The SPEAKER: The Chair recognizes the gentleman from South Thomaston, Mr. Kittredge.

Mr. KITTREDGE: Mr. Speaker, I move that the Minority Report "Ought to pass" be accepted by the House.

The SPEAKER: The gentleman from South Thomaston, Mr. Kit-

tredge, now moves that we accept the Minority "Ought to pass" Report.

The Chair recognizes the gentleman from Portland, Mr. Edwards.

Mr. EDWARDS: Mr. Speaker, I call for a division of the House.

The SPEAKER: The Chair recognizes the gentleman from Augusta, Mr. Katz.

Mr. KATZ: Mr. Speaker, I move that this lay upon the table until the next legislative day.

The SPEAKER: The question before the House now is on the motion of the gentleman from Augusta, Mr. Katz, that this matter lie upon the table until tomorrow.

The Chair recognizes the gentleman from Lewiston, Mr. Jalbert.

Mr. JALBERT: Mr. Speaker, I move a division on that motion.

The SPEAKER: The gentleman from Lewiston, Mr. Jalbert, requests a division. All those in favor of this matter lying upon the table assigned for tomorrow, kindly rise and remain standing until the monitors have taken the count.

A division of the House was had.

The SPEAKER: The Chair recognizes the gentleman from Lewiston, Mr. Jalbert, and requests for what reason does the gentleman rise.

Mr. JALBERT: Mr. Speaker, a change in the time of the tabling motion. I now move that this item lie upon the table until Thursday, February 11, and I would like to speak on the timing.

The SPEAKER: The gentleman is in order. He may proceed.

Mr. JALBERT: Mr. Speaker and Members of the House: At a very early date of the session I attempted to table and asked for a division on the timing of a tabling motion. I did it because the motion had a nine to one "Ought not to pass" Report on it. Very obviously, in my opinion, whereas we are on timing, it is very seldom that if you can't convince only one member of the committee, that you are going to convince a hundred and fifty other members of the House.

I am speaking on time, based on the fact that we now are here and we have got plenty of time to do some of these things. I am speaking again on time, that later on when it gets nice and sunshiny and it's time for planting and for this and that we may wish we had not gone through such a procedure. So that my reason for tabling until Thursday to speak on time is merely to say that this thing is going down anyway, so why not do it now, save some time and save some money that is involved in the printing of a tabling motion.

In order for that explanation to straighten itself out so that somebody won't come up to me and say why don't you want to be a gentleman, I have straightened that situation out here and now. I now withdraw my motion.

The SPEAKER: The Chair will announce the vote.

Seventy-two having voted in the affirmative and fifty-four having voted in the negative, the tabling motion did prevail. The Reports and Resolve were tabled pending the motion of Mr. Kittredge of South Thomaston to accept the Minority "Ought to pass" Report and specially assigned for tomorrow.
