STATE OF MAINE  
ONE HUNDRED AND TWENTY-FIFTH LEGISLATURE  
SECOND REGULAR SESSION  
JOURNAL OF THE SENATE

In Senate Chamber  
Thursday  
March 1, 2012

Senate called to order by President Kevin L. Raye of Washington County.

Prayer by Senator Rodney L. Whittemore of Somerset County.

**SENATOR WHITTEMORE:** Good morning everyone. Let us pray. God in heaven, it is our privilege to invite You here as the guest of honor at today's legislative session. It is our request that You would bestow Your blessing upon our work, but more than that, it is more important that we desire that You would be here with us this morning. Among other things, O God, You are the creator of human minds, which You molded in some fashion after Your own great mind. Although we acknowledge that Your thoughts are infinitely higher and more profound than ours, we glory in the notion that we may, at our own level, model some of our own thoughts after Yours today. Thank You for the precious gifts of knowledge and discovery. I ask on behalf of those gathered here that You would, indeed, bless each of these legislators. Give them the grace to make a difference for the good in whatever they may encounter. Lord, we ask that You be with those who are in need of Your comforting, especially Senator Diamond, Senator McCormick, and their families. Amen.

Posting of the Colors by Loring Job Corps

Pledge of Allegiance led by Senator Douglas A. Thomas of Somerset County.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Alfond.

Senator **ALFOND:** Thank you Mr. President. I briefly want to talk about this Joint Resolution, recognizing Maine adult education here in the state of Maine. I know many of you were downstairs yesterday looking at all the diversity of our adult eds across the state. Adult eds play a huge role in our education system, as you all know. As you also know, we are trying to create multiple pathways for all students here in Maine and adult ed provides a crucial one for those students at risk and for those students coming into this country that don't have all of the English skills that they might need in order to be in our high schools or to be in our colleges. It is critical that we keep supporting adult ed, that we keep having a great infrastructure of adult ed, because it is a crucial part of our economy, making sure that all students and all adults have a place to go and succeed here in Maine. Thank you, Mr. President.

**ADOPTED**, in concurrence.
