### MEETING SUMMARY

APPROVED MAY 29, 1991

### CALL TO ORDER

The Legislative Council meeting was called to order by the Chair, Senator Pray, at 9:13 a.m., in the Legislative Council Chamber.

### ROLL CALL

Senators:	Sen. Pray, Sen. Clark, Sen. Dutremble, Sen. Cahill Absent: Sen. Webster
Representatives:	Rep. Martin, Rep. Gwadosky, Rep. Whitcomb, Rep. Mayo, Rep. Marsano
Legislative Officers:	Sally Tubbesing, Executive Director, Legislative Council Lynn Randall, State Law Librarian John Wakefield, Director, Office of Fiscal and Program Review Martha Freeman, Director, Office of Policy and Legal Analysis David Kennedy, Revisor of Statutes Joy O'Brien, Secretary of the Senate

### SECRETARY'S REPORT

The Summary of the May 7, 1991, Council meeting was approved and placed on file. (Motion by Speaker Martin; second by Sen. Clark; unanimous).

## EXECUTIVE DIRECTOR'S REPORT

The Chair asked for status reports on both bill drafting and committee work. David Kennedy, Revisor of Statutes, reported that 52 bills remained in his office of which about half were in production, 5 still in initial drafting, and the remainder awaiting sponsors' signatures. Martha Freeman, Director of the Office of Policy and Legal Analysis, drew members' attention to a summary report of bills still in committee, noting that committees (excluding Appropriations and Taxation) had not yet taken action on 164 bills out of the 1,638 referred to these committees to this point.

No Council action was required.

## REPORTS FROM COUNCIL COMMITTEES

None.

## OLD BUSINESS

Item #1: Request from the Attorney General for Payment of Attorney's Fees and Expenses incurred in Auburn Police Union, et al. v. James E. Tierney, Civil 90-0042-P. (Tabled at May 7 meeting).

The Chair recognized Vendean Vafiades, Deputy Attorney General, and invited her to discuss the Attorney General's request for payment. Ms. Vafiades noted that when the State loses a case on constitutional grounds, federal law provides that the plaintiff is entitled to request reimbursement of fees and expenses through the Court. In this case, the plaintiff, the Auburn Police Union, had originally requested \$58,000. The Attorney General had filed an objection; and the Court had finally ruled that the plaintiff was owed \$37,981.79.

Motion: That the Council approve payment of the requested amount. (Motion by Rep. Marsano; second by Sen. Clark).

Discussion focussed primarily on two issues: 1) why the request had come to the Legislative Council, and 2) what alternatives there were for handling the payment. Council members expressed concern that if they were to authorize payment, the funds would have to come out of the legislative account.

**1. Why the Attorney General had submitted the request to the Council**

Ms. Vafiades responded that, in this case, the Attorney General had been defending the constitutionality of a particular law and not the actions of any agency.

Sen. Cahill asked if there was any precedent for the Legislature paying a claim resulting from a court case. Speaker Martin responded that the Council had been asked to pay legal fees only once before by the plaintiffs in a lawsuit regarding the 1980 redistricting plan. In that instance, the plaintiff had made the request to the Council directly -- it had not been authorized by the Courts -- and the Council had voted not to pay.

**2. Alternatives**

Speaker Martin suggested that the Council could approve introduction of a bill to authorize payment; however, Rep. Marsano pointed out that if the legislation failed enactment, the Court will still levy the costs to the State.

Rep. Mayo suggested that the appropriate source of funds was the Risk Management Fund administered by the State.

Rep. Marsano withdrew his motion.

**Motion:** That the Council authorize introduction of legislation to require the bill to be paid from the Risk Management Fund. (Motion by Rep. Mayo).

The Chair asked that the vote on the motion be deferred until the Council took up After Deadline Requests.

## **NEW BUSINESS**

**Item 1:** Requests to Carry Over Legislation to the Second Regular Session.

**Motion:** That all pending requests be approved. (Motion by Sen. Dutremble).

Speaker Martin objected to a motion for blanket approval, expressing his concern that too many bills were being carried over, that many of them were being carried over to accommodate special interests, and that the Council's approval of all of the requests would create a bottleneck during the Second Regular Session.

Senator Clark noted that most committees had worked long and hard this session, and needed to have carryovers at this point so that they would have time to review the budget. Rep. Gwadosky agreed that the focus on the budget was critical at this point. Sen. Clark suggested that it would be important for the presiding officers to establish a deadline for reporting out carryovers early in the Second Regular Session to avoid the potential bottleneck.

Sen. Dutremble's motion was repeated and seconded by Rep. Marsano. The motion was approved 7-2.

Item #2: After Deadline Requests.

A summary of the Council's action on After Deadline Requests is attached.

## EXECUTIVE SESSION

Motion: That the Council go into Executive Session for the purpose of discussing matters related to personnel. (Motion by Sen. Pray; second by Sen. Clark).

There being no objection, the Council proceeded to go into Executive Session at 9:53 a.m.

## RECONVENE

The Council meeting was reconvened at 10:30 a.m., on the motion of Speaker Martin.

Motion: That the Executive Director be authorized to designate non-partisan staff as "essential" next Friday, May 24, after notification to the presiding officers. (Motion by Rep. Mayo; second by Speaker Martin; unanimous).

Motion: That compensatory time be awarded to employees who are defined as "essential," the Personnel Policies notwithstanding. (Motion by Speaker Martin; second by Sen. Clark; unanimous).

## ANNOUNCEMENTS AND REMARKS

## ADJOURNMENT

The Legislative Council meeting was adjourned at 10:31 a.m., on the motion of the Chair.

## MEMORANDUM

May 20, 1991

TO: Honorable Charles P. Pray, Chair  
Legislative Council

FROM: Sally *Sally*

SUBJECT: Cost of Implementing April 3% Cost-of-Living Increase

In response to your request, we have put together the information below regarding the 3% cost-of-living increase that was awarded to most state employees on April 1.

### "Beneficiaries"

It is my understanding that all classified State employees and most of the confidential received this increase. The only confidential employees who did not are those who occupy positions directly appointed by the Governor pursuant to Title II (2 MRSA § 6) and those who occupy "major-policy influencing positions" as listed in Title V (5 MRSA Chapter 71).

### Estimated Cost of Implementation

These estimates break out the costs attributable to awarding this increase to the 8 employees who are classified in our salary ranges 14 and 15 (Freeman, Kennedy, Randall, Sawyer, Wakefield, O'Brien, Pert, and Tubbesing).

Period	Estimated Cost		
	Directors	Other	Total
April 1-June 30, 1990	\$ 3,428	\$ 51,572	\$ 55,000
FY 1992	\$17,800	\$192,708	\$210,508
FY 1993	\$17,869	\$212,475	\$230,344

Dick and I would be happy to answer any additional questions you may have.

STATE HOUSE AND CAPITOL PARK COMMISSION

May 22, 1991

Honorable Charles P. Pray, Chair  
Legislative Council  
State House  
Augusta, Maine 043333

Dear Senator Pray:

I write to advise the members of the Legislative Council of the following discovery and ask your advise as to how to proceed. On the 16th of May, 1991 I arranged to meet with Sherwood Dale, a roving treasurer hunter who wanted to search the State House for a possible hidden time capsule. After reviewing all the early plans that morning, we took his high powered metal detector and searched the front part of the original building. Two hours later we located a positive recording within the base of one of the columns to the arcade to the right of the front door. Knowing this discovery will peak certain interests, we seek the Legislative Council's advice before taking any further action.

The question is if this discovery is confirmed what is the best way to handle it and when? Is this a matter the Council would like the State House and Capitol Park Committee to consider and report back?

Please advise.

Sincerely,

Dear Earle:

I am writing in response to David Silsby's letter regarding the potential discovery of the cornerstone for the original State House. This discovery raises a variety of issues that fall within the purview of the State House and Capitol Park Commission. I would request, therefore, that you and Mr. Silsby convene the Commission within the next month for the purpose of exploring these issues more completely and making specific recommendations to the Council, including the estimated costs that might be associated with any of your recommendations. Once you have assembled your report, I will include it on the agenda of the next scheduled Council meeting.

I appreciate having this matter brought to the Council's attention and look forward to receiving the Commission's report.

Sincerely,
