STATE OF MAINE
BUREAU OF TAXATION
AUGUSTA, MAINE

December 17, 1968

To the Members of the 104th Legislature

The accompanying report of state owned delinquent tax lands is submitted in accordance with the provisions of Section 1283 of Title 36, M.R.S.A.

A similar report was submitted in 1966 to the members of the 103rd Legislature. That report listed a total of 25 parcels or interests at that time owned by the State on account of tax delinquency. The 103rd Legislature authorized such property to be disposed of by the State Tax Assessor by sale to designated persons or by sale to highest bidder (Chapter 5, Resolves 1967).

Of the 25 parcels or interests which the State Tax Assessor was authorized to dispose of by sale the following action has been taken:

Sold to designated person 11
Sold to highest bidder 14
Total received from authorized disposal of 25 parcels or interests \$5,671.97

The current report includes 21 parcels or interests acquired through liens maturing since the last session of the Legislature. Review has been made of each of these parcels, on the basis of which the descriptive material and recommendations included in the present report are made.

In the case of each parcel, this report shows the entire amount of tax, interest and costs that would have accrued had the property remained in taxation to date. This figure is given as an indication of the total amount of tax liability that should be considered outstanding in the case of each parcel.
Respectfully submitted,
(Signed)

ERNEST H. JOHNSON
State Tax Assessor
(S. P. 26)

Which was Read and with accompanying papers Ordered Placed on File.

Sent down for concurrence.
