roads, streets and ways, sidewalks, storm sewers and ~~other sanitary works, including~~ the collection and removal of offal and garbage, ~~but not sanitary sewers or other sewerage treatment facilities authority to construct and maintain which has been granted to Ogunquit Sewer District;~~ to care for and beautify that portion of the corporate territory of Ogunquit which may hereafter be reserved for and dedicated to public uses to be enjoyed in common by all the inhabitants of said Ogunquit Village Corporation, and to that end to build roads and walks upon and to said public lands, and to plant and care for trees in the roads and streets and upon said public lands; to build, repair and maintain public wharves and landings; to widen, deepen, extend and maintain the channel of the Josias river between Flat Pond and the sea, and to widen,

deepen and enlarge Flat Pond; and for said purposes to take and acquire by purchase or by eminent domain, between the Mayo Falls, so called, and the sea, any marshland along or through which said river flows, and any land lying on either side of said river from the thread of the stream to a line not more than 50 feet from mean high water mark, and said corporation may exercise the right of eminent domain in the taking of land along said river for the purposes herein specified, in the same manner as provided in chapter 27 of the Revised Statutes, for the ascertainment of damages in the location and establishment of highways; provided, that application by either party in interest for the determination of damages shall be made within three years after the land is so taken; to establish and maintain police and night watch; to procure water for fire, domestic and other purposes, and to procure light for public use and for the use of the inhabitants of said village corporation; said village corporation shall so long as the present water contract continues to pay its proportion of the total expense therefor to the Town of Wells, and upon the expiration of said contract shall have authority to contract therefor with such other firm or corporation as it sees fit, providing said town neglects or refuses after reasonable time for so doing; said town may contract for water for said purposes, and if said town shall contract said corporation shall pay its portion of its expense for the same. And for the purposes of obtaining light as above mentioned, said village corporation shall have authority to contract with any individual, firm or corporation to furnish such light for either or both of the purposes above mentioned.'

Referendum; effective date; certificate to Secretary of State. In view of the emergency recited in the preamble, this act shall take effect when approved, only for the purpose of permitting its submission to the legal voters of the Ogunquit Village Corporation at an annual or special meeting. Such special meeting shall be called, advertised and conducted by the municipal officers of said Ogunquit Village Corporation according to the law relating to its municipal elections; provided that the Village Corporation clerk shall not be required to post a new list of voters, and for the purpose of registration of voters the board of overseers shall be in session on the secular day next preceding any such special meeting. The Ogunquit Village Corporation clerk shall prepare the required ballots, on which he shall reduce the subject matter of this act to the following question: "Shall the Act to Create the Ogunquit Sewer District, passed by the 101st Legislature, be accepted?" The voters shall indicate by a cross or check mark placed against the words "Yes" or "No" their opinion of the same.

This act shall take effect for all the purposes hereof immediately upon its acceptance by a majority of the legal voters voting at said annual or special meeting; provided the total number of votes cast for and against the acceptance of this act at said meeting equals or exceeds 10% of the total vote for all candidates for Governor in said village corporation at the next previous gubernatorial election; but failure of approval at such meeting shall not prevent resubmitting this act for acceptance at any annual or special corporation meeting held within 2 years from the effective date hereof, in the same manner as above provided, notwithstanding an earlier vote against such acceptance.

The result of each such vote shall be declared by the municipal officers and due certificate thereof filed by the village corporation clerk with the Secretary of State.
