Communication

The Following Communication: (S. P. 268)

State of Maine

**Department of Conservation
State House Station 22
Augusta, Maine 04333**

February 15, 1983

The Honorable John L. Martin

Speaker of the House of Representatives

State House Station #2

Augusta, Maine 04333

The Honorable Gerard P. Conley

President of the Senate

State House Station #3

Augusta, Maine 04333

Dear President Conley and Speaker Martin:

As provided by 12 M.R.S.A., Section 685-A, Subsection 8, amendments to the Land Use Regulation Commission's land use standards must be submitted to the Legislature for review and consideration. Accordingly, I am submitting to you an amendment which the Commission adopted on March 17, 1982. If the Legislature chooses to take no action, this amendment will remain in effect as adopted.

The Commission, and the civil divisions within its jurisdiction, participate in the National Flood Insurance Program. It is the opinion of the administering federal agency, the Emergency Management Agency, that incorporation of the federal requirements is necessary in order for the Commission and its jurisdiction to continue to qualify for the Flood Insurance Program.

The incorporation of the federal requirements does not substantively alter the Commission's existing requirements within its P-FP zone, but does provide for the continued availability of Federal Flood Insurance to property owners within its jurisdiction.

Prior to Commission adoption, this amendment to the standards was the subject of a rule making hearing.

I will be happy to meet with the appropriate legislative committee and/or yourselves to further explain this amendment.

Thank you for your consideration

Sincerely,

S/THOMAS S. RADSKY

Which was Read a Second Time.

The PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Minkowsky.

Senator MINKOWSKY: Mr. President and Members of the Senate, yesterday afternoon, February 16th, I had a very meaningful discussion relevant to this Bill with Judge Devine and I must say he was very helpful in clearing up some of the misapprehensions regarding the additional judge in District Court 8 in the City of Lewiston.

I guess a lot of it stemmed from the fact that many of our judges, in the Judicial System, had a great deal of illness and a backlog did build up along those lines.

Secondly, Judge Devine made it clear in one respect to me that the Judicial System is now up to full capacity or full strength, which gave me the indication that we really did not need an additional judge. On the other hand, he further clarified one other aspect of this in that; if the Bill is rectified in the House, if it survives the Appropriations Table, that he has the discretion of appointing this judge, but made a reasonable assurance that the judge, to be appointed, would not necessarily work in the city of Lewiston or District Court 8 as a whole, because the workload, also, encompasses the Brunswick area. That area seems to be having a problem with a backlog, also.

I guess he was very sympathetic and understanding, and I can see part of the reason why the Judicial System in the State of Maine is apprehensive in getting involved in requesting additional judges.

I sincerely believe that they are doing the very best they possibly can with the workload that they have, and with the manpower and staff they have to work with. I would now like to move that this Bill be Passed to be Engrossed, Mr. President.

The PRESIDENT: The Senator from Androscoggin, Senator Minkowsky now moves that this Bill be Passed to be Engrossed, in concurrence.

The Chair recognizes the Senator from Androscoggin, Senator Trafton.

Senator TRAFTON: Mr. President and Members of the Senate, I am very pleased to hear that Senator Minkowsky of Androscoggin has now endorsed passage of this Bill.

I did speak with Chief Justice McKusick of our Maine Supreme Judicial Court, yesterday. He asked me to express on the floor of the Senate that this Bill has the complete support of the judiciary.

We all have had situations dealing with one bureau or another, where some confusion has existed as to whether or not a bureau supported a particular action. In this case, the judiciary did have some confusion within its own ranks, as to whether or not this Bill was to be supported. I think, that confusion within the judiciary has led to some confusion, both in the House and here in the Senate, as to whether or not this Bill was a worthy measure. I'd like to simply state that the judiciary is fully behind passage of this Bill, and they apologize for the confusion that has resulted in this matter. Thank you.

On motion by Senator Minkowsky of Androscoggin, L. D. 530 was Passed to be Engrossed, in non-concurrence.

Sent down for concurrence.

Senator HAYES: Mr. President and Members of the Maine State Senate, just a note of information about this Bill.

This Bill addresses the practice of the State of Maine of retaining Local Leeway payments that are owed to local communities. Since 1977, the State has been withholding Local Leeway payments from local municipalities in order to collect interest.

This Bill speeds up the repayment of this Leeway to local communities by five months.

This Bill will, therefore, help to increase the cash flow of local communities. Thank you.
