# STATE OF MAINE ONE HUNDRED AND SIXTEENTH LEGISLATURE SECOND REGULAR SESSION JOURNAL OF THE SENATE

In Senate Chamber Tuesday April 5, 1994

Senate called to Order by the President, Dennis L. Dutremble of York.

Prayer by the Honorable Pamela L. Cahill of Sagadahoc.

**SENATOR PAMELA**. L. CAHILL: For our meditation today I would like to read a prayer by Frank L. Staten entitled "Keep A Goin'".

"If you strike a thorn or rose, keep a goin'. If it hails, or if it snows, keep a goin'. I'ain't no use to sit and whine when the fish ain't on your line. Bait your hook and keep a tryin', keep a goin'. When the weather kills your crops, keep a goin'. Though tis work to reach the top, keep a goin'. Suppose you're out of every dime, getting broke ain't no crime, tell the world you're feeling fine, keep a goin'. When it looks like all is up, keep a goin'. Bring the sweetness from the cup, keep a goin'. See the wild birds on the wing, hear the bells that sweetly ring. When you feel like surging, sing, keep a goin'.

Amen.

S.P. 277 L.D. 841 (C "A" S-549)

(In House, April 1, 1994, PASSED TO BE ENACTED.)

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Brannigan.

Senator **BRANNIGAN:** Thank you Mr. President, Ladies and Gentlemen of the Senate. This is a recodification and a revision of Title 29, the Motor Vehicle Laws. It has been brought to our attention that one provision of the bill is unclear, which is not bad given that there are 370 pages to this bill, and it has been worked on for a long, long time. Rather than amend the bill and have to reprint the 370 pages I want to make a statement to clarify that provision. It has to do with trucks that exceed the axle weight limit and whether the fine for exceeding the limit can be forgiven or reduced if shifting the load brings the truck into compliance with weight limits. The Committee intent is that the fine reduction or forgiveness does not apply when the truck is travelling on the interstate highway system. That is the understanding of the Department of Transportation and of the Maine Motor Transport Association. This statement just clarifies what might be viewed as an ambiguity in language. Thank you.

Which was **PASSED TO BE ENACTED** and having been signed by the President, was presented by the Secretary to the Governor for his approval.

On further motion by same Senator, Senate Amendment "B" (S-566) **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Washington, Senator Vose.

Senator **VOSE**: Thank you Mr. President, Ladies and Gentlemen of the Senate. The good Senator from Lincoln, Senator Begley, and I discussed this particular amendment preceeding his presentation. Actually what I am going to ask this Senate to do is to Indefinitely Postpone this amendment. The reason is that the Marine Resources Committee was asked to pass a bill to conserve the urchin resources. We worked long and hard on that bill. The Committee finally couldn't agree on the six months that the urchin harvesters and processors wanted closed so finally I said look, those of you in the west pick out the times that you think you can live with and we, in the east, will do the same. We did so and we did not concur with the same dates. Therefore there were four and a half months in the eastern and four and a half months in the western that we agreed upon and therefore created two zones. Under the set up that we have now we believe we have done a great job in creating the two zones and allowing licenses only for one zone per year to be issued. If this bill fails and this limit doesn't pass it will destroy about six weeks of hard work in our Committee. The reason for the zones and the one license is we did not want anyone from zone one to come over and dive for urchins in zone two when their zone one is closed and visa versa. Therefore I would hope that you would join me and Indefinitely Postpone this amendment. Thank you.

Senator **VOSE** of Washington moved to **INDEFINITELY POSTPONE** Senate Amendment "B" (S-566).

THE PRESIDENT: The Chair recognizes the Senator from Lincoln, Senator Begley.

Senator **BEGLEY:** Thank you Mr. President, Ladies and Gentlemen of the Senate. The amendment was requested by the urchin harvesters organization that I was contacted by. It is absolutely true that what the Committee has done, they have worked arduously and conscientiously for the betterment of

the urchin industry. The amendment is simply asking that where you have the two zones for conservation is an absolute necessity, but the amendment says that the diver should have one license from the State which would allow him to dive in either of the two zones for that particular time when those two zones are open. The diver's association felt it was important to them because of the background of the industry itself to be able to, at least for the first year of this conservation measure, dive within the confines of the State. They have been used to this, there is little or no doubt that like many of the earlier clam diggers before the town ordinances came, they went from the southern tip to the northern tip of the State to ply their trade. The urchin divers do not think that they will, in any way, harm the conservation measures for this one year of an attempt across the State. The divers in my area, when the section of zone one closes, many of them will then be prepared to go dig clams and that is what many of them do and do not necessarily travel to the other zone. It is also true that there are some people in other areas of the state that might do so. Again, their wish was to have the one license for the two zones for the beginning of this bill and then see whether or not it happens to be of any importance or detriment to the plan itself. Thank you.

# JOINT RESOLUTION RECOGNIZING THE MAINE STATE GRANGE

WHEREAS, the State of Iowa has a long and proud history as the "Nation's Breadbasket," ranking second in agricultural production; and

WHEREAS, in 1993, most of the rain sorely needed by the farmers of Maine was deposited in the fields of Iowa; and  $\cdot$ 

WHEREAS, the devastating floods that followed have caused loss of life, property damage in excess of 1,000,000,000 and the flooding of over 2,000,000 acres of farmland, with crop damage exceeding 750,000,000; and

WHEREAS, Iowa farmers are experiencing a tremendous shortage of hay to feed their cattle, thus tragically compounding their losses; and

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Pearson.

Senator **PEARSON**: Thank you Mr. President, Ladies and Gentlemen of the Senate. This is the Highway budget and the Transportation Committee and the Appropriations Committee are always friendly rivals. Sometimes our money overlaps and sometimes we fight for our money between the two of us. The former Representative from Thomaston, Representative Mayo, used to tell me after we had gone for weeks and sometimes months doing our budget that the Transportation Committee spent one grueling hour dealing with their budget. Seriously, the Senator from Cumberland, Senator Brannigan, who has had the unique position of having been the Chair of Appropriations and Transportation and Business Legislation, I think has done an outstanding job in the Transportation Committee and I wanted to make these remarks as his budget was passing and thank him for what he has done. Thank you.
