Chapter 136

AN ACT Appropriating Moneys to Maine Port Authority for Liability Insurance Premiums.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Maine Port Authority has suffered the cancellation of its Warehouseman's Legal Liability Insurance Policy, insuring it against any liability which might arise from its acting as warehouseman or bailee in its activities at the Maine State Pier and related facilities; and

Whereas, while all real and personal property owned by the Maine Port Authority is considered the property of the State of Maine, by law, its personal property may be seized on execution if a judgment recovered against it is not paid within 30 days; and

Whereas, a Warehouseman's Legal Liability Insurance Policy would protect the Maine Port Authority against such liability, and the attendant possible loss of its personal property; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine, and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Any balance of this appropriation shall not lapse but shall remain a continuing carrying account for the same purpose until June 30, 1972.
