Chair Pingree convened the meeting at 10:53 A.M. with a quorum of members present.

Chair Pingree asked if there was any objection to taking 2 items out of order. Hearing none, the Chair then moved to **New Business, Items 1 and 2.**

NEW BUSINESS

Item #1: Suggested Procedures for Deciding Legislative Bill Requests

The agenda included a suggested protocol for deciding legislative bill requests. Chair Pingree asked Executive Director Boulter to summarize the suggested protocol which he did, as follows:

1. Under the terms of the Maine Constitution, Section 1 of Article IV, Part Third, Legislative Power, the business of the second regular session must be limited to budgetary matters; legislation in the Governor's call; legislation of an emergency nature admitted by the Legislature; legislation referred to committees to study and report by the Legislature in the first regular session; and legislation presented to the Legislature by written petition of the electors (direct citizen initiative).
2. Under the 124th Legislative Council's Rules of Procedure, any action of the Council requires the affirmative vote of at least 6 members.
3. Under Rule 203 of the Joint Rules of the 124th Legislature, any vote of the Legislative Council to accept or reject a bill or resolve for introduction under the procedures established under the Joint Rules must be taken by the yeas and nays, and that vote must be recorded and made available for public inspection.
4. Under Rule 217 of the Joint Rules, a bill that has been introduced and finally rejected in a regular or special session may not be introduced in a subsequent session of the same Legislature except by a vote of 2/3 of both chambers. Therefore, determinations as to the relevancy of Rule 217 are within the purview of the presiding officers, not the Legislative Council.

Suggested Protocol for deciding legislative bill requests

- A. The Legislative Council will review bill requests alphabetically by policy area. An exception to this order of review may be made for bill requests for which an ASL Interpreter is required for persons who are deaf or hard of hearing. Those bills will be taken out of order at a time during the meeting when an interpreter is available.
- B. For procedural consistency, when voting on a bill request, the initial motion on a bill will be presumed to be a motion to accept the bill request for introduction into the second regular session along with a second to that motion. (Yea is to let in a bill; nay is to reject the bill for introduction). Also for procedural consistency, unless otherwise stated, each motion is presumed to have been made by the vice-chair of the Legislative Council, seconded by the chair.
- C. In order to review all legislative requests in a timely manner, voting will be by electronic vote or a show of hands, with each Council Member's vote on each bill being recorded. The record of each vote will be made available for public inspection following the meeting.
- D. If a bill request has been identified by the Revisor as requiring a ruling under Joint Rule 217, the Legislative Council may vote to accept that bill for introduction, conditional upon a subsequent ruling by the presiding officers. Absent a vote to accept the bill, the bill is presumed to have been turned down by unanimous vote of the Legislative Council.
- E. Legislative sponsors and others are welcome to observe the Council's deliberations on the bill requests, but discussion of the requests will be confined to Council Members. Discussion of a bill request among Council Members will be limited to whether it is appropriate for introduction under Constitutional provisions for second regular session bills, and will not speak to the merits of the bill itself.

- F. If the Legislative Council turns down a bill request, a Legislator may appeal that decision. At a subsequent meeting of the Legislative Council, the Legislator may speak briefly to the bill request under appeal.
- G. A legislative request that has been identified by the Revisor's Office as being closely related to another legislative request that was earlier filed (i.e., having been assigned a lower LR number) or to a carryover bill is presumed to have been turned down by a unanimous vote of the Legislative Council.

Motion: That the Legislative Council adopt the suggested protocol, A-G, for deciding legislative bill requests as set forth in the "Procedures for Review of Legislative Bill Requests" document dated October 15, 2009. Motion by Representative Tardy. Second by Senator Mitchell. **Motion passed, unanimous. (10-0)**

Item #2: Consideration of Legislative Bill Requests for Introduction In the Second Regular Session of the 123rd Legislature

The Council proceeded to consider and vote on 373 bill requests in accordance with the adopted protocol, and using an electronic voting system. The council authorized 129 bills for introduction in the second regular session, and tabled 26 bill requests. The council's action on the bill requests is attached.

SUMMARY OF SEPTEMBER 23, 2009 MEETING OF LEGISLATIVE COUNCIL

Motion: That the Meeting Summary of September 23, 2009 be accepted and placed on file. Motion by Senator Marraché. Second by Senator Mitchell. **Motion passed unanimous. (10-0)**

Fiscal Report

Grant Pennoyer, Director, Office of Fiscal and Program Review, reported the following.

Revenue Update

Total General Fund Revenue - FY 2010 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
September	\$298.7	\$270.7	(\$28.0)	-9.4%	\$293.0	-7.6%
FYTD	\$587.4	\$545.1	(\$42.3)	-7.2%	\$602.2	-9.5%

General Fund revenue was under budget by \$28.0 million in September increasing the negative variance for the first quarter of FY 2010 to \$42.3 million or 7.2%. General Fund revenue fell by 9.5% during the first quarter of FY 2010 compared to the same period in FY 2009.

Individual Income Tax was the primary factor in September's negative variance. This category was under budget by \$28.0 million in September due to an \$18.4 million shortfall in estimated payments due on September 15th and an \$8.9 million (or roughly 10%) shortfall in withholding payments. Individual Income Tax collections for the first quarter of FY 2010 were \$39.3 million below projections.

Sales Tax collections were under budget by \$6.3 million in September and fell \$18.3 million below projections for the first quarter. Sales Tax performance in September (August taxable sales) was disappointing given the return of nice weather in August and the temporary boost to automobile sales from the "Cash for Clunkers" program.

While Corporate Income Tax estimated payments were below budget in September, this category remained above budget through the first quarter. The only other negative variances through the first quarter were in the Estate Tax and Fines, Forfeits and Penalties categories. With the exception of the Sales Tax and Income Tax categories, the remaining revenue categories were above budget by \$15.3 million for the first quarter of FY 2010.

September's revenue performance has prompted the Governor to begin the process of curtailing allotments. He is also preparing for a shortfall in the \$200 million range to be addressed by a supplemental budget for the Second Regular Session.

Total Highway Fund Revenue - FY 2010 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
September	\$27.9	\$25.9	(\$2.0)	-7.3%	\$31.0	-16.5%
FYTD	\$59.0	\$61.9	\$3.0	5.1%	\$63.0	-1.7%

Mr. Pennoyer's written report summarized the status of Highway Fund revenue and the Dirigo Health Fund, and provided a status report on cash balances. Mr. Pennoyer commented that the state will require tax anticipation note borrowing in November.

Legislative Council Chair Pingree asked when the Revenue Forecasting Committee will meet. Mr. Pennoyer answered that the Consensus Economic Forecasting Commission will meet on Monday, October 26th at 9:30 AM and the Revenue Forecasting Committee will meet on Tuesday, November 17th at 10:00 AM.
