CHAPTER 455

H.P. 1018 - L.D. 1364

An Act to Promote State Savings through the Efficient Utilization of Funds

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §642, sub-§2, as amended by PL 1991, c. 780, Pt. Y, §30, is further amended to read:

2. Employee Suggestion System Board. The Employee Suggestion System Board is composed of the Commissioner of Administrative and Financial Services and 2 other commissioners of their respective state departments to be appointed by the Governor.

The Bureau of Human Resources is responsible for administering the program, and shall assign one capable, highly experienced employee of the bureau to manage the program on a day-to-day basis. That employee may also have assignments not related to this program.

The board shall elect a chair and shall adopt rules governing the proceedings, including criteria for making awards. The board shall approve each award made.

No later than March 1st of each year, the board shall submit to the joint standing committee of the Legislature having jurisdiction over state government matters and the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs a detailed report of its activities for the preceding calendar year, including information on the number and nature of suggestions received and awards made.

Sec. 2. 5 MRSA §642, sub-§§4-B, 4-C and 8 are enacted to read:

4-B. Reductions in service. An award may not be approved by the board that generates savings through a reduction of services, unless it is an identified duplication of services.

4-C. Maximum cash award for fiscal years 1993-94 and 1994-95. For the fiscal years ending June 30, 1994 and June 30, 1995 the maximum cash award approved is limited to 10% of the first year's estimated savings, or \$10,000, whichever is less. Except as provided in subsection 4-A, an award may not be made for any suggested savings of less than \$250. Any cash awards approved by the board must be charged against the fund or funds to which estimated savings apply. If it is not possible to reasonably estimate the savings, the board may pay an initial amount and pay an additional amount at the end of the first year, or may pay the full amount at the end of the first year.

This subsection is repealed June 30, 1995.

8. Promotion. The board shall ensure that all employees are aware of the Employee Suggestion System including the potential award amounts.

See title page for effective date.
