TITLE 3, SECTION 163-A, SUBSECTION 4.

Augusta, Maine
2025

5. One member from the Department of Public Safety, appointed by the Commissioner of Public Safety.

The chair of the working group may appoint additional members as determined necessary by a majority of the working group's members. The working group shall consult with a representative from the Office of the Attorney General, designated by the Attorney General, to assist the working group in its deliberations as needed.

Sec. 4. Selection of members. Resolved: That, no later than 30 days following the effective date of this resolve, the Right to Know Advisory Committee and the state agencies identified in section 3 shall notify the department of the member or members selected for participation in the working group.

Sec. 5. Duties. Resolved: That the working group shall:

1. Determine the classification and accessibility of public records by:

A. Reviewing the current provisions of the Freedom of Access Act;

B. Determining which records in the possession of the state agencies identified in section 3 are subject to disclosure under the Freedom of Access Act and which records are not; and

C. Identifying categories of information that the state agencies identified in section 3 should have the ability to designate as confidential and not subject to public disclosure;

2. Evaluate fees for public records requests by:

A. Examining and recommending appropriate fees for processing large-scale requests for public records; and

B. Considering a reasonable cost structure that balances public access with administrative burdens; and

3. Consider additional areas for review by identifying any other issues related to public records management, retention and disclosure as appropriate.

Sec. 6. Report. Resolved: That, no later than January 14, 2026, the working group shall submit a report that includes the working group's findings and recommendations, including suggested legislation, to the Joint Standing Committee on Judiciary; the Joint Standing Committee on Inland Fisheries and Wildlife; the Joint Standing Committee on Marine Resources; and the Joint Standing Committee on Criminal Justice and Public Safety. Each committee that receives a report may report out a bill related to the report to the Second Regular Session of the 132nd Legislature.

Resolve, Directing the Bureau of Financial Institutions to Issue Guidance Related to the Charging of Multiple Fees for Attempted Withdrawals Involving Insufficient Funds

Sec. 1. Guidance related to charging multiple fees for attempted withdrawals involving insufficient funds. Resolved: That, no later than January 1, 2026, the Department of Professional and Financial Regulation, Bureau of Financial Institutions shall issue written guidance to state-chartered financial institutions and credit unions on the charging of multiple fees for attempted withdrawals involving insufficient funds. Before developing the written guidance required by this section, the bureau shall review any guidance issued by the Federal Deposit Insurance Corporation and the National Credit Union Administration related to overdraft and insufficient funds fees and consult with statewide associations representing state-chartered financial institutions and credit unions.

See title page for effective date.

CHAPTER 39 H.P. 200 - L.D. 300

Resolve, to Direct the Governor's Energy Office to Study Expanding the Use of Hydroelectric Power and the Development of a Geothermal Power Plant in the State

Sec. 1. Governor's Energy Office to conduct studies. Resolved: That the Governor's Energy Office, referred to in this resolve as "the office," shall conduct studies as directed by this resolve in consultation with the Public Utilities Commission, the Department of Environmental Protection and the Department of Defense, Veterans and Emergency Management, Maine Emergency Management Agency to support the development of a balanced portfolio of energy sources in the State.

Sec. 2. Study; hydroelectric power facilities and energy storage. Resolved: That the office shall conduct a study reviewing the current operation of and opportunities for the expansion of hydroelectric power and energy storage in the State for the purpose of evaluating methods to revitalize the hydroelectric power industry while taking into consideration the greenhouse gas emissions associated with such generation and storage. In conducting this study, the office shall:
