An Act to Protect Reproductive Privacy in Maine

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 22 MRSA §1597, as enacted by PL 1979, c. 413, is repealed.

Sec. 2. 22 MRSA §1598, sub-§1, as enacted by PL 1979, c. 405, §2, is amended to read:

1. Policy. It is the public policy of the State that an abortion after viability to be except as provided in section 1597-A. After viability an abortion may be performed only when it is necessary to preserve the life or health of the mother. It is also the public policy of the State that all abortions may only be performed only by a physician.

Sec. 3. 22 MRSA §1599, as reallocated by PL 1979, c. 663, §133, is repealed.

Sec. 4. 22 MRSA §1599-A is enacted to read:

§1599-A. Informed consent to abortion

1. Consent by the woman. A physician may not perform an abortion unless, prior to the performance, the attending physician certifies in writing that the woman gave her informed written consent, freely and without coercion.

2. Informed consent. To ensure that the consent for an abortion is truly informed consent, the attending physician shall inform the woman, in a manner that in the physician's professional judgment is not misleading and that will be understood by the patient, of at least the following:

A. According to the physician's best judgment she is pregnant;

B. The number of weeks elapsed from the probable time of the conception;

C. The particular risks associated with her own pregnancy and the abortion technique to be performed; and

D. At the woman's request, alternatives to abortion such as childbirth and adoption and information concerning public and private agencies that will provide the woman with economic and other assistance to carry the fetus to term, including, if the woman so requests, a list of these agencies and the services available from each.
