Senate called to order by President Kevin L. Raye of Washington County.

Prayer by Senator Garrett P. Mason of Androscoggin County.

SENATOR MASON: Let us pray. Dear Heavenly Father, we come before You today in thankfulness of who You are and what You do for us every day God. We come to You as legislators looking to do the best for our state. Lord, we hope that we can do what is right in Your eyes Lord. We also bring before You our President and our Congressional delegation Lord. We pray that You will be with them. Help them make the right decisions for America and for our state. Lord, in the bible it says that if we ask for wisdom You will give it to us in abundance. We hope to hold You to that promise today Lord. We ask this in the name of the one who came to save us, Jesus Christ. Amen.

Joint Resolution

WHEREAS, the Legislature has learned with deep regret of the death of:

Myles Henry, of Wells, co-owner of the Maine Diner. Mr. Henry was born in Biddeford and grew up in Nashua, New Hampshire. After graduating college, he began a renowned restaurant career. In 1983, Myles and his brother Dick became co-owners of the popular Maine Diner in Wells. Notably, Mr. Henry was recently honored as the 2010 Maine Restaurateur of the Year by the Maine Restaurant Association. He will be greatly missed and long remembered by his loving wife, Trisha Wilson Henry, his family and his many friends;

HLS 53

Comes from the House **READ** and **ADOPTED**.

READ.

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Collins.

Senator **COLLINS:** Thank you Mr. President. Ladies and gentlemen of the Senate, Myles Henry was the owner of the Maine Diner in Wells. It seems like every community or every town in Maine, particularly in Maine, has a local eatery, a local restaurant, that is the place with local and State politics are always discussed, sometimes in heated debates. I've been part of many there in that restaurant, the Maine Diner. Myles was very much involved in his community. He was always the guy you went to when you needed a favor or needed a donation. He and his brother, Richard, owned the Maine Diner which had a fine reputation for quality food and sometimes a heated and clouded atmosphere with the politics that were discussed there. Nevertheless, any time I needed to know what was going on in my community in the town of Wells I would go to the Maine Diner and I found out very quickly what was going on in my community. Myles was on vacation in Florida, played a couple of rounds of golf, was at a local restaurant in Florida, and something happened and he passed away. He was just a mere 54 years old. He will be sadly missed by many, particularly in my community, the town of Wells. Thank you.

ADOPTED, in concurrence.

SLS 39

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Bliss.

Senator **BLISS:** Thank you Mr. President. Men and women of the Senate, it really doesn't matter what part of the state you come from, what side of the aisle you sit on, what political philosophy you have, or what you do when you are not sitting in this chamber: we all know one thing, we don't have enough money to go around. We don't have enough money to run the State as it deserves to be run. We have too many people who

don't have jobs. We have too many people who go to bed hungry. We have too many people who don't have a bed to go to sleep in. The bright spot is that there are a group of dedicated people all over the state who help make the state work. Those are the people who either are paid by or, in most cases, volunteer their time at non-profit organizations. They work to help people because they understand that it's the right thing to do and that people need that help. There are non-profit organizations working to help your constituents no matter what part of the state you live in, no matter what part of the state you represent. Without those people we would be in a whole lot more trouble than we are in today. They help us feed our people. They help us make sure our people are safe and warm. They make sure that our kids have blankets and coats and mittens and toys for the holidays. They work to insure that there is a level below which nobody in this state sits. We owe them a huge thank you. For the last eight years the Maine Association of Non-Profits has been bringing representative non-profit agencies to the State House once a year to give us a chance to see the kind of work that they do. I think this is very nice. I think it's probably a better idea if we take the initiative and seek out non-profits in our own districts and visit them on their own home turf so they can show us first hand what they do. It's a way for them to share their information with us. I rise today, Mr. President, to recognize the work that these non-profits do, to thank the Maine Association of Non-Profits for helping us keep aware of the work that they do, and to encourage my colleagues to visit those non-profits before you leave the building today and when you go home seek out the non-profits in your district, tell them thank you and ask them for a tour. Sometimes we make the assumption that all non-profits in Maine all operate out of Portland, because that is the big city, right. The non-profits that are here today sharing their information come from Augusta, Belfast, Holden, Scarborough, Bar Harbor, South Portland, Auburn, Kennebunkport, Rockland, and Machias. They are everywhere. Thank you for the time, Mr. President. Thank you non-profits and colleagues please visit with them. Thank you.
