The SPEAKER: The Chair is pleased to recognize at the back of the Hall of the House the Daffodil Child of the American Cancer Society in Maine for 1989. He is accompanied by his parents, John and Simone, his sisters, Amy and Beth -- he is Craig Turgeon from Sanford. He is a guest of the Sanford delegation. We welcome you here to the State House. Welcome Craig. (prolonged applause, the audience rising)

Representative Hale of Sanford was granted unanimous consent to address the House:

Representative HALE: Mr. Speaker, Ladies and Gentlemen of the House: It is a pleasure for me today to welcome on behalf of the Sanford delegation the Daffodil Child who represents all the children in the State of Maine. Craig is a brave young man. He has been fighting a battle for many years but, as you can see, he is winning his battle. He has also been encouraged, not only by his parents as all children should, but he has had a great deal of help and a lot of credit should go to Amy and Beth, his sisters. Every brother should have sisters because sisters do the work but every sister should have a brother to show them the way.

I thank you Mr. Speaker for recognizing him today.

The SPEAKER: Thank you for coming today Craig.

JOINT RESOLUTION MEMORIALIZING THE CONGRESS OF THE UNITED STATES TO GRANT COMPENSATION TO ATOMIC VETERANS WITHOUT REGARD TO LATENCY PERIODS

WE, your Memorialists, the Senate and House of Representatives of the State of Maine in the First Regular Session of the One Hundred and Fourteenth Legislature, now assembled, most respectfully present and petition the United States Congress, as follows:

WHEREAS, many Maine Atomic Veterans have died of cancer, leukemia and other radiation-induced illnesses; and

WHEREAS, Public Law 100-321 provides compensation to Atomic Veterans for certain illness but invokes a latency period of 40 years for certain cancers and 30 years for certain leukemias; and

WHEREAS, Atomic Veterans who have either been diagnosed as having, or are deceased as a result of, colon cancer or cancer of the parotid gland are denied benefits by Public Law 100-321; and

WHEREAS, colon cancer and cancer of the parotid gland are internationally recognized as being caused by radiation exposure; and

WHEREAS, no concrete scientific evidence of the type that would be supported by application of the Reasonable Man Doctrine exists to substantiate latency periods; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully recommend and urge the Congress of the United States to grant presumptive compensation to Atomic Veterans for cancer of the colon and the parotid gland and to delete latency period requirements for radiation compensation from the law; and be it further

RESOLVED: That a duly authenticated copy of this Memorial be immediately submitted by the Secretary of State to the Honorable George H.W. Bush, President of the United States, the President of the Senate and the Speaker of the House of the Congress of the United States, to each Member of the Senate and House of Representatives in the Congress of the United States from this State and to the Governors of the 50 United States.

Was read and adopted and sent up for concurrence.

On motion of Representative HOLT of Bath, the following Joint Resolution: (H.P. 634) (Cosponsors: President PRAY of Penobscot, Senator TITCOMB of Cumberland, and Representative CONLEY of Portland) (Approved for introduction by a majority of the Legislative Council pursuant to Joint Rule 35)

JOINT RESOLUTION MEMORIALIZING THE CONGRESS OF THE UNITED STATES TO RESTORE FULL

CONSTITUTIONAL RIGHTS TO MAINE VETERANS WHO BORE ARMS IN DEFENSE OF THE UNITED STATES OF AMERICA

WE, your Memorialists, the Members of the One Hundred and Fourteenth Legislature of the State of Maine, now assembled in the First Regular Session, most respectfully present and petition the United States Congress, as follows:

WHEREAS, the sons and daughters of Maine have always been generous in bearing arms to defend the United States of America and willingly took an oath to uphold, protect and defend the Constitution of the United States against all enemies; and

WHEREAS, it is commonly known that veterans who have served their country do not enjoy the full protection of the Constitution of the United States; and

WHEREAS, the 7th Amendment of the Constitution of the United States of America states "In suits at common law, where the value in controversy may exceed twenty dollars, the right of trial by jury shall be preserved..."; and

WHEREAS, the 14th Amendment of the Constitution of the United States provides that no person may be deprived of life, liberty or property without due process of law; and

WHEREAS, the founding fathers took great pains to establish that the military would always be under civilian control; and

WHEREAS, a decision of the Supreme Court of the United States which established the Feres doctrine precludes suits against the United States by veterans for peacetime damages and the so-called "Warner Amendment" declares defense contractors to be government employees when sued by a veteran and thus are defended by the Feres doctrine; and

WHEREAS, Title 38 United States Code bars an attorney-at-law from charging a veteran more than \$10 for that attorney's services at any level in the Veterans' Administration claims process; and

WHEREAS, Maine citizens entering the Armed Forces of the United States are not informed at time of enlistment of any constitutional rights they may be forfeiting by taking an oath to uphold, protect and defend the Constitution of the United States of America; and

WHEREAS, the sons and daughters of Maine have willingly sacrificed their lives to preserve our liberties, been decorated for heroism against an armed enemy and have kept faith with the Constitution of the United States; now, therefore, be it:

RESOLVED: That We, your Memorialists, respectfully pray, that in keeping faith with veterans of the Armed Forces of the United States of America, millions of whom have given their lives in defense of the Constitution of the United States, that the Congress of the United States, in keeping with the plain language of the Constitution of the United States, grant, reaffirm and forever pledge that the rights accruing to all citizens under this great document shall not be abridged or denied any citizen who bore arms in defense of that citizen's country; and be it further

RESOLVED: That the Congress of the United States shall require the Secretary of Defense be directed to inform all citizens volunteering or otherwise inducted into the Armed forces of the United States of their constitutional rights and of any rights their service shall cause the volunteer or inductee to forfeit, and that the notification be accomplished in writing prior to entering the military service; and be it further

RESOLVED: That a duly authenticated copy of this Memorial be submitted immediately by the Secretary of State to the Honorable George H.W. Bush, the

President of the United States, the President of the Senate and the Speaker of the House of Representatives of the Congress of the United States, to each Member of the Maine Congressional Delegation and to the Governors of the 50 United States.

Was read.

On motion of Representative Holt of Bath, tabled pending adoption and specially assigned for Thursday, March 23, 1989.
