CHAPTER 87

RESOLVE, Authorizing Beverly Mortimer and Dennis Perkins to Bring Civil Action Against the State of Maine

Emergency preamble. Whereas, Acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, with the passage of time, the plaintiff's ability to discover material facts, which would otherwise aid them in establishing their claim and insure that justice will be done, will be impaired; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Beverly Mortimer and Dennis Perkins to bring civil action against State. Resolved: That Beverly Mortimer, individually and as natural guardian and next friend of the minor child Dennis Perkins, is authorized to bring suit against the State for injuries to Dennis Perkins which are alleged to have occurred while he was in the custody of the State on or about October 2, 1976 in Limerick, Maine; and for which it is alleged the State is liable because of its negligence.

Such action, if authorized, is to be brought in the Superior Court for the County of Cumberland within one year from the passage of this resolve against the State of Maine for damages, if any, and the conduct of such action shall be according to the practice of actions or proceedings between parties in the Superior Court. Other parties may be joined with the State as defendants in this action. The
