CHAPTER 69
H.P. 858 - L.D. 1323

**Resolve, Directing the Board of
Pesticides Control to Evaluate
the Impact of Neonicotinoids
on Pollinators, Humans and the
Environment**

Sec. 1. Board of Pesticides Control to study neonicotinoids. Resolved: That the Department of Agriculture, Conservation and Forestry, Board of Pesticides Control, referred to in this resolve as "the board," shall study:

1. The impacts of neonicotinoids, including neonicotinoid-treated seeds, on pollinators;
2. The costs and benefits of neonicotinoid-treated seeds compared to untreated seeds, including the market availability of neonicotinoid-treated seeds compared to untreated seeds;
3. The impact of neonicotinoids on the environment, including, but not limited to, soil, water and plant tissues;
4. The toxicity of neonicotinoids to humans;
5. Alternatives to neonicotinoid seed treatments for the protection of crops from damaging pests and disease;
6. The toxicity of effective alternatives to neonicotinoids and neonicotinoid-treated seeds that may be used for the protection of crops from damaging pests and disease; and
7. Methods of application of alternatives to neonicotinoids and neonicotinoid-treated seeds and the required number of applications for effectiveness.

In conducting the study under this section, the board shall give special consideration to effects on potato crops and corn crops.

Sec. 2. Request for information. Resolved: That the board shall solicit feedback regarding ideas and insights on the topic of the study, pursuant to section 1, from the public, stakeholders and interested parties through either a public hearing or a request for information document.

Sec. 3. Reports. Resolved: That the board shall submit a preliminary report to the Joint Standing Committee on Agriculture, Conservation and Forestry no later than January 15, 2026 and shall submit a final report with findings and recommendations relating to the subject matter of the study under section 1 to the joint standing committee of the Legislature having jurisdiction over agricultural matters no later than January 15, 2027. The joint standing committee may submit a bill to the 133rd Legislature in 2027 relating to the subject matter of the final report.

Sec. 4. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

**AGRICULTURE, CONSERVATION AND
FORESTRY, DEPARTMENT OF

CHAPTER 70
H.P. 978 - L.D. 1494

**Resolve, Directing the Office of
Procurement Services to Study
Adapting the Procurement
Process to the State Climate
Action Plan**

Sec. 1. Adapting procurement program to climate action plan. Resolved: That the Department of Administrative and Financial Services, Office of Procurement Services, referred to in this resolve as "the office," shall coordinate with all executive branch departments, agencies, offices, boards and commissions, referred to in this resolve as "agencies," to study adapting the State's procurement program to the state climate action plan under the Maine Revised Statutes, Title 38, section 577, referred to in this resolve as "the climate action plan." The office shall exclude from the study procurements conducted by the Public Utilities Commission for energy or transmission infrastructure pursuant to Title 35-A. The office shall survey the past 3 fiscal years of requests for proposals.

The office shall include in its survey:

1. An assessment of the volume and percentage of procurements for goods and services that provide an opportunity to consider the climate change impact of the deliverables of the requests for proposals and the volume and percentage of procurements that provide no such opportunity;
2. A determination and quantification of the extent to which agencies have already adapted the deliverables of their requests for proposals over the past 3 fiscal years to the climate action plan;
3. A review of agencies identifying the opportunities they may have missed to consider the greenhouse

gas emissions reduction goals under the climate action plan when initiating bids for goods and services; and

4. A review of agencies identifying potential issues based upon their experience with the procurement process and knowledge of what goods and services they commonly contract for.

Using the results of its survey, the office shall develop a report and recommendations, including recommendations to change the State's procurement laws, for how best to incorporate the goals of the climate action plan as priorities in the State's procurement program, allowing for exceptions or waivers as are reasonable and appropriate.

Sec. 2. Report. Resolved: That, no later than December 3, 2025, the office shall report on its findings and recommendations under section 1, including any suggested legislation, to the Joint Standing Committee on State and Local Government. The joint standing committee may report out a bill related to the report to the Second Regular Session of the 132nd Legislature.

CHAPTER 71

S.P. 656 - L.D. 1648

Resolve, to Honor Margaret Chase Smith and Joshua Chamberlain in the National Statuary Hall Collection

Sec. 1. Replacement of statues in National Statuary Hall with statues of Margaret Chase Smith and Joshua Chamberlain. Resolved: That, by October 1, 2025, the Maine Arts Commission, the Maine State Museum Commission and the Maine Historic Preservation Commission, as established by the Maine Revised Statutes, Title 5, section 12004-G, subsections 7-B, 7-C and 7-D, respectively, in accordance with 2 United States Code, Section 2132, shall request that the Joint Committee of Congress on the Library approve the replacement of the statue of Hannibal Hamlin and the statue of William King that are currently located in the National Statuary Hall Collection with a statue of Margaret Chase Smith and a statue of Joshua Chamberlain. Within one year of the approval of the replacement of the statues, the commissions shall begin to replace the statues of Hannibal Hamlin and William King with statues of Margaret Chase Smith and Joshua Chamberlain that meet all applicable federal requirements. The commissions shall relocate the statues of Hannibal Hamlin and William King to the State and place them within public view within the State House, if feasible, or on the grounds of the State House. The commissions shall accept private gifts, grants and donations from individuals and organizations to fund the costs of replacing the statues of Hannibal Hamlin and

William King in the National Statuary Hall Collection with the statues of Margaret Chase Smith and Joshua Chamberlain and to transport and display those statues within public view within the State House or, if feasible, on the grounds of the State House. The commissions are authorized to contract with one or more entities to complete their duties under this section.

Sec. 2. Appropriations and allocations. Resolved: That the following appropriations and allocations are made.

CHAPTER 72

H.P. 134 - L.D. 211

Resolve, Directing the Department of Education to Communicate to School Administrative Units and Private Schools the Importance of Adopting Seizure Action Plans

Sec. 1. Department of Education to communicate importance of adoption of seizure action plans to school administrative units and approved private schools. Resolved: That the Department of Education shall communicate the importance of the adoption of seizure action plans to school administrative units, as defined in the Maine Revised Statutes, Title 20-A, section 1, subsection 26, and approved private schools as defined in Title 20-A, section 1, subsection 2. The department shall provide information and assistance, if requested, to a school administrative unit or approved private school if the school administrative unit or approved private school requests information or assistance from the department on the adoption of seizure action plans.

For the purposes of this resolve, "seizure action plan" means a written, individualized health plan designed to acknowledge and prepare for the health care needs of a student diagnosed with a seizure disorder.
