State Of Maine

VOLUME III

FIRST REGULAR SESSION

STATE OF MAINE
ONE HUNDRED AND SIXTEENTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE

In Senate Chamber
Monday
April 26, 1993

Senate called to Order by the President, Dennis L. Dutremble of York.

Prayer by the Honorable Georgette Berube of Androscoggin.

SENATOR GEORGETTE BERUBE: Let us ponder together the beautiful words of the prayer of St. Francis Xavier.

We pass through this world but once, O Lord.
Any good therefore that we can do,
Or any kindness that we can show another
human being
Let us do it now.
Let us not defer nor neglect it
For we shall not pass this way again.

Amen.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Butland.

Senator **BUTLAND:** Thank you Mr. President, Ladies and Gentlemen of the Senate. I hope that you would vote against the pending motion so that you could go on to accept the Minority Ought to Pass Report as Amended. I would hope that you would do that for two basic reasons. First of all, passage of this would fulfill a commitment that the Legislature made to the County several years ago. It would also provide for a modest degree of property tax relief at the local level. If you look at paragraphs one and two in Section 1057 you will see that several years ago the State established a Government Operation Surcharge Fund for the purpose of reimbursing

counties for the costs associated with the operation of the jail system. To fund that fund we also passed a surcharge whereby every fine that was collected has a 10% surcharge on it and the funds were put into this fund to be passed on to the counties. We're not doing that now and it's imposing a tremendous burden on the counties. What this particular Bill does is say that beginning in July of 1995, not in this biennium, that the State will start fulfilling its obligation to the counties and that we will add a percentage every year until we have attained that 10%. We are passing on more and more costs to the counties, the money that we pay them is nowhere near paying the costs. We're also passing on mandates to the county jails that they provide a certain level of security or training or whatever and that is adding to the costs and the funny thing about it is that these are mandates that we are not complying with at the State level. I hope that you will approve this. Presently there is over \$20 million in fines collected every year. The county should be getting a little over \$2 million and they are not even receiving a half a million as of this time. They are receiving about 20% of what we agreed to give them several years ago and this particular Bill would merely make us fulfill our obligation. I would hope that you would vote against the pending motion so that we could go on and pass the Minority Ought to Pass Report and I would request a Division.

Senator **BUTLAND** of Cumberland requested a Division.

On motion by Senator **ESTY** of Cumberland, Tabled 1 Legislative Day, pending the motion by Senator **BERUBE** of Androscoggin, to **ACCEPT** the Majority **OUGHT NOT TO PASS** Report in **NON-CONCURRENCE** (Division Requested).

Senator **BEGLEY:** Thank you Mr. President, Ladies and Gentlemen of the Senate. A simple comment on the Bill as printed in your calendar. The amendment, of course, has changed the requirement to a must upon request, so that the position taken primarily is that the employee makes the request and the employer then will satisfy the request. It is not a requirement per se and I wanted that pointed out. Thank you.
