pollution; the expense of purchasing and installing the same, and such other evidence as in the board's judgment will enable it to determine and establish the recommend to the Legislature standards of air quality necessary to prevent air pollution within the region.

The board shall by order establish or may amend reasonable ambient air quality standards for the region, regulating and limiting the amount and type of air contaminants which may exist in the ambient air of that region, which standards shall be designed to achieve the purposes set forth in this section. The order shall state the date upon which the standards, or any of them, become effective, and such regions and standards shall thereafter be in effect until 90 days after the date of adjournment of the next regular session of the Legislature unless the next regular session shall adopt by legislative enactment the air quality regions and standards.

In establishing such effective date, the board shall consider the degree of air pollution existing within the region, the length of time necessary to inform persons affected by the establishment of such standards of their existence, the time needed by the board to implement effective controls, and the time needed by persons affected to design and install air pollution control apparatus to comply with such standards.

Sec. 2. 38 MRSA §585, 3rd ¶, as amended by PL 1983, c. 566, §38, is further amended to read:

The board shall by order establish or may amend emission standards limiting and regulating the amount and type of air contaminants which may be emitted to the ambient air of a region so as to achieve the goals set forth in this section. The order shall state the date upon which the standards, or any of them, become effective, and such regions and standards shall thereafter be in effect until 90 days after the date of adjournment of the next regular session of the Legislature unless the next regular session shall adopt by legislative enactment the air quality regions and standards.

Sec. 3. 38 MRSA §585, last ¶, as amended by PL 1987, c. 878, §2, is repealed.

Sec. 4. 38 MRSA §585-A, as amended by PL 1987, c. 878, §3, is further amended to read:

§585-A. Establishment of standards

The board may, after the establishment of ambient air quality standards and emission standards, establish and amend reasonable standards and regulations to implement ambient air quality standards and emission standards established by the board. Such standards and these regulations shall be designed to achieve and maintain ambient air quality standards and emission standards within any region and the prevention of prevent air pollution.

Prior to the establishment or amendment of the standards and rules, the board shall offer an opportunity for a public hearing thereon in accordance with the Maine Administrative Procedure Act, Title 5, chapter 375. The board shall solicit and consider all available information concerning applicable ambient air quality and emission standards; the availability, effectiveness and cost of any air pollution control apparatus designed to prevent or control air pollution or violations of ambient air quality or emission standards which would be required by any proposed standards or rules; and such other evidence as in the board's judgment will enable it to determine and establish standards and rules adequate to maintain applicable ambient air quality and emission standards.

The board shall by order establish or amend reasonable standards and rules which shall be designed to achieve the purposes set forth in this section. The order shall state the date upon which the standards and rules, or any of them, become effective, and the standards shall thereafter be in effect until 90 days after the date of adjournment of the next regular session of the Legislature unless the next regular session shall adopt by legislative enactment the standards.

Sec. 5. 38 MRSA §585-B, sub-§1 and 3, as enacted by PL 1983, c. 535, §2, are amended to read:

1. Standards. The board may establish and amend reasonable emission standards for hazardous air pollutants, and regulations to implement these standards. If emission standards are not feasible, the board may adopt design, equipment, work practice or operational standards for activities emitting hazardous pollutants.

3. Relation to ambient standards. The board may control hazardous air pollutants without establishing ambient air standards for those pollutants if no ambient air quality standards have been established for those pollutants.

Sec. 6. 38 MRSA §585-B, sub-§4, as enacted by PL 1983, c. 535, §2, is repealed.

**CHAPTER 147**

S.P. 426 - L.D. 1137

An Act to Amend Certain Provisions of the Maine Bail Code

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 15 MRSA §1023, sub-§7, as enacted by PL 1987, c. 758, §20, is amended to read:

7. Mandatory training. As a condition of appointment and continued service, a bail commissioner must successfully complete a bail training program, as prescribed and scheduled by the Chief Judge of the District Court, not later than one year following appointment. The Maine Criminal Justice Academy shall provide assistance to the Chief Judge of the District Court in establishing an appropriate training program for bail commissioners. The program shall include instruction on the provisions of this chapter, the relevant constitutional provisions on bail and any other matters pertinent to bail that the Chief Judge of the District Court considers appropriate and necessary. The Chief Judge of the District Court may establish a continuing education program for bail commissioners.

Sec. 2. 15 MRSA §1026, sub-§6 is enacted to read:

6. Initial appearance in court. Nothing contained in this chapter may be construed as limiting the authority of a judge or justice to consider the issue of preconviction bail at a defendant’s initial appearance in court.

Sec. 3. 15 MRSA §1029, sub-§2, as enacted by PL 1987, c. 758, §20, is amended to read:

2. Standard of review. With respect to the finding of probable cause to believe that the defendant committed a formerly capital offense, the finding of the lower court shall be upheld, unless it is clearly erroneous provided there is an adequate record for purposes of review. With respect to all other issues or with respect to the issue of probable cause when the record is inadequate for review, the review shall be de novo. The parties shall cooperate to expeditiously assemble a record for review.

Sec. 4. 15 MRSA §1071, sub-§1, ¶B, as enacted by PL 1987, c. 758, §20, is amended to read:

B. The certificate shall remain on file with the original papers in the case and a certified copy shall be transmitted by the magistrate judicial officer taking the bail to the clerk of court before which the defendant is to appear.

Sec. 5. 15 MRSA §1072, sub-§1, as enacted by PL 1987, c. 758, §20, is amended to read:

1. Preconviction. Each surety for a defendant admitted to preconviction bail is responsible for the appearance of the defendant at all times until a verdict or finding or plea of guilty, unless the surety has sooner terminated the agreement to act as surety and has been relieved of the responsibility in accordance with section 1073.

In no case may a preconviction surety be responsible for the appearance of a defendant after conviction, unless the surety
