**An Act Concerning the
Allocation of Power Generated
by GNE, LLC**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 2001, c. 45, §2-A is enacted to read:

Sec. 2-A. Sale of electricity; municipally owned electricity provider. Electricity generated by the hydropower facilities that is not under contract to be sold to the paper production facilities in Millinocket and East Millinocket or to any other entity may be offered for sale by the owner of the hydropower facilities to any municipally owned electricity provider serving the Katahdin region, and, if that electricity is so offered, the parties shall negotiate in good faith to reach mutually agreeable terms of sale. The owner of the hydropower facilities may offer to a municipally owned electricity provider serving the Katahdin region a right of first refusal with respect to the purchase of electricity generated by the hydropower facilities. For the purposes of this section, "municipally owned electricity provider" means a municipally owned entity authorized under applicable law to buy and sell electricity.

**CHAPTER 41
H.P. 1321 - L.D. 1830**

**An Act To Make
Administrative Changes to Tax
Laws To Maintain a Balanced
Budget**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Legislative findings. The Legislature acknowledges that Public Law 2009, chapter 382, An Act To Implement Tax Relief and Tax Reform, is suspended due to the petition of the electors for a referendum to be held June 8, 2010 on the law pursuant to the

Constitution of Maine, Article IV, Part Third, Section 17. The Legislature finds that certain dates specified in the suspended law for the implementation of changes in the State's tax laws have now passed and the application dates for the law, if ratified by the voters, would be inconsistent with the intent of the legislation. The Legislature also finds that, because of the suspension of the law, if the law is implemented without adjustments to its implementation dates, the law would result in an unintended budget shortfall of approximately \$50,000,000. The Legislature finds that it is essential for the proper administration of the tax laws that the dates specified in the suspended law be updated.

Sec. 2. Extension of dates. In order to ensure the proper administration of the tax laws, this Act extends for one year the implementation dates specified in Public Law 2009, chapter 382 in order to allow for proper planning by taxpayers and to maintain a balanced state budget.

Sec. 3. Contingent effective date. This Act takes effect only if Public Law 2009, chapter 382 is not rejected by a majority of the electors voting on that measure pursuant to the Constitution of Maine, Article IV, Part Third, Section 17.

Sec. 4. Maine Revised Statutes; revision clause. Wherever in the Maine Revised Statutes a date appears that is amended or enacted by Public Law 2009, chapter 382, that date is amended to read or mean, as appropriate, one year following the specified year, and the Revisor of Statutes shall implement this revision when updating, publishing or republishing the statutes.

See title page for effective date, unless otherwise indicated.

**CHAPTER 42
