CHAPTER 160**H.P. 694 - L.D. 935****An Act Concerning Suspension of Registrations under the Operating-under-the-influence Laws****Be it enacted by the People of the State of Maine as follows:****Sec. 1. 29 MRSA §2241-H, first ¶,** as amended by PL 1991, c. 436, is further amended to read:

In the case of any conviction or adjudication under former section 1312, subsection 10; section 1312-B; 1312-C; 1314 or for any offense for which the suspension of a license or the right to operate a motor vehicle or the right to apply for or obtain a license is required by law or in any case in which the court suspends a license under section 2305, the court shall inform the defendant of the suspension and the defendant shall acknowledge this notice in writing on a form to be provided by the court. The court shall suspend the right to register a motor vehicle and all registration certificates and plates issued by the Secretary of State to any person convicted for a violation of section 1312-B who has a previous conviction for a violation of former section 1312, subsection 10; former section 1312-B; or section 1312-B within the 6-year period defined by section 1312-B, subsection 2, paragraph F. Notwithstanding this requirement, if a spouse or other family member regularly using a vehicle subject to suspension of registration establishes to the satisfaction of the court that hardship will result from that suspension, the court need not suspend the registration certificates and plates or the right to register that vehicle. The court, as part of its sentence, unless the defendant appeals and a stay of execution of the suspension is granted, shall take any license certificate issued by this State from the person convicted or adjudicated or any license certificate issued by another state, foreign country or province from the person convicted or adjudicated if that person is residing, domiciled or employed in this State. The court, as part of its sentence, unless the defendant appeals and a stay of execution of the suspension is granted, may take from the person convicted or adjudicated any license certificate issued by another state or foreign country or province if the person is not residing, domiciled or employed in this State. At sentencing, the court, upon reasonable cause shown, may stay the suspensions for a period not to exceed 4 hours from the time of sentencing. The court may issue such evidence of that stay as it determines necessary. The court shall forward the license certificate, a copy of the sentence and the acknowledgment of notice by mail to the Secretary of State, and the court shall order the defendant to return the suspended registration certificate and plates to the Secretary of State, unless hardship has been established and suspension is therefore not required. The Secretary of State shall re-

turn the certificate of registration and plates to the defendant when the defendant's license and operating and registration privileges have been restored.
