Constitutional amendment. RESOLVED: Two thirds of each branch of the Legislature concurring, that the following amendments to the Constitution of Maine be proposed:

Constitution, Article IV, Pt. 1, §2 is amended to read:

Section 2. Number of Representatives; biennial terms; division of the State into districts for House of Representatives. The House of Representatives shall consist of 151 members, to be elected by the qualified electors, and hold their office 2 years from the day next preceding the first Wednesday in December following the general election. The Legislature which convenes in 1983 and every 10th year thereafter shall cause the State to be divided into districts for the choice of one Representative for each district. The number of Representatives shall be divided into the number of inhabitants of the State exclusive of foreigners not naturalized according to the latest Federal Decennial Census or a State Census previously ordered by the Legislature to coincide with the Federal Decennial Census, to determine a median mean population figure for each Representative District. Each Representative District shall be formed of contiguous and compact territory and shall cross political subdivision lines the least number of times necessary to establish as nearly as practicable equally populated districts. Whenever the population of a municipality entitles it to more than one district, all whole districts shall be drawn within municipal boundaries. Any population remainder within the municipality shall be included in a district drawn to cross the municipal boundary, provided that such population remainder of the municipality must be contiguous to another municipality or municipalities included in the district with contiguous territory and shall be kept intact.

Constitution, Article IV, Pt. 1, §3, first ¶ is amended to read:
Section 3. The apportionment plan of the commission established under Article IV, Part Third, Section 1-A shall be submitted to the Clerk of the House no later than 90 120 calendar days after the convening of the Legislature in which apportionment is required. In the preparation of legislation implementing the plan, the commission, following a unanimous decision by commission members, may adjust errors and inconsistencies in accordance with the standards set forth in this Constitution, so long as substantive changes are not made. The Legislature shall enact the submitted plan of the commission or a plan of its own by a vote of two thirds of the Members of each House within 30 calendar days after the plan of the commission is submitted. Such action shall be subject to the Governor's approval as provided in Article IV, Part Third, Section 2.

Constitution, Article IV, Pt. 2, §2, 2nd ¶ is amended to read:

The apportionment plan of the commission established under Article IV, Part Third, Section 1-A shall be submitted to the Secretary of the Senate no later than 90 120 calendar days after the convening of the Legislature in which apportionment is required.
