CHAPTER 74

S. P. 658 — L. D. 1698

AN ACT to Establish the Boundary between Rockport and Rockland.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, there is presently some question concerning the proper boundary between Rockport and Rockland; and

Whereas, unless the boundary is established immediately it will not be possible to determine in which municipality certain land lies and in which municipality that land should be taxed; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Boundary lines; established between Rockport and Rockland.
