STATE OF MAINE

One Hundred and Eleventh Legislature
Second Confirmation Session
JOURNAL OF THE SENATE

Augusta, Maine
September 23, 1983

Pursuant to the provisions of Article 5, Part 1, Section 8 of the Constitution and the laws of the State of Maine, the Senate convened at two o'clock in the afternoon.

Senate called to order by the Secretary.

The SECRETARY: Is it now the pleasure of the Senate to appoint the Senator from Penobscot, Senator Pray to preside as President Pro-Tem?

It is a vote.

The Secretary requested the Sergeant-at-Arms to escort the Senator from Penobscot, Senator Pray to the rostrum to assume the duties of President Pro-Tem.

The Sergeant-at-Arms escorted the Senator from Penobscot, Senator Pray to the rostrum where he served as President Pro-Tem.

Prayer by Father John Bellefontaine of Sacred Heart Church of Hallowell.

FATHER BELLEFONTAINE: Oh Almighty and loving Father we recognize Your presence here this afternoon, because You're not only our creator but, also, our conserver.

In Your vast universe You have placed in many forms almost boundless energy for the good of humankind, but to our chagrin this necessary gift has been employed for destruction, pain and sorrow which could total us if not controlled and properly guided.

May our leaders see Your goodness and imitate it. May they use the forces available to them, to protect and enrich all of human life, to pursue constantly justice that will enhance universal peace.

Oh Lord if we do not pursue spiritually Your goodness, how can we be real leaders for our state, our country and the world in these critical times?

Oh Lord, God, we earnestly, this day, seek Your blessings for this assembly and we ask this through Christ, our Lord. Amen.

Senator MINKOWSKY: Mr. President and Members of the Senate, it is indeed a privilege and a pleasure for me to wholeheartedly endorse the nomination of Geneva Kirk.

Geneva Kirk, in my estimation, is a person of principle: who has been a dynamic community leader in the city of Lewiston, who is the most energetic person I think that I ever met, and has one of the finest and clearest perceptions of education.

Indeed I commend the Governor of the State of Maine for his nominee.

Indeed the University Board of Trustees is indeed fortunate to have a person of her caliber aboard.

Geneva Kirk will be a positive influence on the deliberations of the University of Maine Board of Trustees, and which I consider one of the most prestigious Boards in the State of Maine.

My community is proud of Geneva Kirk, and I, as the Senator from the city of Lewiston, also, am indeed proud of Geneva Kirk.

Senator PEARSON: Mr. President and Men and Women of the Senate, not long ago in an area outside of Millinocket I spoke to Senator Charette, who is from Lewiston, and told him as I tell you now that if I were to pick anybody from Lewiston who could be qualified it would be this lady. She is probably Maine. I think that she will do a good job for the University of Maine Board of Trustees. I think that the Governor has made a good selection. I think, I know, that everybody will vote for her, but I do hope that when the Governor considers his next nominee that it will be from northern Maine, however.

The Chair recognizes the Senator from York, Senator Hichens.

Senator HICHENS: Mr. President, before the vote is taken on this confirmation I would like to stand and say that I have nothing against the appointee, I think that Mrs. Richard as I have known her and as she has been a member of "the Balcony Beauties" for a great many sessions over in the other Branch of the Legislature she is probably well qualified, but I do question the judgment of the Governor in appointing a six member board with all members of one party in the State of Maine.

I think a board such as the Board of Education should have representation from the people of the State. There are still a few Republicans left in the State of Maine, there are a great many unenrolled voters and I do not think that it is fair to them to have members of this Board all from one party.

I am going to vote for Mrs. Richard today, but I hope that the Governor in his future appointments will consider that, that we may have a fair representation on the boards that represent the people of State of Maine.
