## CHAPTER 109

### AN ACT to Ensure that the Uniform Property Tax Rate Conforms to Limits on Educational Funding Established by Statute.

**Emergency preamble.** Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, there has been a recent increase in the state valuation; and

Whereas, the present statutory mill tax rate will probably produce more than ½ of the total cost of education and therefore will be in violation of the Revised Statutes, Title 20, section 3747; and

Whereas, inadvertently a conflict between the existing mill tax rate and that provided under Title 20, section 3747 has been created which the Legislature must resolve; and

Whereas, in the judgment of the Legislature, these facts create an emer-

gency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

*Be it enacted by the People of the State of Maine, as follows:*

36 MRSA § 451, sub-§ 2, as enacted by PL 1975, c. 660, § 5, is amended to read:

2. **Uniform property tax.** Pursuant to the Maine Constitution, Article VIII, Part First, and in addition to subsection 1, a uniform property tax is assessed which shall be determined as follows. The Legislature shall annually, prior to April 1st, enact legislation establishing the uniform property tax rate. The uniform property tax rate shall be 13 mills for the period beginning July 1, 1976, and ending June 30, 1977 and ~~12.5 mills thereafter~~. After January 1, 1977, the Legislature shall set the uniform property tax rate in accordance with Title 20, section 3747. The rate shall be applied to the state valuations of each municipality and property in the unorganized territory.
