GRAHAM of Cumberland
WYMAN of Washington
of the Senate.

Mrs. KANY of Waterville

— of the House.

Minority Report of the same committee reporting "Ought to pass" on the same Bill.

Messrs. FARNHAM of Hampden
STUBBS of Hallowell

— of the House.

Reports were read.

The SPEAKER: The Chair recognizes the gentleman from Sabattus, Mr. Cooney.

Mr. COONEY: Mr. Speaker, I move acceptance of the Majority "Ought not to pass" Report, and I would speak briefly to my motion.

The SPEAKER: The gentleman from Sabattus, Mr. Cooney, moves the acceptance of the Majority "Ought not to pass" Report.

The gentleman may proceed.

Mr. COONEY: Mr. Speaker, Ladies and Gentlemen of the House: The bill before you was sponsored by the gentleman from East Millinocket, Mr. Birt, and calls for the creation of a special legislative seal, much along the lines of the seal of the State of Maine. Mr. Birt has even gone to the trouble of drawing up a proposed seal for our use. He has proposed that this would be of use to our leadership and to us, especially in the Clerk's Office and the Secretary of the Senate's Office in putting our seal on special documents and things of this sort. He has indicated to us that there would probably be little cost to it, and there is the possibility of some cost savings in a few clerical matters.

However, the majority of the committee felt that the legislature does not need the seal, and second of all, that we here have more important things to do than to create a State seal for ourselves. We can get along without it, and I think that the public, upon seeing us pass as one of the first ten or fifteen bills of the session create a State seal for ourselves resembling the seal on our flag that we use on other things would not think so highly of our progress.

Finally, Mr. Birt suggested to the committee, to show you what an emergency he thinks it is, would like to see it be an emergency bill so that it could be used right away. I am just not sure the public wants to see us spending our time passing emergency legislation to create a seal for the State Legislature.

The SPEAKER: The Chair recognizes the gentleman from East Millinocket, Mr. Birt.

Mr. BIRT: Mr. Speaker, I move this lie on the table two legislative days.

Thereupon, Mr. Cooney of Sabattus requested a vote on the tabling motion.

The SPEAKER: The pending question is on the motion of the gentleman from East Millinocket, Mr. Birt, that this Bill be tabled pending the motion of Mr. Cooney of Sabattus to accept the Majority "Ought not to pass" Report and specially assigned for Tuesday, February 4. All in favor of that motion will vote yes; those opposed will vote no.

A vote of the House was taken.
68 having voted in the affirmative and 53 having voted in the negative, the motion did prevail.

Orders of the Day

The Chair laid before the House the first tabled and today assigned matter:

House Report, "Ought to Pass" as amended by Committee Amendment "A" (H-6), from the Committee on State Government on Resolution, Proposing an Amendment to the Constitution to Provide Single Member Districts for the House of Representatives. (H. P. 19) (L. D. 27)

Tabled — January 28, by Mr. Rolde of York.

Pending — Acceptance of Committee Report.

The SPEAKER: The Chair recognizes the gentleman from Sabattus, Mr. Cooney.

Mr. COONEY: Mr. Speaker, Ladies and Gentlemen of the House: We have had a couple of procedural problems on this bill, one relating to the apportionment problems that might result and the need for apportionment information from the Census Bureau, and another one having to do with a request for an opinion from the Attorney General's Office. So I think it is proper that this be tabled for two legislative days so we can work these things out, or tabled for some appropriate period.

Thereupon, on motion of Mr. Rolde of York, tabled unassigned pending acceptance of the Committee Report.

The Chair laid before the House the second tabled and today assigned matter:

Bill "An Act Relating to the Provision of After-care Services to Entrusted Juveniles" (H. P. 376) (Committee on

Reference of Bills suggested Committee on Health and Institutional Services).

Pending — Reference.

Thereupon, the Bill was referred to the Committee on Health and Institutional Services, ordered printed and sent up for concurrence.

(Off Record Remarks)

Mr. LaPointe of Portland was granted unanimous consent to address the House.

Mr. LaPOINTE: Mr. Speaker, Ladies and Gentlemen of the House: As chairman of the Portland delegation, I just wanted to point out to everyone that yesterday Jane Callan Kilroy passed away. She was a member of the House of Representatives for nine terms. She was a lady who oftentimes and occasionally I disagreed with, but a person who was very motherly, as a freshman legislator, took me and many members of the Portland delegation in the 106th Legislature under her wing and counseled us and gave us a lot of good motherly advice.

I see that on the calendar of the other body there is an order that will be coming over probably next week and probably will pass.

The following Joint Resolution from the Senate was taken up out of order by unanimous consent:

**IN MEMORIAM
Having Learned Of The Death Of
Hon. Jane Callan Kilroy
of Portland**

The Senate and House of Representatives of the State of Maine do hereby extend their sincere heartfelt condolences and sympathy to the bereaved family and friends of the deceased; and further

While duly assembled in session at the State Capitol in Augusta under the Constitution and Laws of the State of Maine, do herein direct that this official expression of sorrow be forthwith sent to the family of the deceased on behalf of the Legislature and the people of the State of Maine. (S. P. 142)

Came from the Senate read and adopted.

In the House, the Joint Resolution was read.

The SPEAKER: The Chair recognizes the gentleman from Cape Elizabeth, Mr. Hewes.

Mr. HEWES: Mr. Speaker, Ladies and Gentlemen of the House: With reference to the pending resolution, I would like to add that Jane Callan Kilroy was a beautiful person. It was my pleasure to ride back and forth with her to Portland on many occasions, and just yesterday, as I drove through the storm on Interstate 91 in Yarmouth, I recalled the occasion several years ago when we became stuck and she got behind the wheel and an Air Corpsman and I pushed the car with her driving up the incline by Casco Bay Motors.

She was reelected year after year with only a minor expenditure for perhaps one ad in the Church World because of her dedication to service and her tenacity to push a particular cause.

I recall back in the 103rd Legislature when on the final day of the session bills galore were being killed in the other body when they were taken from the Appropriations Committee, and she had a bill on the youth that she managed to get through there, it came back here, finally passed here despite a nearly 2 to 1

Republican majority, and eventually was signed into law.

I think that her greatest contribution perhaps was her three fine sons, one who lives on the Cape, one in South Portland and one in Delaware. She was no spectator; she was a participant. She became involved. She had compassion for everybody, having visited my mother on her death bed in Saco some years ago, cheering mother at that time, and she spoke with some of the world's greatest. She enjoyed a private audience with the Pope. She has shaken hands with President Franklin D. Roosevelt, President Harry S. Truman and President John Fitzgerald Kennedy.

The world is a better place because of the activities of Jane Callan Kilroy.

The SPEAKER: The Chair recognizes the gentleman from Lewiston, Mr. Jalbert.

Mr. JALBERT: Mr. Speaker, Ladies and Gentlemen of the House: This morning when I got off the elevator, the first words that were uttered to me, someone said, "Your friend Jane died."

Jane Callan Kilroy I met on inauguration day of Governor Louis J. Brann back on the first Wednesday of January in 1933. I have been fond of her ever since. I was fond of her from that day on. And I think that anyone who would say that Jane Callan Kilroy — and she liked to be called "Jane Callan Kilroy," and if you forgot the Callan, she quickly reminded you of it.

Jane Callan Kilroy liked people. Her tenacity was beautiful to watch. When she wanted something, she really got it. If you forgot to have her sing a song at a function, you quickly heard from her.

I know that everyone that knew Jane are chagrined by her passing. She contributed a great deal to this body. She contributed a great deal to her city, to her state, and she was a great mother. I am very very chagrined, as I know all of us are, of hearing of her passing.

The SPEAKER: The Chair recognizes the gentleman from Portland, Mr. Mulkern.

Mr. MULKERN: Mr. Speaker, Ladies and Gentlemen of the House: I suppose I would be remiss if I didn't have something to say about the passing of Jane Callan Kilroy. I knew her only briefly, but I came to admire her very much. She had more than one occasion to give me somewhat motherly or grandmotherly advice, and the advice was well taken. I think she was a very wise woman and she knew a lot about the world. I really appreciated her advice.

In addition to that, we sort of had a special thing going between us, because I was sort of Jane's piano accompanist ex-officio up here for the past two years. I accompanied her in the singing of the Star Spangled Banner on a couple of official occasions and Jane seemed to enjoy my accompanying her.

I would just like to say that we are really going to miss her.

Thereupon, the Joint Resolution was adopted in concurrence.

The SPEAKER: The Chair would appoint as the representation on behalf of the House to represent the Maine House of Representatives the Cumberland County delegation.

On motion of Mr. Hewes of Cape Elizabeth,

Adjourned until Tuesday, February 4, at ten o'clock in the morning, in memory of Jane Callan Kilroy.
