(7) When there are unexpired collective bargaining agreements with different expiration dates in the merged bargaining units described in subparagraphs (4), (5) and (6), all contracts must be honored to their expiration dates unless mutually agreed to otherwise by the public employer and the bargaining agent. Collective bargaining agreements must be bargained on an interim basis in any merged bargaining unit so that all collective bargaining agreements expire on the same date.

(8) When bargaining units with different bargaining agents must be merged into a single regional school unit-wide bargaining unit pursuant to this subsection, the bargaining agent of the merged bargaining unit must be selected in accordance with Title 26, section 967, except as modified in this subparagraph.

(a) A petition for an election to determine the bargaining agent must be filed with the Maine Labor Relations Board by any of the current bargaining agents or the regional school unit.

(b) The petition must be filed not more than 90 days prior to ~~the expiration date of the agreement having the latest expiration date among the bargaining units that will be merged into the regional school unit-wide bargaining unit~~ August 31, 2012.

(c) The election ballot may contain only the names of the bargaining agents of bargaining units that will be merged into the regional school unit-wide bargaining unit and the choice of "no representative," but no other choices. No showing of interest is required from any such bargaining agent other than its current status as representative.

(d) The obligation to bargain with existing bargaining agents continues from the operational date until the determination of the bargaining agent of the regional school unit-wide bargaining unit under this subsection; but in no event may any collective bargaining agreement that is executed after the operational date extend beyond ~~the expiration date of the agreement having the latest expiration date among the bargaining units that will be merged into the regional school unit-wide bargaining unit that was in effect on the operational date~~ August 31, 2012.

(e) The Maine Labor Relations Board shall expedite to the extent practicable all petitions for determination of the bargaining agent in the regional school unit-wide bargaining unit filed pursuant to this subsection.

(f) The bargaining units must be merged into a regional school unit-wide bargaining unit as of the date of certification of the results of the election by the Maine Labor Relations Board, or the expiration of the collective bargaining agreements in the unit, whichever occurs later.

(g) Until August 31, 2012, existing bargaining agents shall continue to represent the bargaining units that they represented on the day prior to the operational date of the regional school unit. If necessary, each bargaining agent and the regional school unit must negotiate an interim collective bargaining agreement to expire on August 31, 2012.

## CHAPTER 568

### H.P. 1535 - L.D. 2160

#### An Act To Protect Shellfish Waters and Shellfish Resources from Coastal Pollution

**Mandate preamble.** This measure requires one or more local units of government to expand or modify activities so as to necessitate additional expenditures from local revenues but does not provide funding for at least 90% of those expenditures. Pursuant to the Constitution of Maine, Article IX, Section 21, 2/3 of all of the members elected to each House have determined it necessary to enact this measure.

**Be it enacted by the People of the State of Maine as follows:**

**Sec. 1. 30-A MRSA §3428**, as enacted by PL 1987, c. 737, Pt. A, §2 and Pt. C, §106 and amended by PL 1989, c. 6; c. 9, §2; and c. 104, Pt. C, §§8 and 10, is further amended to read:

**§3428. Malfunctioning domestic waste water disposal units; abatement of nuisance**

Malfunctioning waste water disposal units, including septic tanks, cesspools, cisterns, dry wells, drainage beds, drains, sewer lines and pipes and the like, have become a menace to the health and general welfare of the citizens of this State and are declared to be a nuisance.

**1. Abatement procedure.** Upon complaint of any person resulting in documentation of a malfunctioning waste water disposal unit or on their own information, the municipal officers shall serve an order

to remedy a malfunctioning waste water disposal unit upon the owner ~~or occupant~~ of any premises within that municipality ~~which that~~ has such a malfunctioning unit.

**2. Content of order.** The order ~~shall~~ must be addressed to the owner of the premises and must contain:

- A. The date;
- B. The fact of the malfunctioning waste water disposal unit;
- C. A notice to remedy the nuisance within 10 days of service of the order; and
- D. The signatures of the municipal officers.

~~If service is to be made upon a tenant or occupant in possession, the order must be addressed to that person in addition to the owner. The municipal officers may allow the owner of the premises to request an extension of the 10-day period for no longer than an additional 20 days and may explain how to request an extension in the order. The municipal officers or their agents may approve an extension if it is reasonably necessary for and likely to result in remediation of the nuisance.~~

**3. Service and return of service.** One of the municipal officers or a law enforcement officer shall serve the order personally upon the owner, tenant or occupant in possession. The server shall make and file a return of service indicating the method used and the person served.

**4. Abatement.** If the nuisance is not abated within the 10-day period or such period up to but not exceeding the additional 20 days as allowed by the municipal officers under subsection 2, the municipal officers or their agents may enter the premises and have the malfunction adequately remedied. To recover any actual and direct expenses, including reasonable ~~attorney~~ attorney's fees if the municipality is the prevailing party, incurred by the municipality in the abatement of such nuisances, the municipality shall:

A. File a civil action against the owner. The costs, including reasonable attorney fees, to create and prosecute an action to collect expenses following such a civil complaint, shall also be recovered from the owners; or

B. Assess a special tax against the land on which the waste water disposal unit is located for the amount of the expenses. This amount shall be included in the next annual warrant to the tax collector of the municipality for collection in the same manner as other state, county and municipal taxes are collected. Interest as determined by the municipality pursuant to Title 36, section 505, in the year in which the special tax is assessed, shall
