#### **SPECIAL SENTIMENT CALENDAR**

In accordance with House Rule 519 and Joint Rule 213, the following items:

##### **Recognizing:**

the Honorable Nancy Randall Clark, of Freeport, on the celebration of her 75th birthday. A highly regarded member of the greater Freeport community and leader in Maine politics, Nancy is known for her zest for life and deep commitment to service. She was the first woman to ever be elected Senate Majority Leader in Maine. Nancy was elected to the Legislature in 1973 and served 3 terms in the House of Representatives. She was elected to the Senate in 1979, where she served 7 terms, one term as Assistant Senate Majority Leader and 3 terms as Senate Majority Leader. Nancy was a teacher for 40 years. She taught business education in Scarborough and then had a long career teaching in the Freeport school system. She was an involved member of the Maine Teachers Association, where she served as president and was a candidate for national leadership. Nancy has been a member with the Order of the Eastern Star for 39 years and is currently an Associate Matron. She served as Worthy Matron and Grand Electa. She has been a grange member for more than 4 decades and serves on the Executive Committee of the Maine State Grange, playing a vital role on the Legislative Committee. She is the current Master of Harraseeket Grange #9. Nancy served twice as president of the Cumberland County Retired Educators Association and remains a member. She has been a member of the board of the Maine State Society for the Protection of Animals for 37 years and a member of the Daughters of the American Revolution for 39 years. She has been a member of the South Freeport Congregational Church for almost 60 years and a member of the Freeport Woman's Club for 11 years, serving as its president twice and vice president twice. Nancy is a member of the Freeport Elders Association and is an active member of the Board of Directors of Freeport Community Services. We extend our congratulations and best wishes to Nancy on this very special occasion;

(SLS 315)

On **OBJECTION** of Representative GIDEON of Freeport, was **REMOVED** from the Special Sentiment Calendar.

**READ.**

The **SPEAKER**: The Chair recognizes the Representative from Freeport, Representative Gideon.

Representative **GIDEON**: Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. It is my great honor to recognize with all of you today, the Honorable Nancy Randall Clark. As you've just heard, she has been a leader in Maine politics and a steadfast volunteer in my own community of Freeport. She has dedicated 40 years of her life to the most noble profession, teaching our youth in our public schools, and to advocating for her fellow teachers as the former President of the Maine Teachers Association. In 1973, Nancy was a first term legislator in this House of Representatives, when her fellow Representatives repeatedly referred to her, not by her earned title but instead only as "Ma'am." In her very distinctive and strong voice, Nancy Randall Clark rose from her seat, stood her ground and insisted with her usual grace and vigor that her fellow members should please refer to her as "Representative" instead. Six years later, she moved on to the Senate where her colleagues elected her the first ever female Senate Majority Leader in Maine. Though Nancy could not be here with us today, I ask you to join me in celebrating the 75th birthday of this extraordinary woman and leader. Thank you, Mr. Speaker.

Subsequently, the Sentiment was **PASSED** in concurrence.

##### **Recognizing:**

Brenda Commander, duly elected Chief of the federally recognized Houlton Band of Maliseet Indians for an unprecedented 5th term of office. Chief Commander has served as Chief for 4 terms and almost 16 years. During her service, Chief Commander has dramatically improved the living conditions and future of her tribe and its members. Through the years, she has helped advance the financial, cultural and health security of both the tribe and the community at large. By attracting federal, state and local funds for important improvement projects, Chief Commander has inspired many Maliseets and others to rise to the challenge of making a prosperous future for the generations to come. With a new health center, tribal administration building, gymnasium and multiuse sports field, and with infrastructure upgrades, the tribe is poised for sound future growth. Beyond Houlton, Chief Commander has served as a strong voice for the Maliseets and other Wabanaki people. She has testified and worked with the Legislators of both parties, setting an outstanding example for other tribal leaders. Chief Commander has inspired young people of all ages to follow in her footsteps, to seek out opportunities and to assert their ideas and leadership. We extend our congratulations and best wishes to this dedicated leader of the Houlton Band of Maliseet Indians on her service to her tribe, to the community and to the State of Maine;

Presented by Representative BEAR of the Houlton Band of Maliseet Indians.

Cosponsored by Senator SHERMAN of Aroostook, Representative FITZPATRICK of Houlton.

On **OBJECTION** of Representative BEAR of the Houlton Band of Maliseet Indians, was **REMOVED** from the Special Sentiment Calendar.

**READ.**

The **SPEAKER**: The Chair recognizes the Representative from the Houlton Band of Maliseet Indians, Representative Bear.

Representative **BEAR**: Thank you, Mr. Speaker. Mr. Speaker, Honorable Members of the House. I appreciate this

opportunity to speak. I am honored to rise today to ask you to join with me and my people in congratulating Chief Brenda Commander on her unprecedented reelection to a fifth four-year term as our chief. It is appropriate that this be a recognition that the House recognizes, especially today. It seems to fit in quite well with the recognition that we're giving the House members, both present and past. I didn't quite schedule it that way and I'm glad that that's the way it has come out. But so I think her record as described by the House Clerk speaks for itself. She has represented our tribe in a way that is very honorable. She has championed many causes for us. She has always sought fairness, justice and equity, and also prosperity which we are all prompted and encouraged to join in with her to do, which is why I'm here. So it is in this light of celebration that we ask you to support our legislative requests, generally, and this resolution, specifically, today. I would ask that we all join together in wishing our Sakom best wishes as she begins her fifth term in office. Thank you.

The **SPEAKER**: The Chair recognizes the Representative from Brunswick, Representative Priest.

Representative **PRIEST**: Thank you, Mr. Speaker. I, too, want to join in congratulating Chief Commander for her fifth term as the co-chair of the Judiciary Committee which deals with the tribes. It has been a pleasure to work with her. She was instrumental in getting the Maliseet Representative to the Legislature seated and she has been instrumental in a lot of the legislation that we've worked on with the tribes. I want to congratulate her and I look forward to working with her in the future.

Subsequently, the Sentiment was **PASSED** and sent for concurrence.

**In Memory of:**

the Honorable Ronald C. Bailey, of Randolph, former Member of the House of Representatives. Mr. Bailey was born in Presque Isle and graduated from Winthrop High School in 1950. He served in the United States Navy from 1951 to 1955. Following his military service, Mr. Bailey attended the University of Maine in Orono, graduating in 1961. He began his career teaching history at Farmington High School and held a variety of teaching, coaching and leadership positions in Maine School Administrative District #9, retiring as Assistant Superintendent of Schools in 1984. He earned his master's degree from the University of Maine at Farmington and he served as an adjunct professor at the University of Maine in Orono and at the Gorham campuses. After he retired from education, Mr. Bailey worked as a sales representative for Walsh Body and Trailer Corporation and later for Michaud Bus Sales and O'Connor Bus Sales, representing Blue Bird bus company. He was elected to the Maine House of Representatives in 1986, representing Farmington and New Sharon and serving 4 terms. He also served on the Maine Highway Safety Committee for over 20 years. Mr. Bailey was a member of the Farmington Rotary Club and a founding member of the Farmington Kiwanis Club, belonged to the Provost unit of the Kora Temple and was a member of American Legion Post 2. He will be greatly missed and long remembered by his loving family, his many friends and the community that he so ably served;

(HLS 244)

Presented by Representative HARVELL of Farmington. Cosponsored by Senator SAVIELLO of Franklin, Representative GRANT of Gardiner, Senator FLOOD of Kennebec.

On **OBJECTION** of Representative HARVELL of Farmington, was **REMOVED** from the Special Sentiment Calendar.

**READ.**

The **SPEAKER**: The Chair recognizes the Representative from Farmington, Representative Harvell.

Representative **HARVELL**: Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. This spring, Ron Bailey died and his family asked that this memorial be brought on Welcome Back Day because it was his favorite day. The simple words that he served in the Legislature from 1986 to 1994 are merely statistics. I remember my first meeting with Ron Bailey when I was deciding to run for office and in his living room, I began to understand why Welcome Back Day was important to him because, even now, only having been here three years, I find myself starting conversations the same that he did. They go something like this. "I don't remember what the bill was about..." and then you start to talk about the personalities. He had all of these stories and it made me realize that when we are elected here, we join a pretty select club, and, as you know, I have a portent for history and after getting elected, I began to do a little research on about how many members from every district actually have served here since the beginning of Maine and it's just about 30. That's in 200 years. As we saw the men and women come into here today and when they are in the hallways, you hear these conversations and you hear these stories, and they are so much more about who we are as people and the personalities and the relationships we forged and ultimately the battles that we fought. That is interesting as it goes forth because we, here, know, and those that have served before us, can really only know what the late nights mean, what the stress, the pressure means. Ron Bailey's family is here today, his wife, his son, his daughter-in-law and his two children, and they are the ones that suffered through what he went through and were able to listen to the stories that he told, the same stories that we one day will tell.

Subsequently, the Sentiment was **ADOPTED** and sent for concurrence.

The **SPEAKER**: The Chair recognizes the Representative from Hampden, Representative Duprey.

Representative **DUPREY**: Mr. Speaker, may I pose a question through the Chair?

The **SPEAKER**: The Representative may pose his question.

Representative **DUPREY**: Thank you, Mr. Speaker. To any member on the committee that might know, does this require anybody who has been a member of the Armed Forces, regardless of any training, to be prohibited, they don't have to take a hunter safety course, and regardless of their training, any member of any Armed Services? Thank you, Mr. Speaker.

The **SPEAKER**: The Representative from Hampden, Representative Duprey, has posed a question through the Chair to anyone who may care to respond. The Chair recognizes the Representative from Standish, Representative Shaw.

Representative **SHAW**: Thank you very much, Mr. Speaker. What the Ought to Pass as Amended Report does is it allows a person in the military who is stationed outside of the United States, it would waive the responsibility of taking the hunter safety course if they are back in the States on leave and they are a Maine resident. After they get off of active duty, they still would be required to take the hunter safety course. Thank you very much, Mr. Speaker.

An Act Regarding the Authority of a School Board To Elect a School Superintendent

(H.P. 10) (L.D. 6)

(C. "A" H-31)

TABLED - May 8, 2013 (Till Later Today) by Representative McCABE of Skowhegan.

PENDING - **RECONSIDERATION** (Returned by the Governor without his approval).

The SPEAKER: The Chair recognizes the Representative from Newport, Representative Fredette.

Representative **FREDETTE**: Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. This bill is fundamentally a home rule issue. Home rule is something recognized in our Constitution in regards to our municipalities. It vests the rights in our communities, in our voters in our communities. What this bill seeks to do is to supersede the municipality. To take authority away from the municipality, because we know better. We in Augusta know better than the municipality. My understanding is this issue arises because there was a referendum in a particular municipality and that referendum was defeated, and, ergo, we now have this bill before us to try to supersede the vote of that municipality and that's fundamentally wrong. It is fundamentally wrong. If a municipality has an issue with a charter, let the municipality fix the charter. It's not up to us, 151 people from all over the entire State of Maine, to supersede our judgment for the municipality. It's fundamentally a home rule issue. It does affect an ongoing issue here in Augusta and the good Representative from Augusta, Representative Pouliot, will oppose this veto, I suspect, however, in an article today, the *Kennebec Journal*, they state, and I quote, "I'd hope the House and Senate override the governor's veto," Campbell said Wednesday. "If that doesn't happen, we'll work with council to get the charter changed." That's what it says, folks. If the House and other body doesn't do it, then we'll work with the council to get the charter changed. That's exactly the way the system is supposed to work. We're not supposed to be superseding our authority for that of the local municipality, and, therefore, I urge you to vote to sustain the Governor's veto. Thank you.

Subsequently, on motion of Representative BERRY of Bowdoinham, **TABLED** pending **RECONSIDERATION** and later today assigned.
