The registrar of voters shall make and provide a separate check list for such of the voters within said district as are then legal voters therein, and all warrants issued to said district shall be varied accordingly to show that only such voters therein are entitled to vote thereon. Such election shall be called, advertised and conducted according to the law relating to municipal elections; providing, however, that the registrar of voters shall not be required to prepare nor the town clerk to post a new check list of voters, and for this purpose said registrar of voters shall be in session the 2 secular days next preceding such election, the first day thereof to be devoted to the registration of voters and the last day to enable the registrar of voters to verify the corrections of said list and to complete and close up the records of said sessions. The town clerk shall reduce the subject matter of this act to the following question: "Shall the Act to Increase the Indebtedness of the Veazie Sewer District, be accepted?"
