**STATE OF MAINE
ONE HUNDRED AND TWENTY-FIRST LEGISLATURE
SECOND SPECIAL SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Thursday
February 26, 2004

Senate called to order by President Beverly C. Daggett of
Kennebec County.

Prayer by Reverend William H. Murdoch, Retired, of
Damariscotta.

REVEREND MURDOCH: Let us pray. Almighty God, creator,
sustainer, with us now, we thank You for this part of Your garden
that we call Maine; for its beauty and uniqueness; and for all
creatures, four legged and two; we thank You. We ask Your
presence, passion, and still small voice to fill all the members of
this body as they create, through legislation, better conditions for
all here in Maine. Give these people strength and grace as they
encounter and interact with one another. May the decisions they
make better the present and future lives of all who live and visit
this state. We thank You in the name of all that is holy. Amen.

Reading of the Journal of Wednesday, February 25, 2004.

Order:

S.P. 738

ORDERS OF THE DAY

Out of order and under suspension of the Rules, the Chair laid
before the Senate the following Tabled and Later (2/25/04)
Assigned matter:

JOINT ORDER - An expression of legislative sentiment
recognizing Joe Burnham, of Winthrop
SLS 539

Tabled - February 25, 2004, by Senator **TREAT** of Kennebec

Pending - motion by same Senator to **PASS**

(In Senate, February 25, 2004, **READ**.)

THE PRESIDENT: The Chair recognizes the Senator from
Kennebec, Senator Treat.

Senator **TREAT:** Thank you, Madame President, men and
women of the Senate. I just wanted to take a few moments to
recognize a student leader from Winthrop High School who is just
about, or just was, given an award by the Governor. Joe
Burnham of Winthrop High School has been involved in a service
learning project that had to do with sharing his artistic abilities
with seniors in the community. He did this through his Art II class
at Winthrop High School. He was invited to the Granite Hill
Retirement Community to assist seniors with this art project. Joe
was able to go above and beyond the good work he was doing
with the seniors in this project to become an advocate for service
learning in his school. He appealed to the school board, speaking
about his positive experience with service learning. His speech
helped convince the board to give their unanimous support to the
service learning program. He also served on the Legislature's
Commission on Citizenship Education, where he has met with
members to look at options for expanding service learning and
other civic education opportunities for Maine students. I think we
can all recognize that Joe has all the makings of a future
Legislator. I hope that you will join with me in extending our
congratulations to him for this great honor.

PASSED.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear
of the chamber Joe Burnham; his parents, Tina and Mike
Burnham; and Mary Dyer, the art teacher at Winthrop High
School. Would they please stand and accept the greetings of the
Maine Senate.

**MAINE STATE LEGISLATURE
LEGISLATIVE YOUTH ADVISORY COUNCIL**

Honorable Beverly C. Daggett, President of the Senate
121st Maine Legislature
State House
Augusta, Maine 04333

Dear President Daggett:

The Maine Legislative Youth Advisory Council addressed several issues in their second Annual Report to the Maine Legislature on February 12, 2004. A topic of major interest and concern to Council members is the demonstrated benefit of developing opportunities for civic engagement of young people in local and state government. Youth members bring a first hand knowledge of Maine youth – their interests, concerns, fears – that is often not accessible to adults. As you have been able to observe first hand; this is an effective, innovative approach to providing youth input into public policy issues.

Therefore the Maine Legislative Youth Advisory Council recommends:

State task forces, councils and other groups created by the Legislature to study issues affecting youth should consist of at least 30% youth members.

The Legislative Youth Advisory Council respectfully requests that the Legislative Council assist in the implementation of this recommendation by adopting it as a policy of the Council and in incorporating it into the process for the creation of future Legislative studies. We believe that meaningful youth involvement in state issues will result in the following outcomes:

1. Maine policy making will be more responsive to the needs of youth.
2. Young people will be educated about the policy making process and committed to civic engagement.

Thank you for your continued support of the Maine Legislative Youth Advisory Council.

Sincerely,

S/Nathanael Yellis
Co-Chair

S/Rep. Ross Paradis

(C "A" S-381)

This being an Emergency Measure and having received the affirmative vote of 31 Members of the Senate, with no Senators having voted in the negative, and 31 being more than two-thirds of the entire elected Membership of the Senate, was **PASSED TO BE ENACTED** and having been signed by the President, was presented by the Secretary to the Governor for his approval.

THE PRESIDENT: The Chair recognizes the Senator from Aroostook, Senator Martin.

Senator **MARTIN:** I'd like to pose a question to a member of the committee that held this bill and heard this bill.

THE PRESIDENT: The Senator may pose his question.

Senator **MARTIN:** Thank you, Madame President. The legislation, obviously, is a direct result of what took place in Rhode Island. I noticed, with interest, that not only are they trying to control inside the building but now the fire marshal is getting control outside the building, as well as inside the dwelling, and also at mass gatherings. I wonder why the committee broadened the bill to extend to that level?

THE PRESIDENT: The Senator from Aroostook, Senator Martin poses a question through the Chair to anyone who may wish to answer. The Chair recognizes the Senator from Cumberland, Senator Strimling.

Senator **STRIMLING:** Thank you, Madame President. I don't remember all the details of the bill right at the moment. The committee did not actually expand the bill. That was where the bill seemed to be going. We actually lessened it down a little bit. It wanted to go much further than that, so we brought it back. Our feeling was that there is a clear danger with some of these pyrotechnics and we wanted to make sure, regardless of whether it's inside or outside, that people remain safe. I would add that we had zero testimony from any communities that were saying the bill, as proposed, was not sufficient or they would not be able to work within its confines.

On motion by Senator **TREAT** of Kennebec, **TABLED** until Later in Today's Session, pending **ENACTMENT**, in concurrence.
