PUBLIC LAWS
OF THE
STATE OF MAINE
AS PASSED BY THE
One Hundred and Second Legislature
1965

The percentage of aid to a community school district qualifying under this section shall be determined by dividing the total state valuation of the member towns of the district by the total average resident pupils of the last 2 enrollment reports as reported on April 1st annually by the member towns of the district. The average per pupil valuation thus determined shall be applied to Table II of section 3723 to determine the percentage of construction aid.

The term "community school district" as used herein shall include any type of school district consisting of more than one administrative unit operating a secondary school except a School Administrative District.'
