IN ACCORDANCE WITH THE MAINE REVISED STATUTES ANNOTATED,
TITLE 3, SECTION 163-A, SUBSECTION 4.

Augusta, Maine
2025

CHAPTER 33
H.P. 261 - L.D. 407

**Resolve, to Ensure the Removal
of Aqueous Film-forming Foam
from the Former Brunswick
Naval Air Station**

Sec. 1. Midcoast Regional Redevelopment Authority; activities regarding removal of aqueous film-forming foam. Resolved: That the Midcoast Regional Redevelopment Authority, established in the Maine Revised Statutes, Title 5, section 13083-G and referred to in this resolve as "the authority," shall take all necessary steps to ensure that:

1. No later than December 31, 2025, all fire suppression systems and any other systems containing aqueous film-forming foam that are located on any property leased or owned by the authority are shut off or otherwise made incapable of dispensing or releasing aqueous film-forming foam;

2. No later than December 31, 2025, all aqueous film-forming foam or aqueous film-forming foam concentrate not contained in a fire suppression system or other system that is located on any property leased or owned by the authority is removed from that property;

3. No later than July 1, 2026, funding is acquired by the authority sufficient to cover the anticipated costs of completely purging all fire suppression systems and any other systems containing aqueous film-forming foam that are located on any property leased or owned by the authority so that those systems no longer contain any aqueous film-forming foam or any residue containing aqueous film-forming foam as provided in subsection 4; and

4. No later than December 31, 2026, all fire suppression systems and any other systems containing aqueous film-forming foam that are located on any property leased or owned by the authority are completely purged so that those systems no longer contain any aqueous film-forming foam or any residue containing aqueous film-forming foam.

As used in this resolve, "aqueous film-forming foam" means a fire suppressant foam containing fluorinated surfactants intended for extinguishing flammable liquid fires.

See title page for effective date.

CHAPTER 34
H.P. 461 - L.D. 722

**Resolve, Directing the
Department of Public Safety,
Emergency Medical Services'
Board to Report to the Joint
Standing Committee on
Education and Cultural Affairs
on the Status of Funds in the
Emergency Medical Services
Stabilization and Sustainability
Program**

Sec. 1. Department of Public Safety, Emergency Medical Services' Board to report to the Joint Standing Committee on Education and Cultural Affairs on program grant funding. Resolved: That the Department of Public Safety, Emergency Medical Services' Board shall report to the Joint Standing Committee on Education and Cultural Affairs on the status of funds in the Emergency Medical Services Stabilization and Sustainability Program, as established by the Maine Revised Statutes, Title 32, section 98, no later than January 15, 2026. The report must include the amount of funding received by emergency medical services training centers in the Maine Community College System and the status of any remaining funds not yet awarded to emergency medical services training centers. The joint standing committee may report out a bill to the Second Regular Session of the 132nd Legislature related to the contents of the report.

See title page for effective date.

CHAPTER 35
H.P. 502 - L.D. 777

**Resolve, Directing the
Department of Inland Fisheries
and Wildlife to Study
Lengthening the Muzzle-
loading Season for Deer in
Certain Wildlife Management
Districts**

Sec. 1. Study of muzzle-loading season for deer and expanding season in certain wildlife management districts. Resolved: That the Department of Inland Fisheries and Wildlife shall study lengthening the muzzle-loading season for deer beyond the 6-day season currently established in department rule in additional wildlife management districts in the State where winter conditions are less severe.

Sec. 2. Report. Resolved: That, by January 1, 2026, the department shall submit a report to the Joint Standing Committee on Inland Fisheries and Wildlife
