1-A. Air ambulance. "Air ambulance" means any aircraft that is designed or constructed or used or intended to be used by an air ambulance service for the transportation of patients. The licensing of such aircraft is in addition to the registration by the Department of Transportation, Bureau of Aeronautics. For purposes of this chapter, no aircraft of the Maine Army National Guard or the Armed Forces of the United States Government shall be considered air ambulances.

Sec. 2. 32 MRSA § 72, sub-§ 3, last 2 sentences, as repealed and replaced by PL 1975, c. 698, § 1, are amended to read:

All ambulances shall carry at least one licensed personnel or a physician or an osteopathic physician or a certified registered physician assistant under the direction of his supervisory physician or a registered nurse or licensed practical nurse. The licensed personnel, physician, osteopathic physician, certified registered physician assistant, registered nurse or licensed practical nurse must at all times be physically present in that section of the ambulance where the patient is placed.

For purposes of this chapter, the Maine Army National Guard and the Armed Forces of the United States Government shall not be considered air ambulance services.

Sec. 4. 32 MRSA § 72, sub-§ 5, as amended by PL 1975, c. 293, § 4, is repealed and the following enacted in its place:

5. Board. "Board" means the advisory board to the Department of Human Services for licensure of ambulance services and air ambulance services, ambulance and air ambulance vehicles and ambulance personnel.

There shall be an advisory board to the Department of Human Services for licensure of ambulance services and air ambulance services, vehicles, aircraft, vehicles and personnel, consisting of 12 members appointed by the Governor.

Sec. 6. 32 MRSA § 73, sub-§ 1, as amended by PL 1975, c. 293, § 4, is further amended by adding after the 3rd sentence 2 new sentences to read:

One member shall be an attorney. One member shall be a professional or a practical nurse.

Sec. 7. 32 MRSA § 73, sub-§ 2, as enacted by PL 1971, c. 544, § 113, is repealed and the following enacted in its place:
