JOURNAL OF THE SENATE
In Senate Chamber
Thursday,
June 20, 1985
Senate called to Order by the President.

Prayer by The Honorable Ronald E. Usher of Cumberland.

Senator USHER: Let us bow our heads. O Lord, as we begin this final day, we hope that You will take a moment to be with us, as we express our thanks for all of the good things that You have helped us accomplish.

We thank You for watching over us and giving us the courage to do what is right. We would also like to thank our dedicated and loyal employees, who have labored many long hours to help make this Session a successful one. We ask You for continuing guidance and support, in Thy Holy Name, we pray, Amen.

Reading of the Journal of Yesterday.

ENACTORS

The Committee on **Engrossed Bills** reported as truly and strictly engrossed the following: An Act Relating to Retirement Options for Legislators (H.P. 703) (L.D. 1013) (S "A" S-317; H "B" H-450; H "A" H-263 to C "A" H-154).

On motion by Senator PEARSON of Penobscot, placed on the **SPECIAL APPROPRIATIONS TABLE**, pending **PASSAGE TO BE ENACTED**.

An Act to Amend the Wood Measurement Laws (H.P. 960) (L.D. 1381) (S "A" S-299 to C "A" H-272).

THE PRESIDENT: The Chair recognizes the Senator from Aroostook, Senator Carpenter.

Senator CARPENTER: Mr. President and Ladies and Gentlemen of the Senate. Basically all I am going to do is ask for a Roll Call on Enactment of this very controversial Bill. There are elements lobbying this Bill that I cannot defeat, obviously. Elements that have been scurrying about in the back of this Chamber, the other night and today. I thought it was pathetic, almost, in the prayer we heard this morning, we asked for the courage to do what is right. I think that deep down, many of us believe that what is right is that this Bill should not become law. It is going to become law, and I guess I will have to accept that. I think it is too bad, and I predict that if in fact it is signed into law by the Governor, or becomes law, that we will have to bring the woodcutters back next year and seek in the hallways, for a couple of months, then perhaps they will be able to accomplish what it was that they accomplished last year.

Mr. President, I request that when the vote is taken, it is taken by the Yeas and the Nays.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Matthews.

Senator MATTHEWS: Mr. President, Men and Women of the Senate. I will be very, very short. (Very, very brief) Thank the Lord, it is the last day! Members of the Senate. I just wanted to go on Record as to why I have traditionally not supported this Bill. I guess it came down to what I believe has been a concern of many people in the State of Maine to the Legislators change in mid-stream. At times, it seemed that we pass a law, then we come back in the next Session, before we have given it a chance to work, or see how it fails, or does well and then change it.

I just couldn't resolve that basic premise in my own mind, that what we were doing today in this Bill, was just changing the law before we gave it a chance to see whether or not it is going to work or fail.

I voted my conscience on this issue, and I do remember the woodcutters that were here just a Session ago lobbying these halls for some

fairness and justice. I voted for what I believe was right, and I have stood by it, and I just hope that all within ear-shot of my voice and the constituents back home will understand that I voted for what I believed was right. Thank you.

THE PRESIDENT: A Roll Call has been requested. Under the Constitution, in order for the Chair to order a Roll Call, it requires the affirmative vote of at least one-fifth of those Senators present and voting.

Will all those Senators in favor of ordering a Roll Call, please rise in their places and remain standing until counted.

Obviously, more than one-fifth having arisen, a Roll Call is in order.

The pending question before the Senate is **PASSAGE TO BE ENACTED**.

A Yes vote will be in favor of Enactment. A No vote will be opposed.

The Doorkeepers will secure the Chamber. The Secretary will call the Roll.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Andrews. Senator **ANDREWS:** Mr. President, I move the Indefinite Postponement of this Bill and all Accompanying Papers.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Usher.

Senator **USHER:** Mr. President. I request a Division. Mr. President and Members of the Senate. This is the Referendum issue. It is very appropriate that when the people do go to the polls this November, that they have a competing measure. This is setting public policy. The Low Level Waste Commission endorsed the competing measure. The Energy and Natural Resources Committee endorsed the competing measure, and at this time, when they do vote in November, have another measure so as to give an indication whether to store low level waste in the State of Maine.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Andrews.

Senator **ANDREWS:** Thank you Mr. President. Mr. President and Men and Women of the Senate. I don't intend to initiate a long drawn-out debate on this issue. We have heard both sides of the issue last week very clearly.

I am not going to debate the merits of the issue one way or the other. I simply am asking for the Indefinite Postponement of the competing measure, primarily because of the confusion that it may cause people who go to the ballot. There was a large number of Maine people who used their constitutional right through the initiative process to place this very important before the voters. They worked hard. They achieved their goal, and I think we owe it to them to have a clear-cut issue before the voters in the State through their initiative question. So, I ask that you Indefinitely Postpone, join in with me in Indefinitely Postponing this measure. Allow that question to go before the voters and let them have their day in court before the voters in Maine, in November, I ask when the vote is taken, it be by the Yeas and the Nays.

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Baldacci.

Senator **BALDACCI:** Mr. President. I would like to pose a question through the Chair to any Member who may wish to answer it. The question is, very simply, that if a compact were to be negotiated with a state like New York, and the waste were to be taken to that State, if we

as a State had adopted the second measure which says that we would deal with it in our own State, if that compact was dissolved, and we were asked to take that waste back, our own, plus other waste, would we have an opportunity to vote in it in the State?

THE PRESIDENT: The Senator from Penobscot, Senator Baldacci has posed a question through the Chair to any Senator who may care to respond. The Chair recognizes the Senator from Kennebec, Senator Kany.

Senator **KANY:** Mr. President and Senators. In answer to the good Senator from Penobscot, Senator Baldacci's question. The answer is that the competing measure, if that is enacted eventually by the voters, would not require a vote of approval by the voters for a compact. If a compact were dissolved, and if there were to be waste in Maine, which were to be at the disposal place—any other place other than at Maine Yankee, it would require voter approval.

THE PRESIDENT: A Roll Call has been requested. Under the Constitution in order for the Chair to order a Roll Call, it requires the affirmative vote of at least one-fifth of the Members present and voting.

Will all those Senators in favor of ordering a Roll Call, please rise in their places and remain standing until counted

Obviously, more than one-fifth having arisen, a Roll Call is in order.

The pending question before the Senate is the motion of Senator **ANDREWS** of Cumberland to **INDEFINITELY POSTPONE** the Bill and Accompanying Papers.

A vote of Yes will be in favor of Indefinite Postponement.

A vote of No will be opposed

The Doorkeepers will secure the Chamber. The Secretary will call the Roll.

Senator **DUTREMEBLE** of York who would have voted Nay requested and received permission to pair his vote with Senator **NAJARIAN** of Cumberland who would have voted Yea.

Senator **DIAMOND** of Cumberland who would have voted Yea requested and received permission to pair his vote with Senator **BLACK** of Cumberland who would have voted Nay.

Senator **CLARK** of Cumberland who would have voted Yea requested and received permission to pair her vote with Senator **WEBSTER** of Franklin who would have voted Nay.

Senator **GILL** of Cumberland who would have voted Nay requested and received permission to pair her vote with Senator **BERUBE** of Androscoggin who would have voted Yea.

ROLL CALL

YEAS:—Senators, Andrews, Brown, Bustin, Carpenter, Chalmers, Dow, Gauvreau, Matthews, Sewall, Stover, Trafton, Tuttle, Twitcheil, Violette, The President—Charles P. Pray

ABSENT:—Senators, Danton, Erwin, McBrearity

15 Senators having voted in the affirmative and 9 Senators having voted in the negative, with 8 Senators having Paired their votes and 3 Senators being absent, the motion by Senator **ANDREWS** of Cumberland to **INDEFINITELY POSTPONE** Bill and Accompanying Papers in **NON-CONCURRENCE, PREVAILED**.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Kany

Senator **KANY:** Mr. President. Is the motion to Adopt the Minority Report and Enact the Initiated Measure now in order?

THE PRESIDENT: The Chair would advise the Senator that the Bill has been Indefinitely Postponed

Senator **KANY** of Kennebec was granted unanimous consent to address the Senate On the Record.

Senator **KANY:** I would like to indicate On the Record that I would have preferred Enact-

ing the Initiated Measure now, and my second choice was going with the competing measure only so that policy could be discussed, instead of just having one on the ballot in November, if we wish to give the voters an opportunity to decide on what policy ultimately would be. Thank you.

Under suspension of the Rules, ordered sent down forthwith for concurrence.

Off Record Remarks

Senator DIAMOND of Cumberland was granted unanimous consent to address the Senate On the Record.

Senator DIAMOND: Mr. President and Members of the Senate. Because of logistic problems we are unable to make a correction in the Underground Tanks legislation. It was a typo under Section 564. I would simply like to have this on the Record that the intent of this Legislation in this Section is not to delete Section C, the typo in the paragraph talks about B by mistake. So the records should show until the time we get a chance to correct this, that under Section 564, the reference to paragraph B, should read paragraph C. The reason that has importance is because without that change that one whole section would be omitted. Thank you.

Senate At Ease

Senate called to Order by the President.

Senator **BUSTIN** of Kennebec was granted

unanimous consent to address the Senate On the Record.

Senator **BUSTIN**: Thank you, Mr. President. Men and Women of the Senate. I simply bring a message to you from down in the basement. The message is: [To the Members of the 112th Legislature and Staff. I want to take just a minute to thank you again for all of your friendship, support and patronage throughout the Session. I hope you all enjoy your summer and I will be waiting to see you in the fall. God bless and take care. Sincerely, Paul & Floyd in the Snack Bar.]

The President requested the Sergeant-At-Arms to escort the Senator from Aroostook, Senator **CARPENTER** to the Rostrum.

THE PRESIDENT: During the Session, the Chair, on a number of occasions when desired to have a break from presiding, found that the Senator from Aroostook, Senator Carpenter, always provided that opportunity for the Presiding Officer to step down. The Chair, as Presiding Officer, would like to thank the Senator from Aroostook, Senator Carpenter, for serving as President-Pro-Tem on a number of occasions, and providing me with that break. I would like to present him with this gavel as being a President-Pro-Tem.

The President requested the Sergeant-At-Arms to escort the Senator from Cumberland, Senator **CLARK** to the Rostrum.

THE PRESIDENT: The Chair would point out that the Senator from Cumberland, Senator Clark, is the second female-women Senator, who has served as President-Pro-Tem. The first being the wife of the Senator from Androscoggin, Senator Trafton. Senator Clark was the first woman since the 110th Legislature to serve as President-Pro-Tem, and although the Presiding Officer wasn't here that day to see her in action, the reports that came back were extremely favorable. The Presiding Officer would keep an eye on her to make sure in the future to see that she only serves as President-Pro-Tem. I would like to express my appreciation for the job that she provided that day and to allow the Presiding Officer to attend meetings elsewhere. I would like to present her with a gavel.

The President requested the Sergeant-At-Arms to escort the Senator from Aroostook, Senator **VIOLETTE** to the Rostrum.

THE PRESIDENT: During the year, on a couple of occasions, again, when the Presiding Officer needed a break and would always look over to see if the other Senator from Aroostook was in his seat, and found that he wasn't there because he was out running the hallway or somewhere, the Chair then turned to the good Majority Floor Leader. I think it is no secret that the Senator from Aroostook, Senator Violette and myself have been friends for some time. We have over the years shared a lot of debate in the Chamber—out of the Chamber—in the offices and so forth. The Chair has always found him to be a close friend and has always been there to assist and to help. I think that the other day when we had the debate on one of the bills, that seemed to have gone on and on, that was one of the times that the Presiding Officer enjoyed the most of getting down from here, in rather warm weather, and was appreciative to have the Senator from Aroostook, Senator Violette, there to turn to. He also did a commendable job. I would like to thank him for that and appreciate his friendship over the Session and over the years, and present him with a gavel.

The President requested the Sergeant-At-Arms to escort the Senator from York, Senator **DUTREMBLE** to the Rostrum.

THE PRESIDENT: During the year, I have had a number of occasions in calling the Senator from York, Senator Dutremble, the

Senator from York, Senator Danton. The Senator from York, Senator Danton, is not present today to receive his gavel for serving President-Pro-Tem. Since on so many occasions, I had called the Senator from York, Senator Dutremble, Senator Danton, I thought maybe he would like to present him with his gavel.

Senator **DUTREMBLE** of York was granted unanimous consent to address the Senate Off the Record.

THE PRESIDENT: The Chair would only like to state that from the beginning of this Session, The Chair has found that the Senator from York, Senator Danton, has been of great assistance and guidance to the Presiding Officer. An Act to Reimburse the Unorganized Territory Education and Services Fund for Overcharges from 1978 to 1983. (S.P. 221) (L.D. 584) (H. "A" H-481)

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Pearson.

Senator **PEARSON:** Mr. President. This represents, at least to one individual in the Senate, a major milestone. In a long, long, long road, and attempt to right what he considered a wrong, with regard to the Unorganized Territory in the State. Over the last several years I have, from time to time, been an adversary of Senator McBreairey of Aroostook—when it came to some issues involved with Unorganized Territory. Never, ever did I ever feel, however, once that the man was not right in his major quest to achieve what he has succeeded in achieving this evening.

He probably is as satisfied now as he has ever been before, since he has been in the Senate, for accomplishing what he is going to accomplish in the next couple of minutes. I think that everybody in here at one time or another

has had Senator McBreairey stand about a foot from their face, wave his finger and say, "Let me tell you my story," and heard the story, probably at least five or six times. He never gave up—ever! He used to tell me, "You know Mike, I think as much of my people in my Unorganized Territories as you do your Indians in Old Town. There are not many votes there, there are not very many people, but right is right and wrong is wrong." I think what we are seeing here tonight, and I am glad that I am here, and I am glad that you are here to see this historic event in his Legislative career, in the Passage of this Bill.

(Applause with Members rising)

Which was **PASSED TO BE ENACTED** and having been signed by the President, was presented by the Secretary to the Governor for his approval.

Senator **McBREAIRTY** of Aroostook was granted unanimous consent to address the Senate On the Record.

Senate At Ease

Senate called to Order by the President.

Senator **PEARSON** of Penobscot was granted unanimous consent to address the Senate On the Record.

Senator **PEARSON:** Mr. President, Men and Women of the Senate. This is probably the hour to reflect on where we have been and think about things that we have accomplished. I know that we have kidded a lot today and we have always done that at the end of every Session that we have had.

I would like to say a few words about this Session, having been here awhile—not as long as Senator Shute or some of the other people here. I would like to say that I think the Senate

President, Senator Pray, has probably run as smooth of an operation here as I could imagine anybody could be capable of doing. He has, at least from my prospective as a Committee Chair, been most kind. He has given us the latitude to operate Committees and never has instructed any of us to operate in a partisan manner, but has always encouraged us to cooperate with the Members of the Minority, and also with one another.

We have had as harmonious Session, I think, as I have ever recalled. Not only within this Body, but between the two bodies, and between the two political parties here. We have been on an even keel and I attributed most of it to your leadership. I think you have been patient, effective and I congratulate you on this Session.

THE PRESIDENT: The Chair would like to thank the Senator from Penobscot, Senator Pearson, for his kind remarks. We do have a few papers to run, but I would like to make some comments before we run those papers.

I would like to take this opportunity to thank all of you for the tremendous efforts throughout these final days of the Session. Your actions have been responsible and responsive to the people in the State of Maine. As we put the finishing touches on the first Regular Session of the 112th Legislative Session, I think it would be appropriate to step back and look at some of our accomplishments.

When we began the Session last December, I told you that we had many challenges and exciting opportunities were ahead of us. Today, as we evaluate whether or not we have met those challenges and took advantage of those opportunities, I think one assessment is true. We gave it our best!

On the first day of the Session I asked you for your help, your patience, as I stewarded in this new position. Today, I want to thank each one of you for affording me with your patience and for your support. During these past—roughly 100 Legislative days—we have come a long way. The road has not always been smooth—we have had our ups and our downs and our differences. As we prepare to Adjourn, we can do so knowing that jointly, together, we made this Session one of the most open and cooperative in my memory.

I would like to take this opportunity to thank a few individuals whose hard work often goes unnoticed—who are often called upon to spend long hours, and so are these individuals long after we have gone home. Molly Pitcher, Marcia Hallett—the Sergeant-At-Arms and the Assistant Sergeant-At-Arms, along with the entire chamber staff, I think deserves our sincere appreciation and thanks for their effort.

Joy O'Brien, Val Mitchell, who with their staff, in the Secretary of the Senate's office here on the third floor and the additional staff up on the fourth floor, have done their utmost to keep us on track throughout this Session. When things seem to get out of hand, you can always be sure that Joy O'Brien will holler "Hold it!". I want to extend to them my most sincere appreciation for the efforts that they have put forth this Session from its' beginning and into the waning hours. I want to say thank you to both of them, and to all of them in the staff. Thank you.

I would also be remiss if I left out the staff in the various partisan offices here. Both the Minority and the Majority offices, and in my own office as Senate President. I appreciate all of their efforts to keep this ship afloat, to provide the service to each one of the Members, to assure us that we would have the most updated information to debate issues, to know where we stood, and to know where our constituents stood on the various issues that were before us.

I cannot name everyone who deserves to be recognized, but I do want everyone who helped make this Session a success, to know that their dedication and efforts have not gone unnoticed

from myself or from the Membership.

I began this Session with a quote that I had heard a long time ago and as we finish I believe that it deserves repeating. [Public life is regarded as a crown of a career, and to the people who seek it out is the worthiest ambition. Politics are still the greatest—the most honorable adventure.] I thank each of you for your participation in this democratic adventure and it has been an honor to serve with you and to serve as Presiding Officer of the Senate in the First Regular Session of the 112th Legislature. Thank you.

Senate at Ease

Senate called to Order by the President.

At this time, the **HONORABLE JOSEPH E. BRENNAN**, **GOVERNOR** of the State of Maine, entered the Senate Chamber and was escorted by the Sergeant-At-Arms, to the

Rostrum. (Amid prolonged applause, the Members rising.)

THE PRESIDENT: The Chair is pleased to recognize and welcome to the Rostrum the Honorable Joseph E. Brennan, the Governor of the State of Maine.

(Applause, the Members rising)

GOVERNOR BRENNAN: Thank you. Mr. President Ladies and Gentlemen of the Senate. I want to tell you how a Governor feels on the last day of a Legislative Session. It is a little bit like the way a child feels when it is the last day of school. In fact, it is actually a little better; there is more of a sense of security, when you folks leave town, my job is a little more secure and I think of that often. So it is kind of a special day—the last day of the Session.

I do want to thank all of you for the support you have given to our effort to strengthen Maine's economy. Four months ago I challenged you to meet the problem of Workers Compensation head on. You accepted my challenge and produced Legislation that meets every test of that reform. The Workers Compensation Bill that I signed Tuesday will reduce costs, eliminate unnecessary litigation, improve worker safety, retain a benefit level for injured workers that still ranks among the best in this Nation.

Most important of all, it will insure that there will be more and better paying jobs for Maine's workers in the future. In fact, it is my belief that is the most significant piece of economic development legislation to pass the Maine Legislature in several years.

You also took other significant steps to improve Maine's economy. You approved the Transportation Bond Issue that will generate two hundred and thirty million dollars in road, bridge and airport improvements. You have created a housing fund that will generate two million dollars of private housing investment and make it possible for about five thousand Maine families to experience that special feeling of buying their first home.

You have approved Bond Issues for Vocational Technical Institutes. In this Session, you continued the momentum begun last September for improving the quality of education for Maine's children by solving the problem of how to raise teacher's salaries without breaking the bank or violating local control. and you offered hope this year, to those children who must live under the shadow of violence and fear, by providing money for treatment and counseling, for families trapped in the vicious cycle of abuse and neglect.

You have addressed the problem of alcohol and drug abuse by stiffening penalties for drunk driving, by raising the drinking age to twenty-one and by beefing up our State Police drug enforcement effort.

You acted to enhance our environment by approving funds for sewerage treatment and by addressing critical ground water issues. And you did many other things too numerous to mention tonight. You did all this without increasing any broad based taxes.

In fact, in the process, you have found room to create a fiscal cushion, a Rainy Day Fund, which I believe will be helpful insurance in the years ahead.

In this record of great accomplishments, there are also a few disappointments. I was disappointed today to see that extremely bond proposals for new State parks and energy improvements were defeated. But the biggest disappointment of the Session was the failure to enact seatbelt and helmet safety legislation, which was very persuasive evidence indicated could have saved hundred of Maine lives, and prevented thousands of unnecessary injuries, and saved tens of millions of dollars over the next few years.

I can assure you that this is an issue will not go away. Tonight I pledge to the people of Maine that I will offer this Bill again to the 112th Legislature, and I will do all that I can

to help secure it's passage.

To President Charles Pray, to Senator Paul Violette, Senator Nancy Clark, Senator Tom Perkins and Senator Barbara Gill, to the committee Chairs, and to all the Members of the Senate, you have earned the sincere thanks of the people of the State of Maine, for the consciousness way in which you have met your responsibilities, and you have my personal congratulations.

I would like to particularly thank Senator Dennis Dutremble for his exceptional job in shoving through the Workers Compensation Reform. I think that was one of the most formidable legislative efforts I have seen in my twenty years around here, so I really want to pay you special thanks, Dennis.

I also want to thank Senator Bill Diamond for the courage he showed as a Democrat when he co-sponsored that legislation and I want to thank my old and dear friend, Senator Peter Danton for fighting the good fight for seat belts and helmets and I am going to give him a chance to make that fight again. This time he tells me he is going to win that fight.

I know that this has not been a very easy Session in many respects. The issues you have had to deal with have not been very glamorous and popular. Workers Compensation, underground oil storage tanks, Keyes Fibre, child abuse, State facilities repair and the like. These are not the kinds of issues that will get you in the newspapers cutting ribbons, representing grants, but they are critically important issues. In this Session you have acted on them with courage and principle.

I want to say from the standpoint of my Administration, we feel that most of the legislation we offered was dealt with very responsibly. I also want to thank Senator Michael Pearson for the special help he gave us to get the most important bills through. Thank you very much Michael.

All of you, from every corner of Maine, can now return home knowing that the quality of life for the people of Maine, the people that you and I represent, will be appreciably better in the years ahead because of what you have done here in the last six months.

I want to say that I hope you have a nice summer and I hope we do not have to meet until January, but whatever will be will be. Thank you very, very much.

(Applause, the Members rising)

The Sergeant-At-Arms escorted the Honorable Joseph E. Brennan, Governor of the State of Maine from the Senate Chamber, amid prolonged applause, the Members rising.

On motion by Senator **STOVER** of Sagadahoc, at 9:17 p.m. on Thursday, June 20, 1985, the Honorable **CHARLES P. PRAY** declared the Senate of the First Regular Session of the 112th Legislature, **ADJOURNED SINE DIE**.
