STATE OF MAINE
ONE HUNDRED AND TWENTY-FIFTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE

In Senate Chamber
Tuesday
March 8, 2011

Senate called to order by President Kevin L. Raye of Washington County.

Prayer by Chaplain Don Williams, Augusta Fire Department.

CHAPLAIN WILLIAMS: We thank you for honoring the fire services in the state of Maine. One man named Peter Gibbons defines heroes, which I believe our firefighters, EMS, and paramedics are all heroes along with our law enforcement, using three criteria. Heroes accomplish something extraordinary. They show moral valor, especially in times of adversity. They are great souls who lift us up through their high-minded noble examples. Charles Colson said "Every hero, to be sure, is human and deeply marred with sin, yet a life without heroes is an impoverished life." Celebrities may hold our interests but they have no ability to inspire us to live great lives. By contrast, heroes invite us to grow. They enlarge our imaginations, teach us to think big, and expand our sense of the possible. We must never forget the great price paid every day by those in the fire and rescue services, Fire Marshalls and also in law enforcement. They make the ultimate sacrifice for our safety. Song writer Ray Boltz penned these words, "Fallen but not forgotten". These are the heroes that stand tall and forever we will remember with honor, for with honor and glory they gave their all. Shall we pray.

Father, we thank You for these men and women who have given and are giving of themselves to keep us safe. God, we thank You for them, their dedication to this great and mighty land and the great state of Maine, and for answering the call to fire services. I would ask that You would please grant strength, courage, boldness, and wisdom to those who are serving as firefighters, EMTs, and paramedics. Care for them and keep them safe. God, I would ask that Your wisdom and power might come upon these to whom have been entrusted the leadership of this great state of Maine. Give them wisdom and understanding. Help us all to stay ethical and be people of good character and integrity. God, I ask that You would give them courage, boldness, and wisdom as they direct this great state. God, I also thank You that they have taken time today to recognize those who have given the ultimate sacrifice and for those who are giving of themselves to keep us safe. We thank You for that. We thank You for them. God, we would ask that You would just be with everything that is said and done today, that it will bring honor and glory unto You. Amen.

Pledge of Allegiance led by Senator Jonathan T.E. Courtney of York County.

ORDERS

Joint Order

Expressions of Legislative Sentiment recognizing:

Catherine Curtis, of Winthrop, Deputy Secretary of State, Bureau
of Motor Vehicles, on the occasion of her retirement after 32
years of service to the State. Ms. Curtis, who was named
Manager of the Year in 1999, began her career at the Department
of the Secretary of State, Bureau of Motor Vehicles in 1978,
working in various positions until she became Assistant Director,
Division of Public Services at the bureau in 1990. In 1994 she
became the Director of the Division of Public Services and in

1999 Ms. Curtis was named Director - Public Service Executive 1,
Division of Vehicle Services. She served in that senior
management position until she became Deputy Secretary of State
in 2006, responsible for the overall management of the Bureau of
Motor Vehicles. We acknowledge her exemplary commitment to
the State of Maine and we send her our appreciation for her many
years of hard work and responsibility. We congratulate her on her
well-deserved retirement;

THE PRESIDENT: The Chair recognizes the Senator from York,
Senator Collins.

Senator **COLLINS:** Thank you Mr. President. It gives me great
pleasure to acknowledge the hard work and dedication Cathy
Curtis has given the people of Maine as well as the Department of
the Secretary of State. I don't think there is a member in this
chamber that has not at some time or another had to contact
Cathy Curtis with some kind of constituent request, straighten out
a matter with a driver's license, or whatever. Cathy was always
the go-to person, in my opinion, over the many years that I was a
member of the Transportation Committee, with four terms in the
House, and now as Senate Chair of the Transportation
Committee. She was always the person that I went to for
answers. She always contributed a lot of information that helped
us make our final decisions at work sessions dealing with bills
dealing with registrations, licenses, or what have you. She was
always there with the information. I was often quite astounded at
the amount of information she was able to retain all these years
and how she kept up to date with all the changes in law. With the
Chamber's permission and the President's permission, I would
like to present this morning Cathy Curtis a Legislative Sentiment
thanking her for her years of dedication to the people of Maine
and to the Maine Legislature.

THE PRESIDENT: The Chair recognizes the Senator from
Cumberland, Senator Diamond.

Senator **DIAMOND:** Thank you Mr. President. Ladies and
gentlemen of the Senate, I also rise to say a few well deserved
good words about Cathy Curtis. When I was Secretary of State
from 1989 to 1997 I got to know Cathy very well. Cathy, as you
heard read, was promoted in 1994 to the position of Director of
Public Services. By the way, she is one of the few women that
were promoted back in the day and it was well deserved. I can
say to you that she served in that position with honor. She should
have been there much sooner. She served with honor and
dedication. Many of the changes that you might remember
seeing in your local Motor Vehicle branch, such as taking a ticket
and other sorts of improvements to increase the efficiency, Cathy
really was the one that made all that happen. The rest of us kind

of took the congratulations from time to time but Cathy made it happen. She really was just an unbelievable employee, devoted to the citizens of the state of Maine. One of the proudest moments that I had while serving as Secretary of State was the moments that we had together and she was explaining to me ways of making improvements in the system and the department. The current Secretary of State is going to miss her. We're all going to miss her. To Cathy Curtis I say Godspeed and thank you for all you've done for the state of Maine.

PASSED.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the chamber, as she is presented with the sentiment, Cathy Curtis, who is accompanied by the Secretary of State. Would you please stand and accept the greetings and congratulations of the Maine Senate.

The President appointed the Senator from Penobscot, Senator **PLOWMAN**, to serve as President Pro Tem for the remainder of today's session.

Senator **SCHNEIDER** of Penobscot was granted unanimous consent to address the Senate on the Record.

Senator **SCHNEIDER**: Thank you Madame. President. Men and women of the Senate, first of all I'd like to congratulate those who are honoring adult education. As somebody who has been a strong advocate for adult education I am very pleased that this particular Joint Resolution was put into play. In more broader terms, with regard to Joint Resolutions in this Body, in the past it has been very much a tradition that we advise each other of Joint Resolutions, though it certainly is not a requirement, so those of us who might like to join in on Joint Resolutions are made aware of their existence. There might have been quite a few more of us who would have liked to have joined. I know I very much would have liked to have joined. Just in a broad sense, if people have Joint Resolutions, and they are willing to be collegial, it would be really nice to communicate that there is a Joint Resolution out there and I would be very grateful to be aware of that. I just wanted to let people know I appreciate, in particular, this Joint Resolution because I think it's wonderful that we are honoring and

recognizing the efforts of adult education and want to thank you for that and just let you know of my support. Thanks so much.

Senator **CRAVEN** of Androscoggin was granted unanimous consent to address the Senate off the Record.

Senator **SULLIVAN** of York was granted unanimous consent to address the Senate on the Record.

Senator **SULLIVAN**: Thank you Madame President. Today, coming from East Winthrop, the trees were glistening and it was absolutely beautiful. The ice that had caused so many problems was just beautiful on the trees. I had just come in and there is a group of soldiers returning home to Maine. The Augusta Fire Truck was there. The ladder was extended. As you came down you could still see the glistening trees and there was the flag. If we may honor them in our thoughts, we have another group of Maine soldiers returning home. What a beautiful glorious day to return home.

Senator **LANGLEY** of Hancock was granted unanimous consent to address the Senate off the Record.

Senator **SNOWE-MELLO** of Androscoggin was granted unanimous consent to address the Senate off the Record.
