Mr. Kennedy of Milbridge was granted unanimous consent to briefly address the House.

MR. KENNEDY: Mr. Speaker, Ladies and Gentlemen of the House: The members of the Minority Party in the House wish to have the record show our appreciation to the Majority Party for arranging the transfer of office space on the third floor of the State House, so that the Minority Party leadership can have a little more room.

As you may know, this is the first time the Minority Leader of the Senate has had an office of any kind.

This marks the first time, too, that the House Minority Leader and the Assistant Floor Leader will have a separate office from the secretary to the Minority. Although the space is located somewhat off the beaten path, we trust members of both parties will come look in on our new accommodations located next to the Legal Affairs hearing room.

We also trust the Democrats will understand a Republican expression of hope, that the Democrats will have an opportunity to enjoy these new offices next session. (Laughter)

THE SPEAKER: The Chair is at a loss for words.

Mrs. Lincoln of Bethel was granted unanimous consent to briefly address the House.

Mrs. LINCOLN: Mr. Speaker, Ladies and Gentlemen of the House: The Minority members would like to take this opportunity to present their leader, the gentlemen from Milbridge, Mr. Kennedy, with a decoration for his new office. If the Page would make the delivery for me, I will read a brief message of our good wishes:

Little things to big things grow...

And this is something you should know:

Our new office, for the duration, Once housed the Department of Education.

As Republicans, we think it's neat,

To have our own Minority Suite. Although it's off the beaten track,

It's a spot to start the long road back;

And maybe in a year or two, We'll be able to give it back to you.

But while we're serving out this term,

Here's a party pachyderm

To keep the corner office bright, And guard Dave's pill-box day and night.

(Laughter and Applause)

Mr. Levesque of Madawaska was granted unanimous consent to briefly address the House.

MR. LEVESQUE: Mr. Speaker, Ladies and Gentlemen of the House: It is certainly with gratitude that I accept the remarks of the gentleman from Milbridge, Mr. Kennedy, and the kind words of the gentlewoman from Bethel, Mrs. Lincoln. Certainly on behalf of the leadership, we appreciate those remarks and, of course, we are still hoping two years from now the office will be just as neat and clean and will retain its educational background. So for those reasons, if no more, and for the purpose of being brief this morning, again we appreciate these kind words from the Minority Party, and we certainly wish them success two years from now. (Applause)
