STATE OF MAINE
ONE HUNDRED AND TWENTY-FIRST LEGISLATURE
SECOND SPECIAL SESSION
JOURNAL OF THE SENATE

In Senate Chamber
Thursday
April 1, 2004

Senate called to order by President Pro Tem Sharon A. Treat of
Kennebec County.

Prayer by Pastor Stephen Tracey, Lakeview Presbyterian Church
in Rockport.

PASTOR TRACEY: I thank you for your kind invitation to be here
this morning and to lead in prayer. I was somewhat nervous
appearing before such an august body on April Fool's Day, but so
far we have survived. Let us pray.

Oh Lord, our God, we recognize that You are high and
exalted and sovereign, but You are not distant from us nor remote
nor severed from us. We are in Your presence at all time. We
pray that You will grant us reverence. We ask this day for
wisdom. You have granted gifts to each person here. You have
granted the gift of a ready mind and a willingness to serve. We
pray that You will grant help in all of today's business. Be
pleased to grant clarity of mind, of thought, and of speech, that
decisions will be wise, fair, and upright. We ask for compassion.
You have called each one here to this office and we pray that You
will grant them a heart for the people, that they may use their
authority to do that which is right, to uphold justice, and to provide
compassion. We ask also for mercy for each one of us. You
know our homes and our families, our joys and our pleasures, our
pains and our sorrows. We pray that You will draw near to help
us. You do also know our own hearts, our secrets and hidden
things. Be pleased to reach out to each one of us with Your
grace and Your mercy. This we ask in the name of Jesus Christ.
Amen.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Penobscot, Senator Mitchell.

Senator **MITCHELL:** Thank you, Madame President, ladies and gentlemen of the Senate. This bill that is before is not a new issue. In the four sessions that I have served in this chamber, various legislators across the state have brought this issue to the floor. It is merely a cry from municipal government to ask for choice and flexibility in deciding what they are able to do in determining what legal aspirations they can take to reach out through the legal notices that they need to publish. Currently, the law states that you are required to use second-class postal matter. The municipalities that realize that in order to meet the second part of the law, which is that you are to reach the general circulation of your population, they need to go to more than one newspaper. This creates an additional cost to the municipal government. In order to reach a compromise, we were hoping to change second-class to periodical. It also puts restrictions in the law requiring that the municipality and the local newspaper that they do decide to use under the classification of periodical meets all the standards set forth, other than the mailing standards. Also required is that the municipal record is retained on file and there is an archive by the newspaper. They must have a system to

keep all past editions of the paper. It also requires that municipality officials or the legislature approve the use of that newspaper. It does take away the fear of just over-the-counter periodicals that are just handed out. They must use the periodical postal matter. This third-class mail must meet the qualifications of newspapers for publication of legal notices. I would ask you to, please, grant flexibility to municipal governments and give them an opportunity to have a choice, and not a mandate, that incurs more than the cost that they should be able to incur to reach the majority of their circulation. Please join me in voting against the Ought Not to Pass motion.

On further motion by same Senator, supported by a Division of at least one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Androscoggin, Senator Rotundo.

Senator **ROTUNDO:** Thank you, Madame President, men and women of the Senate. I rise today to ask you to support the Ought Not to Pass report. Current law allows only newspapers with second-class periodical designation from the U.S. Postal Service to public legal notices. Newspapers with second-class periodical designation are the only publications that can ensure timely, dependable dissemination of legal notices to citizens. To qualify for second-class designation a newspaper must, among other things, have a stated, pre-determined frequency of publication, have at least 25% editorial content in its issues, and have at least a 50% paying subscription base. Moreover, only second-class publications are guaranteed to be delivered by the postal service to readers on the date of publication. Legal notices are serious business, containing information that could potentially impact the rights of citizens. Publication of them should be left to newspapers that ensure dependable, timely dissemination of this vitally important information. I ask you, please, to vote Ought Not to Pass on L.D. 1873. Thank you.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Cumberland, Senator Turner.

Senator **TURNER:** Thank you, Madame President, ladies and gentlemen of the Senate. I obviously am not as aware of what is going on in your districts in respect to the publication or the arrival of new weekly publications. I can tell you that in my Senate district there have been two new papers started in the last year. When one is seeking to get local coverage, and wants to know what is going on in their local community, the citizens of my district are going to their weekly papers, not to the papers that are published daily. I do think this is an opportunity for you to allow municipalities to use their discretion and ensure that their citizens are being properly notified and at the same time doing it in what could very well be a more cost effective manner. I would urge that you defeat the pending motion. Thank you.

THE PRESIDENT PRO TEM: The pending question before the Senate is the motion by the Senator from Androscoggin, Senator Rotundo to Accept the Majority Ought Not to Pass Report. A Roll Call has been ordered. Is the Senate ready for the question?

Senator **BENNETT** of Oxford requested a Division.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Oxford, Senator Bennett.

Senator **BENNETT:** Thank you, Madame President. I request permission to pose a question through the Chair.

THE PRESIDENT PRO TEM: The Senator may pose his question.

Senator **BENNETT:** Madame President, I haven't read the actual text to this bill and I was given to understand that it requires municipalities to file information about their budgets with a state agency. Is that true? If so, what other measures that might be more meritable does this bill contain? Thank you.

THE PRESIDENT PRO TEM: The Senator from Oxford, Senator Bennett poses a question through the Chair to anyone who may wish to answer. The Chair recognizes the Senator from Androscoggin, Senator Rotundo.

Senator **ROTUNDO:** Thank you, Madame President. The bill does require municipalities to submit copies of their annual budgets to the State Planning Office, which will compile the information and make it available over the internet. The purpose of this bill is to make public information more accessible. Thank you.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Oxford, Senator Bennett.

Senator **BENNETT:** Thank you, Madame President. My understanding is that this information is already available to the

public and citizens of the municipality under the law. I think this bill is unnecessary and redundant, and is really inappropriate.

On motion by Senator **BENNETT** of Oxford, supported by a Division of at least one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Cumberland, Senator Turner.

Senator **TURNER:** Thank you, Madame President, ladies and gentlemen of the Senate. I think I understand what this bill is about. Currently, as a resident of Cumberland, as with all residents, I am mailed a copy of the municipality's annual budget. They have a website, the contents of which contain all the relevant information. It appears to me that we are now going to send this information on to the State Planning Office, that depository of municipal information for things like our comprehensive plans, which go in on year one and sometimes, if we are lucky, come back on year five. I'm at a loss as to what added value this legislation is going to provide either to the state or to the municipalities? It seems to me it ought to, unceremoniously, be defeated. Thank you.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Knox, Senator Savage.

Senator **SAVAGE:** Thank you, Madame President, men and women of the Senate. As the good Senator from Cumberland, Senator Turner, said, we, as individual taxpayers in a municipality, receive a copy of the report. Unless it has changed since I was active in municipal government, each municipality is required to send that report, which includes the budget, and action thereof to all of the state agencies. This is a duplication, in my mind.

THE PRESIDENT PRO TEM: The pending question before the Senate is Passage to be Engrossed. A Roll Call has been ordered. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

The Secretary opened the vote.
